

Amendment No.

CHAMBER ACTION

Senate

House

.

1 Representative Jacobs offered the following:

2
3 **Amendment**

4 Between lines 744 and 745, insert:

5 5. Make specific recommendations for determining the
6 appropriate ratio of school resource officers per school by
7 school type. At a minimum, the methodology for determining the
8 ratio should include the school location, student population,
9 and school design.
