 81.29 of substantial noncompliance with this section, the governing body must order that operation
 81.30 of all portable recording systems be suspended until the governing body has authorized the
 81.31 agency to reinstate their use. An order of suspension under this paragraph may only be made
 81.32 following review of the results of the audit and review of the applicable provisions of this

 86.8 administrator or other entity collecting the surcharge imposed by the court.

86.9 ~~(f)~~ (e) A person who enters a diversion program, continuance without prosecution,

86.16 Sec. 12. Minnesota Statutes 2020, section 363A.02, subdivision 1, is amended to read:

86.17 Subdivision 1. **Freedom from discrimination.** (a) It is the public policy of this state to
 86.18 secure for persons in this state, freedom from discrimination:

86.19 (1) in employment because of race, color, creed, religion, national origin, sex, marital
 86.20 status, disability, status with regard to public assistance, sexual orientation, familial status,
 86.21 and age;

86.22 (2) in housing and real property because of race, color, creed, religion, national origin,
 86.23 sex, marital status, disability, status with regard to public assistance, sexual orientation, and
 86.24 familial status;

86.25 (3) in public accommodations because of race, color, creed, religion, national origin,
 86.26 sex, sexual orientation, and disability;

86.27 (4) in public services because of race, color, creed, religion, national origin, sex, marital
 86.28 status, disability, sexual orientation, and status with regard to public assistance; and

86.29 (5) in education because of race, color, creed, religion, national origin, sex, marital status,
 86.30 disability, status with regard to public assistance, sexual orientation, and age.

86.31 (b) Such discrimination threatens the rights and privileges of the inhabitants of this state
 86.32 and menaces the institutions and foundations of democracy. It is also the public policy of

87.1 this state to protect all persons from wholly unfounded charges of discrimination. Nothing
 87.2 in this chapter shall be interpreted as restricting the implementation of positive action
 87.3 programs to combat discrimination.

87.4 Sec. 13. Minnesota Statutes 2020, section 363A.08, subdivision 6, is amended to read:

87.5 Subd. 6. **Reasonable accommodation.** (a) Except when based on a bona fide occupational
 87.6 qualification, it is an unfair employment practice for an employer with a number of part-time
 87.7 or full-time employees for each working day in each of 20 or more calendar weeks in the
 87.8 current or preceding calendar year equal to or greater than 25 effective July 1, 1992, and
 87.9 equal to or greater than 15 effective July 1, 1994, an employment agency, or a labor
 87.10 organization, not to ~~make~~ provide a reasonable accommodation to ~~the known disability of~~
 87.11 ~~a qualified disabled person or job applicant~~ for a job applicant or qualified employee with
 87.12 a disability unless the employer, agency, or organization can demonstrate that the
 87.13 accommodation would impose an undue hardship on the business, agency, or organization.
 87.14 "Reasonable accommodation" means steps which must be taken to accommodate the known
 87.15 physical or mental limitations of a qualified ~~disabled person~~ individual with a disability.
 87.16 To determine the appropriate reasonable accommodation the employer, agency, or
 87.17 organization shall initiate an informal, interactive process with the individual with a disability
 87.18 in need of the accommodation. This process should identify the limitations resulting from
 87.19 the disability and any potential reasonable accommodations that could overcome those
 87.20 limitations. "Reasonable accommodation" may include but is not limited to, nor does it
 87.21 necessarily require: (1) making facilities readily accessible to and usable by ~~disabled persons~~
 87.22 individuals with disabilities; and (2) job restructuring, modified work schedules, reassignment
 87.23 to a vacant position, acquisition or modification of equipment or devices, and the provision
 87.24 of aides on a temporary or periodic basis.

87.25 (b) In determining whether an accommodation would impose an undue hardship on the
 87.26 operation of a business or organization, factors to be considered include:

87.27 (1) the overall size of the business or organization with respect to number of employees
 87.28 or members and the number and type of facilities;

87.29 (2) the type of the operation, including the composition and structure of the work force,
 87.30 and the number of employees at the location where the employment would occur;

87.31 (3) the nature and cost of the needed accommodation;

87.32 (4) the reasonable ability to finance the accommodation at each site of business; and

88.1 (5) documented good faith efforts to explore less restrictive or less expensive alternatives,
88.2 including consultation with the disabled person or with knowledgeable disabled persons or
88.3 organizations.

88.4 A prospective employer need not pay for an accommodation for a job applicant if it is
88.5 available from an alternative source without cost to the employer or applicant.

88.6 Sec. 14. Minnesota Statutes 2020, section 363A.28, subdivision 1, is amended to read:

88.7 Subdivision 1. **Actions.** Any person aggrieved by a violation of this chapter may bring
88.8 a civil action as provided in section 363A.33, subdivision 1, or may file a verified charge
88.9 with the commissioner or the commissioner's designated agent. A charge filed with the
88.10 commissioner must be in writing by hand, or electronically with an unsworn declaration
88.11 under penalty of perjury, on a form provided by the commissioner and signed by the charging
88.12 party. The charge must state the name of the person alleged to have committed an unfair
88.13 discriminatory practice and set out a summary of the details of the practice complained of.
88.14 The commissioner may require a charging party to provide the address of the person alleged
88.15 to have committed the unfair discriminatory practice, names of witnesses, documents, and
88.16 any other information necessary to process the charge. The commissioner may dismiss a
88.17 charge when the charging party fails to provide required information. The commissioner
88.18 within ten days of the filing shall serve a copy of the charge and a form for use in responding
88.19 to the charge upon the respondent personally, electronically with the receiving party's
88.20 consent, or by mail. The respondent shall file with the department a written response setting
88.21 out a summary of the details of the respondent's position relative to the charge within ~~20~~
88.22 30 days of receipt of the charge. If the respondent fails to respond with a written summary
88.23 of the details of the respondent's position within 30 days after service of the charge, and
88.24 service was consistent with rule 4 of the Rules of Civil Procedure, the commissioner, on
88.25 behalf of the complaining party, may bring an action for default in district court pursuant
88.26 to rule 55.01 of the Rules of Civil Procedure.

88.27 Sec. 15. Minnesota Statutes 2020, section 363A.28, subdivision 6, is amended to read:

88.28 Subd. 6. **Charge processing.** (a) Consistent with paragraph (h), the commissioner shall
88.29 promptly inquire into the truth of the allegations of the charge. The commissioner shall
88.30 make an immediate inquiry when a charge alleges actual or threatened physical violence.
88.31 The commissioner shall also make an ~~immediate~~ inquiry when it appears that a charge is
88.32 frivolous or without merit and shall dismiss those charges.

89.1 (b) The commissioner shall give priority to investigating and processing those charges,
89.2 in the order below, which the commissioner determines have the following characteristics:

89.3 (1) there is evidence of irreparable harm if immediate action is not taken;

89.4 (2) there is evidence that the respondent has intentionally engaged in a reprisal;

89.5 (3) a significant number of recent charges have been filed against the respondent;

89.6 (4) the respondent is a government entity;

89.7 (5) there is potential for broadly promoting the policies of this chapter; or

89.8 (6) the charge is supported by substantial and credible documentation, witnesses, or
89.9 other evidence.

89.10 The commissioner shall inform charging parties of these priorities and shall tell each
89.11 party if their charge is a priority case or not.

89.12 On other charges the commissioner shall make a determination within 12 months after
89.13 the charge was filed as to whether or not there is probable cause to credit the allegation of
89.14 unfair discriminatory practices.

89.15 (c) If the commissioner determines after investigation that no probable cause exists to
89.16 credit the allegations of the unfair discriminatory practice, the commissioner shall, within
89.17 ten days of the determination, serve upon the charging party and respondent written notice
89.18 of the determination. Within ~~ten~~ 30 days after receipt of notice, the charging party may
89.19 request in writing, on forms prepared by the department, that the commissioner reconsider
89.20 the determination. The request shall contain a brief statement of the reasons for and new
89.21 evidence in support of the request for reconsideration. At the time of submission of the
89.22 request to the commissioner, the charging party shall deliver or mail to the respondent a
89.23 copy of the request for reconsideration. The commissioner shall reaffirm, reverse, or vacate
89.24 and remand for further consideration the determination of no probable cause within 20 days
89.25 after receipt of the request for reconsideration, and shall within ten days notify in writing
89.26 the charging party and respondent of the decision to reaffirm, reverse, or vacate and remand
89.27 for further consideration.

89.28 A decision by the commissioner that no probable cause exists to credit the allegations
89.29 of an unfair discriminatory practice shall not be appealed to the court of appeals pursuant
89.30 to section ~~363A.36~~ 363A.34 or sections 14.63 to 14.68.

89.31 (d) If the commissioner determines after investigation that probable cause exists to credit
89.32 the allegations of unfair discriminatory practices, the commissioner shall serve on the

90.1 respondent and the respondent's attorney if the respondent is represented by counsel, by
90.2 first class mail, or electronically with the receiving party's consent, a notice setting forth a
90.3 short plain written statement of the alleged facts which support the finding of probable cause
90.4 and an enumeration of the provisions of law allegedly violated. Within 30 days after receipt
90.5 of notice, the respondent may request in writing, on forms prepared by the department, that
90.6 the commissioner reconsider the determination. If the commissioner determines that attempts
90.7 to eliminate the alleged unfair practices through conciliation pursuant to subdivision 8 have
90.8 been or would be unsuccessful or unproductive, the commissioner ~~shall~~ may issue a complaint
90.9 and serve on the respondent, by registered or certified mail, or electronically with the
90.10 receiving party's consent, a written notice of hearing together with a copy of the complaint,
90.11 requiring the respondent to answer the allegations of the complaint at a hearing before an
90.12 administrative law judge at a time and place specified in the notice, not less than ten days
90.13 after service of said complaint. A copy of the notice shall be furnished to the charging party
90.14 and the attorney general.

90.15 (e) If, at any time after the filing of a charge, the commissioner has reason to believe
90.16 that a respondent has engaged in any unfair discriminatory practice, the commissioner may
90.17 file a petition in the district court in a county in which the subject of the complaint occurs,
90.18 or in a county in which a respondent resides or transacts business, seeking appropriate
90.19 temporary relief against the respondent, pending final determination of proceedings under
90.20 this chapter, including an order or decree restraining the respondent from doing or procuring
90.21 an act tending to render ineffectual an order the commissioner may enter with respect to
90.22 the complaint. The court shall have power to grant temporary relief or a restraining order
90.23 as it deems just and proper, but no relief or order extending beyond ten days shall be granted
90.24 except by consent of the respondent or after hearing upon notice to the respondent and a
90.25 finding by the court that there is reasonable cause to believe that the respondent has engaged
90.26 in a discriminatory practice. Except as modified by subdivisions 1 to 9 and section 363A.06,
90.27 subdivision 4, the Minnesota Rules of Civil Procedure shall apply to an application, and
90.28 the district court shall have authority to grant or deny the relief sought on conditions as it
90.29 deems just and equitable. All hearings under subdivisions 1 to 9 and section 363A.06,
90.30 subdivision 4, shall be given precedence as nearly as practicable over all other pending civil
90.31 actions.

90.32 (f) If a lessor, after engaging in a discriminatory practice defined in section 363A.09,
90.33 subdivision 1, clause (1), leases or rents a dwelling unit to a person who has no knowledge
90.34 of the practice or of the existence of a charge with respect to the practice, the lessor shall
90.35 be liable for actual damages sustained by a person by reason of a final order as provided in

91.1 subdivisions 1 to 9 and section 363A.06, subdivision 4, requiring the person to be evicted
91.2 from the dwelling unit.

