176 (7) To construct, erect, acquire, own, repair, remodel, maintain, add to, extend, improve,  
177 equip, operate, and manage its public services; with the cost of such public services and

199 and conditions as the state or such agency or instrumentality or political subdivision may  
200 impose;

201 (13) To borrow money for any of its corporate purposes and to execute notes or other

- 212 (18) The authority and any trustee acting under any trust indenture are specifically  
213 authorized to sell, lease, grant, exchange, or otherwise dispose of any surplus property,  
214 both real and personal, or interest therein not required in the normal operation of and  
215 usable in the furtherance of the purpose for which the authority was created, under such  
216 terms, notices, and conditions as may be established by the authority, except as such right

235 Additionally, and not in limitation of any of the foregoing, the authority, in fixing said  
236 public services rates, shall be fully authorized and empowered to comply with any state  
237 or federal Acts and any lawful regulations adopted pursuant to any such Act. As a  
238 limitation of the power of the authority, however, if at any time there are issued and  
239 outstanding revenue bonds for the payment of which the revenues of the authority are  
240 pledged, the authority shall make no decrease in rates or fees for said public services  
241 which will in any way impair the obligations contained in the revenue bonds;

242 (22) To adopt rules and regulations providing for the suspension of service to delinquent

 248 execution for unpaid ad valorem taxes of the County of Schley; provided, however, that  
 249 no such lien shall exist as to third parties until execution therefor shall have been issued

 252 immediately notified;

253 (23) To acquire insurance for its property, its authority members, and its officers and  
 254 employees on such terms and conditions and in such amounts as the authority deems  
 255 appropriate in its judgment and discretion with the payment of premiums and charges

 257 the authority and out of the general funds of the authority as the authority may determine;

258 (24) To have all powers and authorities set forth under Code Section 36-82-62 of the  
 259 O.C.G.A., et seq., and as subsequently amended; and

 267 project, as defined in this Act, of any one or more projects and to provide by resolution for  
 268 the issuance of negotiable revenue bonds for that purpose. The principal and interest of such  
 269 revenue bonds shall be payable solely from the special fund provided in this section for such  
 270 payment. The bonds of each issue shall be dated, shall mature at such time or times not

 274 of payment as to both principal and interest as may be determined by the authority and may  
 275 be made redeemable before maturity, at the option of the authority, at such price or prices  
 276 and under such terms and conditions as may be fixed by the authority in the resolution

277 providing for the issuance of the bonds. Any bonds issued by the authority shall be exempt  
278 from all laws of this state governing usury or prescribing or limiting interest rates to be borne  
279 by bonds or other obligations.

280

**SECTION 6.**

281

Revenue bonds; form; denominations; registration; place of payment.

282 The authority shall determine the form of the bonds, including any interest coupons to be  
283 attached thereto, and shall fix the denomination or denominations of the bonds and the place  
284 or places of payment of principal and interest thereof, which may be at any bank or trust  
285 company inside or outside this state. The bonds may be issued in coupon or registered form,  
286 or both, as the authority may determine, and provision may be made for the registration of  
287 any coupon bond as to principal alone and also as to both the principal and interest.

288

293 coupons attached thereto shall bear the facsimile signatures of the chairperson and the  
294 secretary of the authority. Any coupon may bear the facsimile signatures of such persons,  
295 and any bond may be signed, sealed, and attested on behalf of the authority by such person  
296 as at the actual time of the execution of such bonds shall be duly authorized or hold the  
297 proper office, although at the date of such bonds, such person shall not have been so  
298 authorized or shall not have held such office. In case any officer whose signature shall  
299 appear on any bonds or whose signature shall appear on any coupon shall cease to be such  
300 officer before delivery of such bonds, such signature shall nevertheless be valid and  
301 sufficient for all purposes the same as if such officer had remained in office until such  
302 delivery.

303 **SECTION 8.**

304 Revenue bonds; negotiability; exemption from taxation.

305 All revenue bonds issued under the provisions of this Act shall have and are declared to have  
306 all the qualities and incidents of negotiable instruments under the laws of this state. Such  
307 bonds are declared to be issued for an essential public and governmental purpose, and said  
308 bonds and the income therefrom shall be exempt from all taxation within this state.

309 **SECTION 9.**

310 Revenue bonds; sale; price.

311 The authority may sell such bonds in such manner and for such price as it may determine to  
312 be for the best interests of the authority.

313 **SECTION 10.**

314 Revenue bonds; proceeds of bonds.

315 The proceeds of such bonds shall be used solely for the payment of the costs of the project  
316 or projects, and, unless otherwise provided in the resolution authorizing the issuance of the  
317 bonds or in any trust indenture, additional bonds may in like manner be issued to provide the  
318 amount of any deficit which, unless otherwise provided for in the resolution authorizing the  
319 issuance of the bonds or in any trust indenture, shall be deemed to be of the same issue and  
320 shall be entitled to payment from the same fund without preference or priority of the bonds  
321 first issued for the same purpose. If the proceeds of the bonds of any issue shall exceed the  
322 amount required for the purpose for which such bonds are issued, the surplus shall be paid  
323 into the fund provided for in this Act to be used for paying the principal of and the interest  
324 on such bonds.