91.3 (g) In any complaint issued under subdivisions 1 to 9 and section 363A.06, subdivision
91.4 4, the commissioner may seek relief for a class of individuals affected by an unfair
91.5 discriminatory practice occurring on or after a date one year prior to the filing of the charge
91.6 from which the complaint originates.

91.7 (h) The commissioner may adopt policies to determine which charges are processed and
91.8 the order in which charges are processed based on their particular social or legal significance,
91.9 administrative convenience, difficulty of resolution, or other standard consistent with the
91.10 provisions of this chapter.

91.11 (i) The chief administrative law judge shall adopt policies to provide sanctions for
91.12 intentional and frivolous delay caused by any charging party or respondent in an investigation,
91.13 hearing, or any other aspect of proceedings before the department under this chapter.

91.14 Sec. 16. Minnesota Statutes 2020, section 363A.31, subdivision 2, is amended to read:

91.15 Subd. 2. **Rescission of waiver.** A waiver or release of rights or remedies secured by this
91.16 chapter which purports to apply to claims arising out of acts or practices prior to, or
91.17 concurrent with, the execution of the waiver or release may be rescinded within 15 calendar
91.18 days of its execution, except that a waiver or release given in settlement of a claim filed
91.19 with the department or with another administrative agency or judicial body is valid and final
91.20 upon execution. A waiving or releasing party shall be informed in writing of the right to
91.21 rescind the waiver or release. To be effective, the rescission must be in writing and delivered
91.22 to the waived or released party ~~either~~ by hand, electronically with the receiving party's
91.23 consent, or by mail within the 15-day period. If delivered by mail, the rescission must be:

- 91.24 (1) postmarked within the 15-day period;
- 91.25 (2) properly addressed to the waived or released party; and
- 91.26 (3) sent by certified mail return receipt requested.

91.27 Sec. 17. Minnesota Statutes 2020, section 363A.33, subdivision 3, is amended to read:

91.28 Subd. 3. **Summons and complaints in a civil action.** A charging party bringing a civil
91.29 action shall mail by registered or certified mail, or electronically with the receiving party's
91.30 consent, a copy of the summons and complaint to the commissioner, and upon their receipt
91.31 the commissioner shall terminate all proceedings in the department relating to the charge.
91.32 No charge shall be filed or reinstated with the commissioner after a civil action relating

92.1 to the same unfair discriminatory practice has been brought unless the civil action has been
 92.2 dismissed without prejudice.

102.5 (3) the jailhouse witness's agreement to cooperate with the prosecution and any benefit
102.6 that the prosecutor has offered or may offer in the future to the jailhouse witness in connection
102.7 with the testimony.

102.8 (b) The commissioner shall maintain a statewide database containing the information
102.9 received pursuant to paragraph (a) for 20 years from the date that the jailhouse witness
102.10 information was entered into that statewide record.

102.11 (c) Data collected and maintained pursuant to this subdivision are classified as confidential

102.13 access the statewide record but shall provide all information held on specific jailhouse
102.14 witnesses to a county attorney upon request.

102.15 Subd. 3. **Report on jailhouse witnesses.** By September 15 of each year, beginning in
102.16 2022, the commissioner shall publish on its website an annual report of the statewide record
102.17 of jailhouse witnesses required under subdivision 2. Information in the report must be limited
102.18 to summary data, as defined in section 13.02, subdivision 19, and must include:

102.25 to the defense about any jailhouse witness:

102.27 are pending or were reduced or dismissed as part of a plea bargain;

103.2 at the recantation;

103.3 (4) whether, at any time, the jailhouse witness made a statement implicating any other

103.13 subdivision, the prosecutor must promptly notify the court and defense counsel, or, if the
103.14 defendant is not represented, the defendant, of what was discovered. If the court finds that
103.15 the jailhouse witness was not known or that materials in paragraph (a) could not be discovered
103.16 or obtained by the state within that period with the exercise of due diligence, the court may
103.17 order that disclosure take place within a reasonable period. Upon good cause shown, the
103.18 court may continue the proceedings.

103.19 (c) If the prosecutor files a written certificate with the trial court that disclosing the
103.20 information described in paragraph (a) would subject the jailhouse witness or other persons
103.21 to physical harm or coercion, the court may order that the information must be disclosed to
103.22 the defendant's counsel but may limit disclosure to the defendant in a way that does not
103.23 unduly interfere with the defendant's right to prepare and present a defense, including limiting
103.24 disclosure to nonidentifying information.

103.25 Subd. 5. **Victim notification.** (a) A prosecutor shall make every reasonable effort to
103.26 notify a victim if the prosecutor has decided to offer or provide any of the following to a

104.3 mail. If a jailhouse witness is still in custody, the notification attempt shall be made before
104.4 the jailhouse witness is released from custody.

104.5 (c) Whenever a prosecutor notifies a victim of domestic assault, criminal sexual conduct,
104.6 or harassment or stalking under this section, the prosecutor shall also inform the victim of
104.7 the method and benefits of seeking an order for protection under section 518B.01 or a
104.8 restraining order under section 609.748 and that the victim may seek an order without paying
104.9 a fee.

104.10 (d) The notification required under this subdivision is in addition to the notification

134.18 (2) the person has a previous sex offense conviction for a violation of section 609.342,
 134.19 609.343, ~~or 609.344~~, 609.3458, subdivision 1, paragraph (b), and the fact finder determines

134.25 Subd. 3. **Mandatory life sentence for egregious first-time offenders.** (a)
 134.26 Notwithstanding the statutory maximum penalty otherwise applicable to the offense, the
 134.27 court shall sentence a person to imprisonment for life if the person is convicted under section

135.13 and supervised release.

135.14 (b) The fact finder shall base its determination that the offender is a danger to public

135.19 violation of section 609.224 or 609.2242, including:

135.31 (1) the person has two previous sex offense convictions;

135.32 (2) the person has a previous sex offense conviction and:

136.1 (i) the fact finder determines that the present offense involved an aggravating factor that
136.2 would provide grounds for an upward durational departure under the sentencing guidelines
136.3 other than the aggravating factor applicable to repeat criminal sexual conduct convictions;

136.4 (ii) the person received an upward durational departure from the sentencing guidelines
136.5 for the previous sex offense conviction; or

136.6 (iii) the person was sentenced under this section or Minnesota Statutes 2004, section
136.7 609.108, for the previous sex offense conviction; or

136.8 (3) the person has two prior sex offense convictions, and the fact finder determines that
136.9 the prior convictions and present offense involved at least three separate victims, and:

136.10 (i) the fact finder determines that the present offense involved an aggravating factor that
136.11 would provide grounds for an upward durational departure under the sentencing guidelines
136.12 other than the aggravating factor applicable to repeat criminal sexual conduct convictions;

136.13 (ii) the person received an upward durational departure from the sentencing guidelines
136.14 for one of the prior sex offense convictions; or

136.15 (iii) the person was sentenced under this section or Minnesota Statutes 2004, section

136.17 (b) Notwithstanding paragraph (a), a court may not sentence a person to imprisonment
136.18 for life for a violation of section 609.345, unless the person's previous or prior sex offense
136.19 convictions that are being used as the basis for the sentence are for violations of section
136.20 609.342, 609.343, 609.344, ~~or~~ 609.3453, or 609.3458, or any similar statute of the United

136.25 served before the offender may be considered for supervised release.

136.26 **Subd. 6. Mandatory ten-year conditional release term.** Notwithstanding the statutory
136.27 maximum sentence otherwise applicable to the offense and unless a longer conditional
136.28 release term is required in subdivision 7, when a court commits an offender to the custody
136.29 of the commissioner of corrections for a violation of section 609.342, 609.343, 609.344,
136.30 609.345, ~~or~~ 609.3453, or 609.3458, the court shall provide that, after the offender has been

136.32 ten years.

137.1 Subd. 7. **Mandatory lifetime conditional release term.** (a) When a court sentences an
137.2 offender under subdivision 3 or 4, the court shall provide that, if the offender is released
137.3 from prison, the commissioner of corrections shall place the offender on conditional release
137.4 for the remainder of the offender's life.

137.5 (b) Notwithstanding the statutory maximum sentence otherwise applicable to the offense,
137.6 when the court commits an offender to the custody of the commissioner of corrections for
137.7 a violation of section 609.342, 609.343, 609.344, 609.345, ~~or~~ 609.3453, or 609.3458, and
137.8 the offender has a previous or prior sex offense conviction, the court shall provide that, after
137.9 the offender has been released from prison, the commissioner shall place the offender on
137.10 conditional release for the remainder of the offender's life.

137.11 (c) Notwithstanding paragraph (b), an offender may not be placed on lifetime conditional

137.13 conviction is for a violation of section 609.342, 609.343, 609.344, ~~or~~ 609.3453, or 609.3458,
137.14 subdivision 1, paragraph (b), or any similar statute of the United States, this state, or any
137.15 other state.

137.16 Subd. 8. **Terms of conditional release; applicable to all sex offenders.** (a) The
137.17 provisions of this subdivision relating to conditional release apply to all sex offenders
137.18 sentenced to prison for a violation of section 609.342, 609.343, 609.344, 609.345, ~~or~~
137.19 609.3453, or 609.3458. Except as provided in this subdivision, conditional release of sex
137.20 offenders is governed by provisions relating to supervised release. The commissioner of
137.21 corrections may not dismiss an offender on conditional release from supervision until the
137.22 offender's conditional release term expires.

137.23 (b) The conditions of release may include successful completion of treatment and aftercare
137.24 in a program approved by the commissioner, satisfaction of the release conditions specified
137.25 in section 244.05, subdivision 6, and any other conditions the commissioner considers
137.26 appropriate. The commissioner shall develop a plan to pay the cost of treatment of a person
137.27 released under this subdivision. The plan may include co-payments from offenders,
137.28 third-party payers, local agencies, or other funding sources as they are identified. This
137.29 section does not require the commissioner to accept or retain an offender in a treatment
137.30 program. Before the offender is placed on conditional release, the commissioner shall notify
137.31 the sentencing court and the prosecutor in the jurisdiction where the offender was sentenced
137.32 of the terms of the offender's conditional release. The commissioner also shall make
137.33 reasonable efforts to notify the victim of the offender's crime of the terms of the offender's
137.34 conditional release.

138.1 (c) If the offender fails to meet any condition of release, the commissioner may revoke
138.2 the offender's conditional release and order that the offender serve all or a part of the
138.3 remaining portion of the conditional release term in prison. An offender, while on supervised
138.4 release, is not entitled to credit against the offender's conditional release term for time served
138.5 in confinement for a violation of release.

138.6 Subd. 9. **Applicability.** The provisions of this section do not affect the applicability of
138.7 Minnesota Statutes 2004, section 609.108, to crimes committed before August 1, 2005, or
138.8 the validity of sentences imposed under Minnesota Statutes 2004, section 609.108.

138.9 Subd. 10. **Presumptive executed sentence for repeat sex offenders.** Except as provided
138.10 in subdivision 2, 3, 3a, or 4, if a person is convicted under sections 609.342 to 609.345 or

138.14 sections 242.19, 243.05, 609.11, 609.12, and 609.135. The court may stay the execution of
138.15 the sentence imposed under this subdivision only if it finds that a professional assessment
138.16 indicates the offender is accepted by and can respond to treatment at a long-term inpatient
138.17 program exclusively treating sex offenders and approved by the commissioner of corrections.
138.18 If the court stays the execution of a sentence, it shall include the following as conditions of
138.19 probation:

147.8 Section 1. Minnesota Statutes 2020, section 169A.63, subdivision 1, is amended to read:

147.9 Subdivision 1. **Definitions.** (a) As used in this section, the following terms have the
 147.10 meanings given them.

147.11 (b) "Appropriate agency" means a law enforcement agency that has the authority to
 147.12 make an arrest for a violation of a designated offense or to require a test under section
 147.13 169A.51 (chemical tests for intoxication).

147.14 (c) "Asserting person" means a person, other than the driver alleged to have committed
 147.15 a designated offense, claiming an ownership interest in a vehicle that has been seized or
 147.16 restrained under this section.

147.17 ~~(e)~~ (d) "Claimant" means an owner of a motor vehicle or a person claiming a leasehold
 147.18 or security interest in a motor vehicle.

147.19 ~~(d)~~ (e) "Designated license revocation" includes a license revocation under section
 147.20 169A.52 (license revocation for test failure or refusal) or 171.177 (revocation; search warrant)
 147.21 or a license disqualification under section 171.165 (commercial driver's license
 147.22 disqualification) resulting from a violation of section 169A.52 or 171.177; within ten years
 147.23 of the first of two or more qualified prior impaired driving incidents.

147.24 ~~(e)~~ (f) "Designated offense" includes:

147.25 (1) a violation of section 169A.20 (driving while impaired) under the circumstances
 147.26 described in section 169A.24 (first-degree driving while impaired), ~~or 169A.25~~
 147.27 ~~(second-degree driving while impaired); or~~

147.28 (2) a violation of section 169A.20 or an ordinance in conformity with it: within ten years
 147.29 of the first of two qualified prior impaired driving incidents.

147.30 ~~(i) by a person whose driver's license or driving privileges have been canceled as inimical~~
 147.31 ~~to public safety under section 171.04, subdivision 1, clause (10), and not reinstated; or~~

148.1 ~~(ii) by a person who is subject to a restriction on the person's driver's license under~~
148.2 ~~section 171.09 (commissioner's license restrictions), which provides that the person may~~

148.4 ~~(f)~~ (g) "Family or household member" means:

148.5 (1) a parent, stepparent, or guardian;

148.6 (2) any of the following persons related by blood, marriage, or adoption: brother, sister,

148.11 ~~(g)~~ (h) "Motor vehicle" and "vehicle" do not include a vehicle which is stolen or taken
148.12 in violation of the law.

148.13 ~~(h)~~ (i) "Owner" means a person legally entitled to possession, use, and control of a motor
148.14 vehicle, including a lessee of a motor vehicle if the lease agreement has a term of 180 days
148.15 or more. There is a rebuttable presumption that a person registered as the owner of a motor
148.16 vehicle according to the records of the Department of Public Safety is the legal owner. For
148.17 purposes of this section, if a motor vehicle is owned jointly by two or more people, each
148.18 owner's interest extends to the whole of the vehicle and is not subject to apportionment.

148.19 ~~(i)~~ (j) "Prosecuting authority" means the attorney in the jurisdiction in which the
148.20 designated offense occurred who is responsible for prosecuting violations of a designated
148.21 offense or a designee. If a state agency initiated the forfeiture, and the attorney responsible

148.23 Office or its designee may initiate forfeiture under this section.

148.24 ~~(j)~~ (k) "Security interest" means a bona fide security interest perfected according to
148.25 section 168A.17, subdivision 2, based on a loan or other financing that, if a vehicle is

148.27 **EFFECTIVE DATE.** This section is effective January 1, 2022, and applies to seizures
148.28 that take place on or after that date.

148.29 Sec. 2. Minnesota Statutes 2020, section 169A.63, subdivision 7, is amended to read:

148.30 Subd. 7. **Limitations on vehicle forfeiture.** (a) A vehicle is presumed subject to forfeiture
148.31 under this section if:

149.1 (1) the driver is convicted of the designated offense upon which the forfeiture is based;
149.2 or

149.3 ~~(2) the driver fails to appear for a scheduled court appearance with respect to the~~
149.4 ~~designated offense charged and fails to voluntarily surrender within 48 hours after the time~~
149.5 ~~required for appearance; or~~

149.6 ~~(3)~~ (2) the driver's conduct results in a designated license revocation and the driver fails
149.7 to seek judicial review of the revocation in a timely manner as required by section 169A.53,
149.8 subdivision 2, (petition for judicial review), or the license revocation is judicially reviewed
149.9 and sustained under section 169A.53, subdivision 2.

149.10 (b) A vehicle encumbered by a security interest perfected according to section 168A.17,
149.11 subdivision 2, or subject to a lease that has a term of 180 days or more, is subject to the
149.12 interest of the secured party or lessor unless the party or lessor had knowledge of or consented
149.13 to the act upon which the forfeiture is based. However, when the proceeds of the sale of a
149.14 seized vehicle do not equal or exceed the outstanding loan balance, the appropriate agency
149.15 shall remit all proceeds of the sale to the secured party after deducting the agency's costs
149.16 for the seizure, tow, storage, forfeiture, and sale of the vehicle. If the sale of the vehicle is
149.17 conducted in a commercially reasonable manner consistent with the provisions of section
149.18 336.9-610, the agency is not liable to the secured party for any amount owed on the loan in
149.19 excess of the sale proceeds. The validity and amount of a nonperfected security interest
149.20 must be established by its holder by clear and convincing evidence.

149.21 (c) Notwithstanding paragraph (b), the secured party's or lessor's interest in a vehicle is
149.22 not subject to forfeiture based solely on the secured party's or lessor's knowledge of the act
149.23 or omission upon which the forfeiture is based if the secured party or lessor demonstrates
149.24 by clear and convincing evidence that the party or lessor took reasonable steps to terminate
149.25 use of the vehicle by the offender.

149.26 ~~(d) A motor vehicle is not subject to forfeiture under this section if any of its owners~~
149.27 ~~who petition the court can demonstrate by clear and convincing evidence that the petitioning~~
149.28 ~~owner did not have actual or constructive knowledge that the vehicle would be used or~~
149.29 ~~operated in any manner contrary to law or that the petitioning owner took reasonable steps~~
149.30 ~~to prevent use of the vehicle by the offender. If the offender is a family or household member~~
149.31 ~~of any of the owners who petition the court and has three or more prior impaired driving~~
149.32 ~~convictions, the petitioning owner is presumed to know of any vehicle use by the offender~~
149.33 ~~that is contrary to law. "Vehicle use contrary to law" includes, but is not limited to, violations~~
149.34 ~~of the following statutes:~~

- 150.1 ~~(1) section 171.24 (violations; driving without valid license);~~
150.2 ~~(2) section 169.791 (criminal penalty for failure to produce proof of insurance);~~
150.3 ~~(3) section 171.09 (driving restrictions; authority, violations);~~
150.4 ~~(4) section 169A.20 (driving while impaired);~~
150.5 ~~(5) section 169A.33 (underage drinking and driving); and~~
150.6 ~~(6) section 169A.35 (open bottle law).~~

150.7 **EFFECTIVE DATE.** This section is effective January 1, 2022, and applies to seizures
150.8 that take place on or after that date.

150.9 Sec. 3. Minnesota Statutes 2020, section 169A.63, is amended by adding a subdivision to
150.10 read:

150.11 Subd. 7a. **Innocent owner.** (a) An asserting person may bring an innocent owner claim
150.12 by notifying the prosecuting authority in writing and within 60 days of the service of the
150.13 notice of seizure.

150.14 (b) Upon receipt of notice pursuant to paragraph (a), the prosecuting authority may
150.15 release the vehicle to the asserting person. If the prosecuting authority proceeds with the
150.16 forfeiture, the prosecuting authority must, within 30 days, file a separate complaint in the
150.17 name of the jurisdiction pursuing the forfeiture against the vehicle, describing the vehicle,
150.18 specifying that the vehicle was used in the commission of a designated offense or was used
150.19 in conduct resulting in a designated license revocation, and specifying the time and place
150.20 of the vehicle's unlawful use. The complaint may be filed in district court or conciliation
150.21 court and the filing fee is waived.

150.22 (c) A complaint filed by the prosecuting authority must be served on the asserting person
150.23 and on any other registered owners. Service may be made by certified mail at the address
150.24 listed in the Department of Public Safety's computerized motor vehicle registration records
150.25 or by any means permitted by court rules.

150.26 (d) The hearing on the complaint shall, to the extent practicable, be held within 30 days
150.27 of the filing of the petition. The court may consolidate the hearing on the complaint with a
150.28 hearing on any other complaint involving a claim of an ownership interest in the same
150.29 vehicle.

150.30 (e) At a hearing held pursuant to this subdivision, the prosecuting authority must:

151.1 (1) prove by a preponderance of the evidence that the seizure was incident to a lawful
151.2 arrest or a lawful search; and

151.3 (2) certify that the prosecuting authority has filed, or intends to file, charges against the
151.4 driver for a designated offense or that the driver has a designated license revocation.

151.5 (f) At a hearing held pursuant to this subdivision, the asserting person must prove by a
151.6 preponderance of the evidence that the asserting person:

151.7 (1) has an actual ownership interest in the vehicle; and

151.8 (2) did not have actual or constructive knowledge that the vehicle would be used or
151.9 operated in any manner contrary to law or that the asserting person took reasonable steps
151.10 to prevent use of the vehicle by the alleged offender.

151.11 (g) If the court determines that the state met both burdens under paragraph (e) and the
151.12 asserting person failed to meet any burden under paragraph (f), the court shall order that
151.13 the vehicle remains subject to forfeiture under this section.

151.14 (h) The court shall order that the vehicle is not subject to forfeiture under this section
151.15 and shall order the vehicle returned to the asserting person if it determines that:

151.16 (1) the state failed to meet any burden under paragraph (e);

151.17 (2) the asserting person proved both elements under paragraph (f); or

151.18 (3) clauses (1) and (2) apply.

151.19 (i) If the court determines that the asserting person is an innocent owner and orders the
151.20 vehicle returned to the innocent owner, an entity in possession of the vehicle is not required
151.21 to release it until the innocent owner pays:

151.22 (1) the reasonable costs of the towing, seizure, and storage of the vehicle incurred before
151.23 the innocent owner provided the notice required under paragraph (a); and

151.24 (2) any reasonable costs of storage of the vehicle incurred more than two weeks after
151.25 an order issued under paragraph (h).

151.26 **EFFECTIVE DATE.** This section is effective January 1, 2022, and applies to seizures
151.27 that take place on or after that date.

151.28 Sec. 4. Minnesota Statutes 2020, section 169A.63, subdivision 8, is amended to read:

151.29 Subd. 8. **Administrative forfeiture procedure.** (a) A motor vehicle used to commit a
151.30 designated offense or used in conduct resulting in a designated license revocation is subject
151.31 to administrative forfeiture under this subdivision.