325 **SECTION 11.**

326 Revenue bonds; interim receipts and certificates or temporary bonds.

327 Prior to the preparation of definitive bonds, the authority may, under like restrictions, issue  
328 interim receipts, interim certificates, or temporary bonds, with or without coupons,  
329 exchangeable for definite bonds upon the issuance of the latter.

330 **SECTION 12.**

331 Revenue bonds; replacement of lost or mutilated bonds.

332 The authority may also provide for the replacement of any bond which shall become  
333 mutilated or be destroyed or lost.

334 **SECTION 13.**

335 Revenue bonds; conditions precedent to issue; object of issue.

336 Such revenue bonds may be issued without any other proceedings or the happening of any  
337 other conditions or things than those proceedings, conditions, and things which are specified  
338 or required by this Act. In the discretion of the authority, revenue bonds of a single issue  
339 may be issued for the purpose of any particular project. Any resolution providing for the  
340 issuance of revenue bonds under the provisions of this Act shall become effective  
341 immediately upon its passage and need not be published or posted, and any such resolutions  
342 may be passed at any regular, special, or adjourned meeting of the authority by a majority  
343 of the quorum as provided in this Act.

344 **SECTION 14.**

345 Revenue bonds; credit not pledged; special power of contract.

346 Revenue bonds issued under the provisions of this Act shall not be deemed to constitute a  
347 debt of Schley County or a pledge of the faith and credit of the county, but the bonds shall  
348 be payable solely from the fund provided for in this Act, and the issuance of such revenue  
349 bonds shall not directly, indirectly, or contingently obligate the county to levy or to pledge  
350 any form of taxation whatever therefor or to make any appropriation for their payment, and  
351 all such bonds shall contain recitals on their face covering substantially the foregoing  
352 provisions of this section; provided, however, that the governing authority of Schley County  
353 is authorized to contract with the authority for any of the undertakings authorized in this Act.  
354 Such county may in connection therewith, jointly or severally, use any funds from any lawful  
355 source or from the proceeds of the issue and sale of bonds for such purpose.

356 **SECTION 15.**

357 Revenue bonds; trust indenture as security.

358 In the discretion of the authority, any issue of such revenue bonds may be secured by a trust  
359 indenture by and between the authority and a corporate trustee, which may be any trust

360 company or bank having the powers of a trust company inside or outside this state. Such  
361 trust indenture may pledge or assign fees, tolls, revenues, and earnings to be received by the  
362 authority. Either the resolution providing for the issuance of the revenue bonds or such trust  
363 indenture may contain such provisions for protecting and enforcing the rights and remedies  
364 of the bondholders as may be reasonable and proper and not in violation of law, including  
365 covenants setting forth the duties of the authority in relation to the acquisition of property;  
366 the construction of the project; the maintenance, operation, repair, and insurance of the  
367 project; and the custody, safeguarding, and application of all moneys, and may also provide  
368 that any project shall be constructed and paid for under the supervision and approval of  
369 consulting engineers or architects employed or designated by the authority and may also  
370 contain provisions concerning the conditions, if any, upon which additional revenue bonds  
371 may be issued. It shall be lawful for any bank or trust company incorporated under the laws  
372 of this state to act as such depository and to furnish such indemnifying bonds or pledge such  
373 securities as may be required by the authority. Such indenture may set forth the rights and  
374 remedies of the bondholders and of the trustee and may restrict the individual right of action  
375 of bondholders as is customary in trust indentures securing bonds and debentures of  
376 corporations. In addition to the foregoing, such trust indenture may contain such other  
377 provisions as the authority may deem reasonable and proper for the security of bondholders.  
378 All expenses incurred in carrying out such trust indenture may be treated as a part of the cost  
379 of maintenance, operation, and repair of the project affected by such indenture.

380 **SECTION 16.**

381 Revenue bonds; to whom proceeds of bonds shall be paid.

382 The authority shall, in the resolution providing for the issuance of revenue bonds or in any  
383 trust indenture, provide for the payment of the proceeds of the sale of the bonds to any officer  
384 or person or any agency, bank, or trust company acting as trustee of such funds and shall  
385 hold and apply the same to the purposes provided for in this Act, subject to such regulations  
386 as this Act and such resolution or trust indenture may provide.