152.1 (b) Within 60 days from when a motor vehicle is seized under subdivision 2, or within
152.2 a reasonable time after seizure, the appropriate agency shall serve the driver or operator of
152.3 the vehicle with a notice of the seizure and intent to forfeit the vehicle. Additionally, when
152.4 a motor vehicle is seized under subdivision 2, or within a reasonable time after that, all
152.5 persons known to have an ownership, possessory, or security interest in the vehicle must
152.6 be notified of the seizure and the intent to forfeit the vehicle. For those vehicles required to
152.7 be registered under chapter 168, the notification to a person known to have a security interest
152.8 in the vehicle is required only if the vehicle is registered under chapter 168 and the interest
152.9 is listed on the vehicle's title. Upon motion by the appropriate agency or prosecuting
152.10 authority, a court may extend the time period for sending notice for a period not to exceed
152.11 90 days for good cause shown. Notice mailed by certified mail to the address shown in
152.12 Department of Public Safety records is sufficient notice to the registered owner of the
152.13 vehicle. For motor vehicles not required to be registered under chapter 168, notice mailed
152.14 by certified mail to the address shown in the applicable filing or registration for the vehicle
152.15 is sufficient notice to a person known to have an ownership, possessory, or security interest
152.16 in the vehicle. Otherwise, notice may be given in the manner provided by law for service
152.17 of a summons in a civil action.

152.18 (c) The notice must be in writing and contain:

152.19 (1) a description of the vehicle seized;

152.20 (2) the date of seizure; and

152.21 (3) notice of the right to obtain judicial review of the forfeiture and of the procedure for
152.22 obtaining that judicial review, printed in English. This requirement does not preclude the
152.23 appropriate agency from printing the notice in other languages in addition to English.

152.24 Substantially the following language must appear conspicuously in the notice:

152.25 "WARNING: If you were the person arrested when the property was seized, you will
152.26 automatically lose the above-described property and the right to be heard in court if you do
152.27 not file a lawsuit and serve the prosecuting authority within 60 days. You may file your
152.28 lawsuit in conciliation court if the property is worth \$15,000 or less; otherwise, you must
152.29 file in district court. You may do not have to pay a filing fee for your lawsuit ~~if you are~~
152.30 ~~unable to afford the fee. You do not have to pay a conciliation court fee if your property is~~
152.31 ~~worth less than \$500.~~

152.32 WARNING: If you have an ownership interest in the above-described property and were
152.33 not the person arrested when the property was seized, you will automatically lose the

153.1 above-described property and the right to be heard in court if you do not notify the
153.2 prosecuting authority of your interest in writing within 60 days."

153.3 (d) If notice is not sent in accordance with paragraph (b), and no time extension is granted
153.4 or the extension period has expired, the appropriate agency shall return the property vehicle
153.5 to the ~~person from whom the property was seized, if known~~ owner. An agency's return of
153.6 property due to lack of proper notice does not restrict the agency's authority to commence
153.7 a forfeiture proceeding at a later time. ~~The agency shall not be required to return contraband~~
153.8 ~~or other property that the person from whom the property was seized may not legally possess.~~

153.9 (e) Within 60 days following service of a notice of seizure and forfeiture under this
153.10 subdivision, a claimant may file a demand for a judicial determination of the forfeiture. The
153.11 demand must be in the form of a civil complaint and must be filed with the court
153.12 administrator in the county in which the seizure occurred, together with proof of service of
153.13 a copy of the complaint on the prosecuting authority having jurisdiction over the forfeiture;
153.14 ~~including the standard filing fee for civil actions unless the petitioner has the right to sue~~
153.15 ~~in forma pauperis under section 563.01.~~ The claimant may serve the complaint by certified
153.16 mail or any means permitted by court rules. If the value of the seized property is \$15,000
153.17 or less, the claimant may file an action in conciliation court for recovery of the seized vehicle.
153.18 A copy of the conciliation court statement of claim must be served personally or by mail
153.19 on the prosecuting authority having jurisdiction over the forfeiture, ~~as well as on the~~
153.20 ~~appropriate agency that initiated the forfeiture,~~ within 60 days following service of the
153.21 notice of seizure and forfeiture under this subdivision. ~~If the value of the seized property is~~
153.22 ~~less than \$500,~~ The claimant does not have to pay the ~~conciliation~~ court filing fee.

153.23 No responsive pleading is required of the prosecuting authority and no court fees may
153.24 be charged for the prosecuting authority's appearance in the matter. The prosecuting authority
153.25 may appear for the appropriate agency. Pleadings, filings, and methods of service are
153.26 governed by the Rules of Civil Procedure.

153.27 (f) The complaint must be captioned in the name of the claimant as plaintiff and the
153.28 seized vehicle as defendant, and must state with specificity the grounds on which the claimant
153.29 alleges the vehicle was improperly seized, the claimant's interest in the vehicle seized, and
153.30 any affirmative defenses the claimant may have. Notwithstanding any law to the contrary,
153.31 an action for the return of a vehicle seized under this section may not be maintained by or
153.32 on behalf of any person who has been served with a notice of seizure and forfeiture unless
153.33 the person has complied with this subdivision.

154.1 (g) If the claimant makes a timely demand for a judicial determination under this
154.2 subdivision, the forfeiture proceedings must be conducted as provided under subdivision
154.3 9.

154.4 **EFFECTIVE DATE.** This section is effective January 1, 2022, and applies to seizures
154.5 that take place on or after that date.

154.6 Sec. 5. Minnesota Statutes 2020, section 169A.63, subdivision 9, is amended to read:

154.7 **Subd. 9. Judicial forfeiture procedure.** (a) This subdivision governs judicial
154.8 determinations of the forfeiture of a motor vehicle used to commit a designated offense or
154.9 used in conduct resulting in a designated license revocation. An action for forfeiture is a
154.10 civil in rem action and is independent of any criminal prosecution. All proceedings are
154.11 governed by the Rules of Civil Procedure.

154.12 (b) If no demand for judicial determination of the forfeiture is pending, the prosecuting
154.13 authority may, in the name of the jurisdiction pursuing the forfeiture, file a separate complaint
154.14 against the vehicle, describing it, specifying that it was used in the commission of a
154.15 designated offense or was used in conduct resulting in a designated license revocation, and
154.16 specifying the time and place of its unlawful use.

154.17 (c) The prosecuting authority may file an answer to a properly served demand for judicial
154.18 determination, including an affirmative counterclaim for forfeiture. The prosecuting authority
154.19 is not required to file an answer.

154.20 (d) A judicial determination under this subdivision must be held at the earliest practicable
154.21 date, and in any event no later than 180 days following the filing of the demand by the
154.22 claimant. If a related criminal proceeding is pending, the hearing shall not be held until the
154.23 conclusion of the criminal proceedings. The district court administrator shall schedule the
154.24 hearing as soon as practicable after the conclusion of the criminal prosecution. The district
154.25 court administrator shall establish procedures to ensure efficient compliance with this
154.26 subdivision. The hearing is to the court without a jury.

154.27 (e) There is a presumption that a vehicle seized under this section is subject to forfeiture
154.28 if the prosecuting authority establishes that the vehicle was used in the commission of a
154.29 designated offense or designated license revocation. A claimant bears the burden of proving
154.30 any affirmative defense raised.

154.31 (f) If the forfeiture is based on the commission of a designated offense and the person
154.32 charged with the designated offense appears in court as required and is not convicted of the
154.33 offense, the court shall order the property returned to the person legally entitled to it upon

155.1 that person's compliance with the redemption requirements of section 169A.42. If the
 155.2 forfeiture is based on a designated license revocation, and the license revocation is rescinded
 155.3 under section 169A.53, subdivision 3 (judicial review hearing, issues, order, appeal), the
 155.4 court shall order the property returned to the person legally entitled to it upon that person's
 155.5 compliance with the redemption requirements of section 169A.42.

155.6 (g) If the lawful ownership of the vehicle used in the commission of a designated offense
 155.7 or used in conduct resulting in a designated license revocation can be determined and the
 155.8 owner makes the demonstration required under subdivision 7, ~~paragraph (d)~~ 7a, the vehicle
 155.9 must be returned immediately upon the owner's compliance with the redemption requirements
 155.10 of section 169A.42.

155.11 (h) If the court orders the return of a seized vehicle under this subdivision it ~~must order~~
 155.12 ~~that filing fees be reimbursed to the person who filed the demand for judicial determination.~~
 155.13 ~~In addition, the court~~ may order sanctions under section 549.211 (sanctions in civil actions).
 155.14 Any ~~reimbursement fees or~~ sanctions must be paid from other forfeiture proceeds of the
 155.15 law enforcement agency and prosecuting authority involved and in the same proportion as
 155.16 distributed under subdivision 10, paragraph (b).

155.17 **EFFECTIVE DATE.** This section is effective January 1, 2022, and applies to seizures
 155.18 that take place on or after that date.

155.19 Sec. 6. Minnesota Statutes 2020, section 169A.63, subdivision 10, is amended to read:

155.20 Subd. 10. **Disposition of forfeited vehicle.** (a) If the vehicle is administratively forfeited
 155.21 under subdivision 8, or if the court finds under subdivision 9 that the vehicle is subject to
 155.22 forfeiture under subdivisions 6 and 7, the appropriate agency shall:

155.23 (1) sell the vehicle and distribute the proceeds under paragraph (b); or

155.24 (2) keep the vehicle for official use. If the agency keeps a forfeited motor vehicle for
 155.25 official use, it shall make reasonable efforts to ensure that the motor vehicle is available for
 155.26 use by the agency's officers who participate in the drug abuse resistance education program.

155.27 (b) The proceeds from the sale of forfeited vehicles, after payment of seizure, towing,
 155.28 storage, forfeiture, and sale expenses, and satisfaction of valid liens against the property,
 155.29 must be distributed as follows:

155.30 (1) 70 percent of the proceeds must be forwarded to the appropriate agency for deposit
 155.31 as a supplement to the state or local agency's operating fund or similar fund for use in
 155.32 DWI-related enforcement, training, and education, crime prevention, equipment, or capital
 155.33 expenses; and

156.1 (2) 30 percent of the money or proceeds must be forwarded to the prosecuting authority
156.2 that handled the forfeiture for deposit as a supplement to its operating fund or similar fund
156.3 for prosecutorial purposes, training, education, crime prevention, equipment, or capital
156.4 expenses. For purposes of this subdivision, the prosecuting authority shall not include
156.5 privately contracted prosecutors of a local political subdivision and, in those events, the
156.6 forfeiture proceeds shall be forwarded to the political subdivision where the forfeiture was
156.7 handled for the purposes identified in clause (1).

156.8 (c) If a vehicle is sold under paragraph (a), the appropriate agency shall not sell the
156.9 vehicle to: (1) an officer or employee of the agency that seized the property or to a person
156.10 related to the officer or employee by blood or marriage; or (2) the prosecuting authority or
156.11 any individual working in the same office or a person related to the authority or individual
156.12 by blood or marriage.

156.13 (d) Sales of forfeited vehicles under this section must be conducted in a commercially
156.14 reasonable manner.

156.15 (e) If a vehicle is forfeited administratively under this section and no demand for judicial
156.16 determination is made, the appropriate agency shall provide the prosecuting authority with
156.17 a copy of the forfeiture or evidence receipt, the notice of seizure and intent to forfeit, a
156.18 statement of probable cause for forfeiture of the property, and a description of the property
156.19 and its estimated value. Upon review and certification by the prosecuting authority that (1)
156.20 the appropriate agency provided a receipt in accordance with subdivision 2, paragraph (c),
156.21 (2) the appropriate agency served notice in accordance with subdivision 8, and (3) probable
156.22 cause for forfeiture exists based on the officer's statement, the appropriate agency may
156.23 dispose of the property in any of the ways listed in this subdivision.

156.24 **EFFECTIVE DATE.** This section is effective January 1, 2022, and applies to seizures
156.25 that take place on or after that date.

156.26 Sec. 7. Minnesota Statutes 2020, section 169A.63, subdivision 13, is amended to read:

156.27 Subd. 13. **Exception.** (a) A forfeiture proceeding is stayed and the vehicle must be
156.28 returned if the driver who committed a designated offense or whose conduct resulted in a
156.29 designated license revocation becomes a program participant in the ignition interlock program
156.30 under section 171.306 at any time before the motor vehicle is forfeited, the forfeiture
156.31 proceeding is stayed and the vehicle must be returned and any of the following apply:

156.32 (1) the driver committed a designated offense other than a violation of section 169A.20
156.33 under the circumstances described in section 169A.24; or

157.1 (2) the driver is accepted into a treatment court dedicated to changing the behavior of
157.2 alcohol- and other drug-dependent offenders arrested for driving while impaired.

157.3 (b) Notwithstanding paragraph (a), the vehicle whose forfeiture was stayed in paragraph
157.4 (a) may be seized and the forfeiture action may proceed under this section if the program
157.5 participant described in paragraph (a):

157.6 (1) subsequently operates a motor vehicle:

157.7 (i) to commit a violation of section 169A.20 (driving while impaired);

157.8 (ii) in a manner that results in a license revocation under section 169A.52 (license
157.9 revocation for test failure or refusal) or 171.177 (revocation; search warrant) or a license
157.10 disqualification under section 171.165 (commercial driver's license disqualification) resulting
157.11 from a violation of section 169A.52 or 171.177;

157.12 (iii) after tampering with, circumventing, or bypassing an ignition interlock device; or

157.13 (iv) without an ignition interlock device at any time when the driver's license requires
157.14 such device; or

157.15 (2) either voluntarily or involuntarily ceases to participate in the program for more than
157.16 30 days, or fails to successfully complete it as required by the Department of Public Safety
157.17 due to:

157.18 (i) two or more occasions of the participant's driving privileges being withdrawn for
157.19 violating the terms of the program, unless the withdrawal is determined to be caused by an
157.20 error of the department or the interlock provider; or

157.21 (ii) violating the terms of the contract with the provider as determined by the provider;
157.22 or

157.23 (3) was the driver, forfeiture was stayed after the driver entered a treatment court, and
157.24 the driver ceases to be a participant in the treatment court for any reason.

157.25 (c) Paragraph (b) applies only if the described conduct occurs before the participant has
157.26 been restored to full driving privileges or within three years of the original designated offense
157.27 or designated license revocation, whichever occurs latest.

157.28 (d) The requirement in subdivision 2, paragraph (b), that device manufacturers provide
157.29 a discounted rate to indigent program participants applies also to device installation under
157.30 this subdivision.

158.1 (e) An impound or law enforcement storage lot operator must allow an ignition interlock
158.2 manufacturer sufficient access to the lot to install an ignition interlock device under this
158.3 subdivision.

158.4 (f) Notwithstanding paragraph (a), an entity in possession of the vehicle is not required
158.5 to release it until the reasonable costs of the towing, seizure, and storage of the vehicle have
158.6 been paid by the vehicle owner.

158.7 (g) At any time prior to the vehicle being forfeited, the appropriate agency may require
158.8 that the owner or driver of the vehicle ~~give security or post bond payable to the appropriate~~
158.9 ~~agency in an amount equal to the retail value~~ surrender the title of the seized vehicle. If this
158.10 ~~occurs, any future forfeiture action against the vehicle must instead proceed against the~~
158.11 ~~security as if it were the vehicle.~~

158.12 ~~(h) The appropriate agency may require an owner or driver to give security or post bond~~
158.13 ~~payable to the agency in an amount equal to the retail value of the vehicle, prior to releasing~~
158.14 ~~the vehicle from the impound lot to install an ignition interlock device.~~

158.15 ~~(h)~~ (h) If an event described in paragraph (b) occurs in a jurisdiction other than the one
158.16 in which the original forfeitable event occurred, and the vehicle is subsequently forfeited,
158.17 the proceeds shall be divided equally, after payment of seizure, towing, storage, forfeiture,
158.18 and sale expenses and satisfaction of valid liens against the vehicle, among the appropriate
158.19 agencies and prosecuting authorities in each jurisdiction.

158.20 ~~(i)~~ (i) Upon successful completion of the program, the stayed forfeiture proceeding is
158.21 terminated or dismissed and any vehicle, security, or bond held by an agency must be
158.22 returned to the owner of the vehicle.

158.23 ~~(j)~~ (j) A claimant of a vehicle for which a forfeiture action was stayed under paragraph
158.24 (a) but which later proceeds under paragraph (b), may file a demand for judicial forfeiture
158.25 as provided in subdivision 8, in which case the forfeiture proceedings must be conducted
158.26 as provided in subdivision 9.

158.27 **EFFECTIVE DATE.** This section is effective January 1, 2022, and applies to seizures
158.28 that take place on or after that date.

158.29 Sec. 8. Minnesota Statutes 2020, section 169A.63, is amended by adding a subdivision to
158.30 read:

158.31 **Subd. 14. Subsequent unlawful use of seized vehicle; immunity.** An appropriate
158.32 agency or prosecuting authority, including but not limited to any peace officer as defined

 159.2 official duties of the person or entity, returns a vehicle seized under this chapter to the owner

164.10 that take place on or after that date.

164.11 Sec. 15. Minnesota Statutes 2020, section 609.5314, is amended by adding a subdivision
164.12 to read:

164.13 Subd. 1a. **Innocent owner.** (a) Any person, other than the defendant driver, alleged to
164.14 have used a vehicle in the transportation or exchange of a controlled substance intended for
164.15 distribution or sale, claiming an ownership interest in a vehicle that has been seized or
164.16 restrained under this section may assert that right by notifying the prosecuting authority in
164.17 writing and within 60 days of the service of the notice of seizure.

164.18 (b) Upon receipt of notice pursuant to paragraph (a), the prosecuting authority may
164.19 release the vehicle to the asserting person. If the prosecuting authority proceeds with the
164.20 forfeiture, the prosecuting authority must, within 30 days, file a separate complaint in the
164.21 name of the jurisdiction pursuing the forfeiture against the vehicle, describing the vehicle,
164.22 specifying that the vehicle was used in the transportation or exchange of a controlled
164.23 substance intended for distribution or sale, and specifying the time and place of the vehicle's
164.24 unlawful use. The complaint may be filed in district court or conciliation court and the filing
164.25 fee is waived.

164.26 (c) A complaint filed by the prosecuting authority must be served on the asserting person
164.27 and on any other registered owners. Service may be made by certified mail at the address
164.28 listed in the Department of Public Safety's computerized motor vehicle registration records
164.29 or by any means permitted by court rules.

164.30 (d) The hearing on the complaint shall, to the extent practicable, be held within 30 days
164.31 of the filing of the petition. The court may consolidate the hearing on the complaint with a
164.32 hearing on any other complaint involving a claim of an ownership interest in the same
164.33 vehicle.

165.1 (e) At a hearing held pursuant to this subdivision, the state must prove by a preponderance
165.2 of the evidence that:

165.3 (1) the seizure was incident to a lawful arrest or a lawful search; and

165.4 (2) the vehicle was used in the transportation or exchange of a controlled substance
165.5 intended for distribution or sale.

165.6 (f) At a hearing held pursuant to this subdivision, the asserting person must prove by a
165.7 preponderance of the evidence that the asserting person:

165.8 (1) has an actual ownership interest in the vehicle; and

165.9 (2) did not have actual or constructive knowledge that the vehicle would be used or
165.10 operated in any manner contrary to law or that the asserting person took reasonable steps
165.11 to prevent use of the vehicle by the alleged offender.

165.12 (g) If the court determines that the state met both burdens under paragraph (e) and the
165.13 asserting person failed to meet any burden under paragraph (f), the court shall order that
165.14 the vehicle remains subject to forfeiture under this section.

165.15 (h) The court shall order that the vehicle is not subject to forfeiture under this section
165.16 and shall order the vehicle returned to the asserting person if it determines that:

165.17 (1) the state failed to meet any burden under paragraph (e);

165.18 (2) the asserting person proved both elements under paragraph (f); or

165.19 (3) clauses (1) and (2) apply.

165.20 (i) If the court determines that the asserting person is an innocent owner and orders the
165.21 vehicle returned to the innocent owner, an entity in possession of the vehicle is not required
165.22 to release the vehicle until the innocent owner pays:

165.23 (1) the reasonable costs of the towing, seizure, and storage of the vehicle incurred before
165.24 the innocent owner provided the notice required under paragraph (a); and

165.25 (2) any reasonable costs of storage of the vehicle incurred more than two weeks after
165.26 an order issued under paragraph (h).

165.27 **EFFECTIVE DATE.** This section is effective January 1, 2022, and applies to seizures
165.28 that take place on or after that date.

166.1 Sec. 16. Minnesota Statutes 2020, section 609.5314, subdivision 2, is amended to read:

166.2 Subd. 2. **Administrative forfeiture procedure.** (a) Forfeiture of property described in
166.3 subdivision 1 that does not exceed \$50,000 in value is governed by this subdivision. Within
166.4 60 days from when seizure occurs, all persons known to have an ownership, possessory, or
166.5 security interest in seized property must be notified of the seizure and the intent to forfeit
166.6 the property. In the case of a motor vehicle required to be registered under chapter 168,
166.7 notice mailed by certified mail to the address shown in Department of Public Safety records
166.8 is deemed sufficient notice to the registered owner. The notification to a person known to
166.9 have a security interest in seized property required under this paragraph applies only to
166.10 motor vehicles required to be registered under chapter 168 and only if the security interest
166.11 is listed on the vehicle's title. Upon motion by the appropriate agency or the prosecuting
166.12 authority, a court may extend the time period for sending notice for a period not to exceed
166.13 90 days for good cause shown.

166.14 (b) Notice may otherwise be given in the manner provided by law for service of a
166.15 summons in a civil action. The notice must be in writing and contain:

166.16 (1) a description of the property seized;

166.17 (2) the date of seizure; and

166.18 (3) notice of the right to obtain judicial review of the forfeiture and of the procedure for
166.19 obtaining that judicial review, printed in English. This requirement does not preclude the
166.20 appropriate agency from printing the notice in other languages in addition to English.

166.21 Substantially the following language must appear conspicuously in the notice:

166.22 "WARNING: If you were the person arrested when the property was seized, you will
166.23 automatically lose the above-described property and the right to be heard in court if you do
166.24 not file a lawsuit and serve the prosecuting authority within 60 days. You may file your
166.25 lawsuit in conciliation court if the property is worth \$15,000 or less; otherwise, you must
166.26 file in district court. You may do not have to pay a filing fee for your lawsuit if you are
166.27 unable to afford the fee. You do not have to pay a conciliation court fee if your property is
166.28 worth less than \$500."