387 **SECTION 17.**

388 Revenue bonds; sinking fund.

389 The revenues, fees, tolls, charges, and earnings derived from any particular project or  
390 projects, regardless of whether or not such fees, tolls, charges, earnings, and revenues were  
391 produced by a particular project for which bonds have been issued unless otherwise pledged  
392 and allocated, may be pledged and allocated by the authority to the payment of the principal

393 and interest on revenue bonds of the authority as the resolution authorizing the issuance of  
 394 the bonds or in the trust instrument may provide. Such funds so pledged from whatever  
 395 source received, which pledge may include funds received from one or more or all sources,  
 396 shall be set aside at regular intervals as may be provided in the resolution or trust indenture  
 397 into a sinking fund, which sinking fund shall be pledged to and charged with the payment of:

- 398 (1) The interest upon the revenue bond as such interest shall fall due;
- 399 (2) The principal of the revenue bonds as the same shall fall due;
- 400 (3) Any premium upon the revenue bonds acquired by redemption, payment, or  
 401 otherwise;
- 402 (4) The necessary charges of the paying agent or agents for paying principal and interest;  
 403 and
- 404 (5) Any investment fees or charges.

405 The use and disposition of such sinking fund shall be subject to such regulations as may be  
 406 provided in the resolution authorizing the issuance of the revenue bonds or in the trust  
 407 indenture, but, except as may otherwise be provided in such resolution or trust indenture,  
 408 such sinking fund shall be maintained as a trust account for the benefit of all revenue bonds  
 409 without distinction or priority of one over another. Subject to the provisions of the resolution  
 410 authorizing the issuance of the bonds or in the trust indenture, any surplus moneys in the  
 411 sinking fund may be applied to the purchase or redemption of bonds, and any such bonds so  
 412 purchased or redeemed shall forthwith be canceled and shall not be reissued, printed, and  
 413 delivered.

#### 414 **SECTION 18.**

415 Revenue bonds; remedies of bondholders.

416 Any holder of revenue bonds issued under the provisions of this Act or of any of the coupons  
 417 appertaining thereto, and the trustee under the trust indenture, if any, except to the extent the  
 418 rights given by this Act may be restricted by resolution passed before the issuance of the  
 419 bonds or by the trust indenture, may, either at law or in equity, by suit, action, mandamus,  
 420 or other proceedings, protect and enforce any and all rights under the laws of this state or  
 421 granted by this Act or under such resolution or trust indenture and may enforce and compel  
 422 performance of all duties required by this Act or by such resolution or trust indenture to be  
 423 performed by the authority or any officer thereof, including the fixing, charging, and  
 424 collecting of revenues, fees, tolls, fines, and other charges for the use of the facilities and  
 425 services furnished.

426 **SECTION 19.**

428 The authority is authorized to provide by resolution for the issuance of bonds of the authority  
429 for the purpose of funding or refunding any revenue bonds issued under the provisions of this  
430 Act and then outstanding, together with the accrued interest thereon and the premium, if any.  
431 The issuance of such funding or refunding bonds, the maturities and all other details thereof,  
432 the rights of the holders thereof, and the duties of the authority in respect to the same shall  
433 be governed by the foregoing provisions of this Act insofar as the same may be applicable.

434 **SECTION 20.**

435 Revenue bonds; jurisdiction and venue.

436 Any action to protect or enforce any rights under the provisions of this Act or any suit or  
437 action against such authority shall be brought in the Superior Court of Schley County,  
438 Georgia, and any action pertaining to validation of bonds issued under the provisions of this  
439 Act shall likewise be brought in said court which shall have exclusive, original jurisdiction  
440 of such actions.

441 **SECTION 21.**

442 Revenue bonds; validation.

449 impaired in any manner that will affect adversely the interests and rights of the holders of  
450 such bonds. No other entity, department, agency, or authority shall be created which will  
451 compete with the authority to such an extent as to affect adversely the interest and rights of  
452 the holders of such bonds, nor will the state itself so compete with the authority.  
453 (b) The provisions of this Act shall be for the benefit of the authority and the holders of any  
454 such bonds and, upon the issuance of bonds under the provisions of this Act, shall constitute  
455 a contract with the holders of such bonds.

456 **SECTION 23.**

457 Moneys received considered trust funds.

458 All moneys received pursuant to the authority of this Act, whether as proceeds from the sale  
459 of revenue bonds, as grants or other contributions, or as revenue, income, fees, and earnings,  
460 shall be deemed to be trust funds to be held and applied solely as provided in this Act.

461 **SECTION 24.**

462 Tort immunity.

463 To the extent permitted by law, the authority shall have the same immunity and exemption  
464 from liability for torts and negligence as Schley County, and the officers, agents, and  
465 employees of the authority when in the performance of the work of the authority shall have  
466 the same immunity and exemption from liability for torts and negligence as the officers,  
467 agent, and employees of Schley County when in performance of their public duties or work  
468 of the county.

469 **SECTION 25.**

474 shall be furnished.

475 **SECTION 26.**

476 Powers declared supplemental and additional.

477 The foregoing sections of this Act shall be deemed to provide an additional and alternative  
478 method for the doing of the things authorized by this Act and shall be regarded as  
479 supplemental and additional to powers conferred by other laws and shall not be regarded as  
480 in derogation of any powers now existing.