166.29 WARNING: If you have an ownership interest in the above-described property and were
166.30 not the person arrested when the property was seized, you will automatically lose the
166.31 above-described property and the right to be heard in court if you do not notify the
166.32 prosecuting authority of your interest in writing within 60 days."

167.1 (c) If notice is not sent in accordance with paragraph (a), and no time extension is granted
167.2 or the extension period has expired, the appropriate agency shall return the property to the
167.3 person from whom the property was seized, if known. An agency's return of property due
167.4 to lack of proper notice does not restrict the agency's authority to commence a forfeiture
167.5 proceeding at a later time. The agency shall not be required to return contraband or other
167.6 property that the person from whom the property was seized may not legally possess.

167.7 **EFFECTIVE DATE.** This section is effective January 1, 2022, and applies to seizures
167.8 that take place on or after that date.

167.9 Sec. 17. Minnesota Statutes 2020, section 609.5314, subdivision 3, is amended to read:

167.10 Subd. 3. **Judicial determination.** (a) Within 60 days following service of a notice of
167.11 seizure and forfeiture under this section, a claimant may file a demand for a judicial
167.12 determination of the forfeiture. The demand must be in the form of a civil complaint and
167.13 must be filed with the court administrator in the county in which the seizure occurred,
167.14 together with proof of service of a copy of the complaint on the prosecuting authority for
167.15 that county, ~~and the standard filing fee for civil actions unless the petitioner has the right~~
167.16 ~~to sue in forma pauperis under section 563.01.~~ The claimant may serve the complaint on
167.17 the prosecuting authority by any means permitted by court rules. If the value of the seized
167.18 property is \$15,000 or less, the claimant may file an action in conciliation court for recovery
167.19 of the seized property. ~~If the value of the seized property is less than \$500,~~ The claimant
167.20 does not have to pay the ~~conciliation~~ court filing fee. No responsive pleading is required of
167.21 the prosecuting authority and no court fees may be charged for the prosecuting authority's
167.22 appearance in the matter. The district court administrator shall schedule the hearing as soon
167.23 as practicable after, and in any event no later than 90 days following, the conclusion of the
167.24 criminal prosecution. The proceedings are governed by the Rules of Civil Procedure.

167.25 (b) The complaint must be captioned in the name of the claimant as plaintiff and the
167.26 seized property as defendant, and must state with specificity the grounds on which the
167.27 claimant alleges the property was improperly seized and the plaintiff's interest in the property
167.28 seized. Notwithstanding any law to the contrary, an action for the return of property seized
167.29 under this section may not be maintained by or on behalf of any person who has been served
167.30 with a notice of seizure and forfeiture unless the person has complied with this subdivision.

167.31 (c) If the claimant makes a timely demand for judicial determination under this
167.32 subdivision, the appropriate agency must conduct the forfeiture under section 609.531,
167.33 subdivision 6a. The limitations and defenses set forth in section 609.5311, subdivision 3,
167.34 apply to the judicial determination.

168.1 (d) If a demand for judicial determination of an administrative forfeiture is filed under
168.2 this subdivision and the court orders the return of the seized property, ~~the court shall order~~
168.3 ~~that filing fees be reimbursed to the person who filed the demand.~~ In addition, the court
168.4 may order sanctions under section 549.211. If the court orders payment of these costs, they
168.5 must be paid from forfeited money or proceeds from the sale of forfeited property from the
168.6 appropriate law enforcement and prosecuting agencies in the same proportion as they would
168.7 be distributed under section 609.5315, subdivision 5.

168.8 **EFFECTIVE DATE.** This section is effective January 1, 2022, and applies to seizures
168.9 that take place on or after that date.

168.11 Subd. 5. **Distribution of money.** The money or proceeds from the sale of forfeited
168.12 property, after payment of seizure, storage, forfeiture, and sale expenses, and satisfaction
168.13 of valid liens against the property, must be distributed as follows:

168.14 (1) 70 percent of the money or proceeds must be forwarded to the appropriate agency
168.15 for deposit as a supplement to the agency's operating fund or similar fund for use in law
168.16 enforcement, training, education, crime prevention, equipment, or capital expenses;

168.17 (2) 20 percent of the money or proceeds must be forwarded to the prosecuting authority
168.18 that handled the forfeiture for deposit as a supplement to its operating fund or similar fund
168.19 for prosecutorial purposes, training, education, crime prevention, equipment, or capital
168.20 expenses; and

168.21 (3) the remaining ten percent of the money or proceeds must be forwarded within 60
168.22 days after resolution of the forfeiture to the state treasury and credited to the general fund.
168.23 Any local police relief association organized under chapter 423 which received or was
168.24 entitled to receive the proceeds of any sale made under this section before the effective date
168.25 of Laws 1988, chapter 665, sections 1 to 17, shall continue to receive and retain the proceeds
168.26 of these sales.

168.27 **EFFECTIVE DATE.** This section is effective January 1, 2022, and applies to seizures
168.28 that take place on or after that date.

197.12 reporting purposes.

197.13 The commissioner may require that any or all such information be provided through the
197.14 Department of Corrections detention information system. The commissioner shall post each

197.28 (d) Nothing in this section shall be construed to limit the commissioner of corrections'
197.29 authority to promulgate rules establishing standards of eligibility for counties to receive
197.30 funds under sections 401.01 to 401.16, or to require counties to comply with operating
197.31 standards the commissioner establishes as a condition precedent for counties to receive that
197.32 funding.

197.33 (e) The department's inspection unit must report directly to a division head outside of
197.34 the correctional institutions division.

 198.2 ~~foster care facilities for delinquent children and youth as provided in subdivision 2, does~~
 198.3 ~~not substantially conform to the minimum standards established by the commissioner and~~
 198.4 ~~is not making satisfactory progress toward substantial conformance, the commissioner shall~~
 198.5 ~~promptly notify the chief executive officer and the governing board of the facility of the~~
 198.6 ~~deficiencies and order that they be remedied within a reasonable period of time. The~~
 198.7 ~~commissioner may by written order restrict the use of any facility which does not substantially~~
 198.8 ~~conform to minimum standards to prohibit the detention of any person therein for more than~~
 198.9 ~~72 hours at one time. When, after due notice and hearing, the commissioner finds that any~~
 198.10 ~~facility described in this subdivision, except county jails and lockups as provided in sections~~
 198.11 ~~641.26, 642.10, and 642.11, does not conform to minimum standards, or is not making~~
 198.12 ~~satisfactory progress toward substantial compliance therewith, the commissioner may issue~~
 198.13 ~~an order revoking the license of that facility. After revocation of its license, that facility~~
 198.14 ~~shall not be used until its license is renewed. When the commissioner is satisfied that~~
 198.15 ~~satisfactory progress towards substantial compliance with minimum standard is being made,~~
 198.16 ~~the commissioner may, at the request of the appropriate officials of the affected facility~~
 198.17 ~~supported by a written schedule for compliance, grant an extension of time for a period not~~
 198.18 ~~to exceed one year.~~

198.19 ~~(f) As used in this subdivision, "correctional facility" means any facility, including a~~
 198.20 ~~group home, having a residential component, the primary purpose of which is to serve~~
 198.21 ~~persons placed therein by a court, court services department, parole authority, or other~~
 198.22 ~~correctional agency having dispositional power over persons charged with, convicted, or~~
 198.23 ~~adjudicated to be guilty or delinquent.~~

198.24 Sec. 6. Minnesota Statutes 2020, section 241.021, is amended by adding a subdivision to
 198.25 read:

198.26 Subd. 1a. **Correction order; conditional license.** (a) When the commissioner finds that
 198.27 any facility described in subdivision 1, except foster care facilities for delinquent children
 198.28 and youth as provided in subdivision 2, does not substantially conform to the minimum
 198.29 standards established by the commissioner and is not making satisfactory progress toward
 198.30 substantial conformance and the nonconformance does not present an imminent risk of
 198.31 life-threatening harm or serious physical injury to the persons confined or incarcerated in
 198.32 the facility, the commissioner shall promptly notify the facility administrator and the
 198.33 governing board of the facility of the deficiencies and must issue a correction order or a
 198.34 conditional license order that the deficiencies be remedied within a reasonable and specified
 198.35 period of time.

199.1 The conditional license order may restrict the use of any facility which does not
199.2 substantially conform to minimum standards, including imposition of conditions limiting
199.3 operation of the facility or parts of the facility, reducing facility capacity, limiting intake,
199.4 limiting length of detention for individuals, or imposing detention limitations based on the
199.5 needs of the individuals being confined or incarcerated therein.

199.6 The correction order or conditional license order must clearly state the following:

199.7 (1) the specific minimum standards violated, noting the implicated rule or law;

199.8 (2) the findings that constitute a violation of minimum standards;

199.9 (3) the corrective action needed;

199.10 (4) time allowed to correct each violation; and

199.11 (5) if a license is made conditional, the length and terms of the conditional license, any
199.12 conditions limiting operation of the facility, and the reasons for making the license
199.13 conditional.

199.14 (b) The facility administrator may request review of the findings noted in the conditional
199.15 license order on the grounds that satisfactory progress toward substantial compliance with
199.16 minimum standards has been made, supported by evidence of correction, and, if appropriate,
199.17 may include a written schedule for compliance. The commissioner shall review the evidence
199.18 of correction and the progress made toward substantial compliance with minimum standards
199.19 within a reasonable period of time, not to exceed ten business days. When the commissioner
199.20 has assurance that satisfactory progress toward substantial compliance with minimum
199.21 standards is being made, the commissioner shall lift any conditions limiting operation of
199.22 the facility or parts of the facility or remove the conditional license order.

199.23 (c) Nothing in this section prohibits the commissioner from ordering a revocation under
199.24 subdivision 1b prior to issuing a correction order or conditional license order.

199.25 Sec. 7. Minnesota Statutes 2020, section 241.021, is amended by adding a subdivision to
199.26 read:

199.27 Subd. 1b. **License revocation order.** (a) When, after due notice to the facility
199.28 administrator of the commissioner's intent to issue a revocation order, the commissioner
199.29 finds that any facility described in this subdivision, except county jails and lockups subject
199.30 to active condemnation proceedings or orders as provided in sections 641.26, 642.10, and
199.31 642.11, does not conform to minimum standards, or is not making satisfactory progress
199.32 toward substantial compliance with minimum standards, and the nonconformance does not

200.1 present an imminent risk of life-threatening harm or serious physical injury to the persons
200.2 confined or incarcerated in the facility, the commissioner may issue an order revoking the
200.3 license of that facility.

200.4 The notice of intent to issue a revocation order shall include:

200.5 (1) the citation to minimum standards that have been violated;

200.6 (2) the nature and severity of each violation;

200.7 (3) whether the violation is recurring or nonrecurring;

200.8 (4) the effect of the violation on persons confined or incarcerated in the correctional
200.9 facility;

200.10 (5) an evaluation of the risk of harm to persons confined or incarcerated in the correctional
200.11 facility;

200.12 (6) relevant facts, conditions, and circumstances concerning the operation of the licensed
200.13 facility, including at a minimum:

200.14 (i) specific facility deficiencies that endanger the health or safety of persons confined
200.15 or incarcerated in the correctional facility;

200.16 (ii) substantiated complaints relating to the correctional facility; or

200.17 (iii) any other evidence that the correctional facility is not in compliance with minimum
200.18 standards.

200.19 (b) The facility administrator must submit a written response within 30 days of receipt
200.20 of the notice of intent to issue a revocation order with any information related to errors in
200.21 the notice, ability to conform to minimum standards within a set period of time including
200.22 but not limited to a written schedule for compliance, and any other information the facility
200.23 administrator deems relevant for consideration by the commissioner. The written response
200.24 must also include a written plan indicating how the correctional facility will ensure the
200.25 transfer of confined or incarcerated individuals and records if the correctional facility closes.
200.26 Plans must specify arrangements the correctional facility will make to transfer confined or
200.27 incarcerated individuals to another licensed correctional facility for continuation of detention.

200.28 (c) When revoking a license, the commissioner shall consider the nature, chronicity, or
200.29 severity of the violation of law or rule and the effect of the violation on the health, safety,
200.30 or rights of persons confined or incarcerated in the correctional facility.

200.31 (d) If the facility administrator does not respond within 30 days to the notice of intent
200.32 to issue a revocation order or if the commissioner does not have assurance that satisfactory

201.1 progress toward substantial compliance with minimum standards will be made, the
201.2 commissioner shall issue a revocation order. The revocation order must be sent to the facility
201.3 administrator and the governing board of the facility, clearly stating:

201.4 (1) the specific minimum standards violated, noting the implicated rule or law;

201.5 (2) the findings that constitute a violation of minimum standards and the nature,
201.6 chronicity, or severity of those violations;

201.7 (3) the corrective action needed;

201.8 (4) any prior correction or conditional license orders issued to correct violations; and

201.9 (5) the date at which the license revocation shall take place.

201.10 A revocation order may authorize use until a certain date, not to exceed the duration of the
201.11 current license, unless a limited license is issued by the commissioner for purposes of
201.12 effectuating a facility closure and continued operation does not present an imminent risk
201.13 of life-threatening harm or is not likely to result in serious physical injury to the persons
201.14 confined or incarcerated in the facility.

201.15 (e) After revocation of the facility's licensure, that facility shall not be used until the
201.16 license is renewed. When the commissioner is satisfied that satisfactory progress toward
201.17 substantial compliance with minimum standards is being made, the commissioner may, at
201.18 the request of the facility administrator supported by a written schedule for compliance,
201.19 reinstate the license.

201.20 Sec. 8. Minnesota Statutes 2020, section 241.021, is amended by adding a subdivision to
201.21 read:

201.22 Subd. 1c. **Temporary license suspension.** The commissioner shall act immediately to
201.23 temporarily suspend a license issued under this chapter if:

201.24 (1) the correctional facility's failure to comply with applicable minimum standards or
201.25 the conditions in the correctional facility pose an imminent risk of life-threatening harm or
201.26 serious physical injury to persons confined or incarcerated in the facility, staff, law
201.27 enforcement, visitors, or the public; and

201.28 (i) if the imminent risk of life-threatening harm or serious physical injury cannot be
201.29 promptly corrected through a different type of order under this section; and

201.30 (ii) the correctional facility cannot or has not corrected the violation giving rise to the
201.31 imminent risk of life-threatening harm or serious physical injury; or

202.1 (2) while the correctional facility continues to operate pending due notice and opportunity
 202.2 for written response to the commissioner's notice of intent to issue an order of revocation,
 202.3 the commissioner identifies one or more subsequent violations of minimum standards which
 202.4 may adversely affect the health or safety of persons confined or incarcerated in the facility,
 202.5 staff, law enforcement, visitors, or the public.

202.6 A notice stating the reasons for the immediate suspension informing the facility
 202.7 administrator must be delivered by personal service to the correctional facility administrator
 202.8 and the governing board of the facility.

202.9 Sec. 9. Minnesota Statutes 2020, section 241.021, is amended by adding a subdivision to
 202.10 read:

202.11 Subd. 1d. **Public notice of restriction, revocation, or suspension.** If the license of a
 202.12 facility under this section is revoked or suspended, or use of the facility is restricted for any
 202.13 reason under a conditional license order, the commissioner shall post the facility, the status
 202.14 of the facility's license, and the reason for the restriction, revocation, or suspension publicly
 202.15 and on the department's website.

202.16 Sec. 10. Minnesota Statutes 2020, section 241.021, is amended by adding a subdivision
 202.17 to read:

202.18 Subd. 1e. **Reconsideration of orders; appeals.** (a) If the facility administrator believes
 202.19 the correction order, conditional license order, or revocation order is in error, the facility
 202.20 administrator may ask the Department of Corrections to reconsider the parts of the order or
 202.21 action that are alleged to be in error. The request for reconsideration must:

202.22 (1) be made in writing;

202.23 (2) be postmarked and sent to the commissioner no later than 30 calendar days after
 202.24 receipt of the correction order, conditional license order, or revocation order;

202.25 (3) specify the parts of the order that are alleged to be in error;

202.26 (4) explain why the correction order, conditional license order, or revocation order is in
 202.27 error; and

202.28 (5) include documentation to support the allegation of error.

202.29 The commissioner shall issue a disposition within 60 days of receipt of the facility
 202.30 administrator's response to correction, conditional license, or revocation order violations.

202.31 A request for reconsideration does not stay any provisions or requirements of the order.

203.1 (b) The facility administrator may request reconsideration of an order immediately
203.2 suspending a license. The request for reconsideration of an order immediately suspending
203.3 a license must be made in writing and sent by certified mail, personal service, or other means
203.4 expressly stated in the commissioner's order. If mailed, the request for reconsideration must
203.5 be postmarked and sent to the commissioner no later than five business days after the facility
203.6 administrator receives notice that the license has been immediately suspended. If a request
203.7 is made by personal service, it must be received by the commissioner no later than five
203.8 business days after the facility administrator received the order. The request for
203.9 reconsideration must:

203.10 (1) specify the parts of the order that are alleged to be in error;

203.11 (2) explain why they are in error; and

203.12 (3) include documentation to support the allegation of error.

203.13 A facility administrator and the governing board of the facility shall discontinue operation
203.14 of the correctional facility upon receipt of the commissioner's order to immediately suspend
203.15 the license.

203.16 (c) Within five business days of receipt of the facility administrator's timely request for
203.17 reconsideration of a temporary immediate suspension, the commissioner shall review the
203.18 request for reconsideration. The scope of the review shall be limited solely to the issue of
203.19 whether the temporary immediate suspension order should remain in effect pending the
203.20 written response to commissioner's notice of intent to issue a revocation order.

203.21 The commissioner's disposition of a request for reconsideration of correction, conditional
203.22 license, temporary immediate suspension, or revocation order is final and subject to appeal.
203.23 The facility administrator must request reconsideration as required by this section of any
203.24 correction, conditional license, temporary immediate suspension, or revocation order prior
203.25 to appeal.

203.26 No later than 60 days after the postmark date of the mailed notice of the commissioner's
203.27 decision on a request for reconsideration, the facility administrator may appeal the decision
203.28 by filing for a writ of certiorari with the court of appeals under section 606.01 and Minnesota
203.29 Rules of Civil Appellate Procedure, Rule 115.

203.30 Sec. 11. Minnesota Statutes 2020, section 241.021, is amended by adding a subdivision
203.31 to read:

203.32 Subd. 1f. **Report.** By February 15, 2022, and by February 15 each year thereafter, the
203.33 commissioner of corrections shall report to the chairs and ranking minority members of the

204.1 house of representatives and senate committees and divisions with jurisdiction over public
204.2 safety and judiciary on the status of the implementation of the provisions in this section
204.3 over the prior year, particularly the health and safety of individuals confined or incarcerated
204.4 in a state correctional facility and a facility licensed by the commissioner. This report shall
204.5 include but not be limited to data regarding:

204.6 (1) the number of confined or incarcerated persons who died while committed to the
204.7 custody of the facility, regardless of whether the death occurred at the facility or after
204.8 removal from the facility for medical care stemming from an incident or need for medical
204.9 care at the correctional facility, including aggregated demographic information and the
204.10 correctional facilities' most recent inspection reports and any corrective orders or conditional
204.11 licenses issued;

204.12 (2) the aggregated results of the death reviews by facility as required by subdivision 8,
204.13 including any implemented policy changes;

204.14 (3) the number of uses of force by facility staff on persons confined or incarcerated in
204.15 the correctional facility, including but not limited to whether those uses of force were
204.16 determined to be justified by the facility, for which the commissioner of corrections shall
204.17 consult with the Minnesota Sheriffs' Association and a representative from the Minnesota
204.18 Association of Community Corrections Act Counties who is responsible for the operations
204.19 of an adult correctional facility to develop criteria for reporting and define reportable uses
204.20 of force;

204.21 (4) the number of suicide attempts, number of people transported to a medical facility,
204.22 and number of people placed in segregation;

204.23 (5) the number of persons committed to the commissioner of corrections' custody that

204.25 limited to:

204.26 (i) aggregated demographic data of those individuals;

204.27 (ii) length of time spent housed in a licensed correctional facility; and

204.28 (iii) any contracts the Department of Corrections has with correctional facilities to provide
204.29 housing; and

204.30 (6) summary data from state correctional facilities regarding complaints involving alleged
204.31 on-duty staff misconduct, including but not limited to the:

204.32 (i) total number of misconduct complaints and investigations;

205.1 (ii) total number of complaints by each category of misconduct, as defined by the
205.2 commissioner of corrections;

205.3 (iii) number of allegations dismissed as unfounded;

205.4 (iv) number of allegations dismissed on grounds that the allegation was unsubstantiated;
205.5 and

205.7 of the discipline.

205.8 Sec. 12. Minnesota Statutes 2020, section 241.021, is amended by adding a subdivision
205.9 to read:

205.10 Subd. 1g. **Biennial assessment and audit of security practices; state correctional**
205.11 **facilities.** (a) Beginning in 2022, the commissioner shall have the department's inspection
205.12 unit conduct biennial security audits of each state correctional facility using the standards
205.13 promulgated by the state correctional facilities security audit group. The unit must prepare
205.14 a report for each assessment and audit and submit the report to the state correctional facilities
205.15 security audit group within 30 days of completion of the audit.

205.16 (b) Corrections and detention confidential data, as defined in section 13.85, subdivision
205.17 3, and nonpublic security information, as defined in section 13.37, subdivision 1, that is
205.18 contained in reports and records of the group maintain that classification, regardless of the
205.19 data's classification in the hands of the person who provided the data, and are not subject
205.20 to discovery or introduction into evidence in a civil or criminal action against the state
205.21 arising out of the matters the group is reviewing. Information, documents, and records
205.22 otherwise available from other sources are not immune from discovery or use in a civil or
205.23 criminal action solely because they were acquired during the group's audit. This section
205.24 does not limit a person who presented information to the group or who is a member of the
205.25 group from testifying about matters within the person's knowledge. However, in a civil or
205.26 criminal proceeding, a person may not be questioned about the person's good faith
205.27 presentation of information to the group or opinions formed by the person as a result of the
205.28 group's audits.

206.1 Sec. 13. Minnesota Statutes 2020, section 241.021, is amended by adding a subdivision
206.2 to read:

206.3 Subd. 1h. **State correctional facilities security audit group.** (a) Beginning in fiscal
206.4 year 2022, the commissioner shall form a state correctional facilities security audit group.

206.5 The group must consist of the following members:

206.6 (1) a department employee who is not assigned to the correctional institutions division,
206.7 appointed by the commissioner;

206.8 (2) the ombudsperson for corrections;

206.9 (3) an elected sheriff or designee nominated by the Minnesota Sheriffs Association and
206.10 appointed by the commissioner;

206.11 (4) a physical plant safety consultant, appointed by the governor;

206.12 (5) a private security consultant with expertise in correctional facility security, appointed
206.13 by the governor;

206.14 (6) two senators, one appointed by the senate majority leader and one appointed by the
206.15 minority leader; and

206.16 (7) two representatives, one appointed by the speaker of the house and one appointed
206.17 by the minority leader of the house of representatives.

206.18 (b) By January 1, 2022, the group shall establish security audit standards for state
206.19 correctional facilities. In developing the standards, the group, or individual members of the
206.20 group, may gather information from state correctional facilities and state correctional staff
206.21 and inmates. The security audit group must periodically review the standards and modify
206.22 them as needed. The group must report the standards to the chairs and ranking minority
206.23 members of the house of representatives and senate committees with jurisdiction over public
206.24 safety policy and finance by February 15, 2022.

206.25 (c) The group shall review facility audit reports submitted to the group by the agency's
206.26 inspection unit. Notwithstanding any law to the contrary, the group is entitled to review the
206.27 full audit reports including nonpublic security information and corrections and detention
206.28 confidential data. Within 60 days of receiving an audit report from the department's inspection
206.29 unit, the group must make recommendations to the commissioner. Within 45 days of
206.30 receiving the group's recommendations, the commissioner must reply in writing to the
206.31 group's findings and recommendations. The commissioner's response must explain whether
206.32 the agency will implement the group's recommendations, the timeline for implementation

207.1 of the changes, and, if not, why the commissioner will not or cannot implement the group's
207.2 recommendations.

207.3 (d) Beginning in 2023, the commissioner must include a written aggregate of the group's
207.4 recommendations based on each security audit and assessment of a state correctional facility
207.5 and the commissioner's responses to the recommendations in the biennial report required
207.6 under section 241.016, subdivision 1. The commissioner shall not include corrections and
207.7 detention confidential data, as defined in section 13.85, subdivision 3, and nonpublic security
207.8 information, as defined in section 13.37, subdivision 1, in the commissioner's report to the
207.9 legislature.

207.10 (e) The commissioner shall provide staffing and administrative support to the group.

207.11 Sec. 14. Minnesota Statutes 2020, section 241.021, is amended by adding a subdivision
207.12 to read:

207.13 Subd. 1i. **Definition.** As used in this section, "correctional facility" means any facility,
207.14 including a group home, having a residential component, the primary purpose of which is
207.15 to serve persons placed in facilities by a court, court services department, parole authority,
207.16 or other correctional agency having dispositional power over persons charged with, convicted,
207.17 or adjudicated guilty or delinquent.

207.18 Sec. 15. Minnesota Statutes 2020, section 241.021, is amended by adding a subdivision
207.19 to read:

207.20 Subd. 7. **Intake release of information.** All correctional facilities that confine or
207.21 incarcerate adults are required at intake to provide each person an authorization form to
207.22 release information related to that person's health or mental health condition and when that
207.23 information should be shared. This release form shall allow the individual to select if the
207.24 individual wants to require the correctional facility to make attempts to contact the designated
207.25 person to facilitate the sharing of health condition information upon incapacitation or if the
207.26 individual becomes unable to communicate or direct the sharing of this information, so long
207.27 as contact information was provided and the incapacitated individual or individual who is
207.28 unable to communicate or direct the sharing of this information is not subject to a court
207.29 order prohibiting contact with the designated person.

208.1 Sec. 16. Minnesota Statutes 2020, section 241.021, is amended by adding a subdivision
208.2 to read:

208.3 Subd. 8. **Death review teams.** In the event a correctional facility receives information
208.4 of the death of an individual while committed to the custody of the facility, regardless of
208.5 whether the death occurred at the facility or after removal from the facility for medical care
208.6 stemming from an incident or need for medical care at the correctional facility, the
208.7 administrator of the facility, minimally including a medical expert of the facility's choosing
208.8 who did not provide medical services to the individual, and, if appropriate, a mental health
208.9 expert, shall review the circumstances of the death and assess for preventable mortality and
208.10 morbidity, including recommendations for policy or procedure change, within 90 days of
208.11 death. The investigating law enforcement agency may provide documentation, participate
208.12 in, or provide documentation and participate in the review in instances where criminal
208.13 charges were not brought. A preliminary autopsy report must be provided as part of the
208.14 review and any subsequent autopsy findings as available. The facility administrator shall
208.15 provide notice to the commissioner of corrections via the Department of Corrections detention
208.16 information system that the correctional facility has conducted a review and identify any
208.17 recommendations for changes in policy, procedure, or training that will be implemented.
208.18 Any report or other documentation created for purposes of a facility death review is
208.19 confidential as defined in section 13.02, subdivision 3. Nothing in this section relieves the
208.20 facility administrator from complying with the notice of death to the commissioner as
208.21 required by subdivision 1, paragraph (a).

208.22 Sec. 17. Minnesota Statutes 2020, section 243.48, subdivision 1, is amended to read:

208.23 Subdivision 1. **General searches.** The commissioner of corrections, the state correctional
208.24 facilities audit group, the governor, lieutenant governor, members of the legislature, state
208.25 officers, and the ombudsperson for corrections may visit the inmates at pleasure, but no
208.26 other persons without permission of the chief executive officer of the facility, under rules
208.27 prescribed by the commissioner. A moderate fee may be required of visitors, other than
208.28 those allowed to visit at pleasure. All fees so collected shall be reported and remitted to the
208.29 commissioner of management and budget under rules as the commissioner may deem proper,
208.30 and when so remitted shall be placed to the credit of the general fund.

209.1 Sec. 18. Minnesota Statutes 2020, section 243.52, is amended to read:

209.2 **243.52 DISCIPLINE; PREVENTION OF ESCAPE; DUTY TO REPORT.**

209.3 Subdivision 1. Discipline and prevention of escape If any ~~inmate~~ of person confined
 209.4 or incarcerated in any adult correctional facility either under the control of the commissioner
 209.5 of corrections or licensed by the commissioner of corrections under section 241.021 assaults
 209.6 any correctional officer or any other person or inmate, the assaulted person may use force
 209.7 in defense of the assault, except as limited in this section. If any ~~inmate~~ confined or
 209.8 incarcerated person attempts to damage the buildings or appurtenances, resists the lawful
 209.9 authority of any correctional officer, refuses to obey the correctional officer's reasonable
 209.10 demands, or attempts to escape, the correctional officer may enforce obedience and discipline
 209.11 or prevent escape by the use of force. If any ~~inmate~~ confined or incarcerated person resisting
 209.12 lawful authority is wounded or killed by the use of force by the correctional officer or
 209.13 assistants, that conduct is authorized under this section.

209.14 Subd. 2. Use of force. (a) Use of force must not be applied maliciously or sadistically
 209.15 for the purpose of causing harm to a confined or incarcerated person.

209.16 (b) Unless the use of deadly force is justified in this section, a correctional officer working
 209.17 in an adult correctional facility either under the control of the commissioner of corrections
 209.18 or licensed by the commissioner under section 241.021 may not use any of the following
 209.19 restraints:

209.20 (1) a choke hold;

209.21 (2) a prone restraint;

209.22 (3) tying all of a person's limbs together behind the person's back to render the person
 209.23 immobile; or

209.24 (4) securing a person in any way that results in transporting the person face down in a
 209.25 vehicle, except as directed by a medical professional.

209.26 (c) For the purposes of this subdivision, the following terms have the meanings given
 209.27 them:

209.28 (1) "choke hold" means a method by which a person applies sufficient pressure to a
 209.29 person to make breathing difficult or impossible, and includes but is not limited to any
 209.30 pressure to the neck, throat, or windpipe that may prevent or hinder breathing or reduce
 209.31 intake of air. Choke hold also means applying pressure to a person's neck on either side of
 209.32 the windpipe, but not to the windpipe itself, to stop the flow of blood to the brain via the
 209.33 carotid arteries;

210.1 (2) "prone restraint" means the use of manual restraint that places a person in a face-down
210.2 position; and

210.3 ~~As used in this section, "use of force" means conduct which is defined by sections 609.06~~
210.4 ~~to 609.066.~~ (3) "deadly force" has the meaning given in section 609.066, subdivision 1.

210.5 (d) Use of deadly force is justified only if an objectively reasonable correctional officer
210.6 would believe, based on the totality of the circumstances known to the officer at the time
210.7 and without the benefit of hindsight, that deadly force is necessary:

210.8 (1) to protect the correctional officer or another from death or great bodily harm, provided
210.9 that the threat:

210.10 (i) can be articulated with specificity by the correctional officer;

210.11 (ii) is reasonably likely to occur absent action by the correctional officer; and

210.12 (iii) must be addressed through the use of deadly force without unreasonable delay; or

210.13 (2) to effect the capture or prevent the escape of a person when the officer reasonably
210.14 believes that the person will cause death or great bodily harm to another person under the
210.15 threat criteria in clause (1), unless immediately apprehended.

210.16 Subd. 3. **Duty to report.** (a) Regardless of tenure or rank, staff working in an adult
210.17 correctional facility either under the control of the commissioner of corrections or licensed
210.18 by the commissioner under section 241.021 who observe another employee engage in neglect
210.19 or use force that exceeds the degree of force permitted by law must report the incident in
210.20 writing as soon as practicable, but no later than 24 hours to the administrator of the
210.21 correctional facility that employs the reporting staff member.

210.22 (b) A staff member who fails to report neglect or excessive use of force within 24 hours
210.23 is subject to disciplinary action or sanction by the correctional facility that employs them.
210.24 Staff members shall suffer no reprisal for reporting another staff member engaged in
210.25 excessive use of force or neglect.

210.26 (c) For the purposes of this subdivision, "neglect" means:

210.27 (1) the knowing failure or omission to supply a person confined or incarcerated in the
210.28 facility with care or services, including but not limited to food, clothing, health care, or
210.29 supervision that is reasonable and necessary to obtain or maintain the person's physical or
210.30 mental health or safety; or

210.31 (2) the absence or likelihood of absence of care or services, including but not limited to
210.32 food, clothing, health care, or supervision necessary to maintain the physical and mental

211.1 health of the person that a reasonable person would deem essential for health, safety, or
211.2 comfort.

211.3 **EFFECTIVE DATE.** This section is effective the day following final enactment.

211.4 Sec. 19. Minnesota Statutes 2020, section 244.19, subdivision 3, is amended to read:

211.5 Subd. 3. **Powers and duties.** All county probation officers serving a district court shall
211.6 act under the orders of the court in reference to any person committed to their care by the
211.7 court, and in the performance of their duties shall have the general powers of a peace officer;
211.8 and it shall be their duty to make such investigations with regard to any person as may be
211.9 required by the court before, during, or after the trial or hearing, and to furnish to the court
211.10 such information and assistance as may be required; to take charge of any person before,
211.11 during or after trial or hearing when so directed by the court, and to keep such records and
211.12 to make such reports to the court as the court may order.

211.13 All county probation officers serving a district court shall, in addition, provide probation
211.14 and parole services to wards of the commissioner of corrections resident in the counties
211.15 they serve, and shall act under the orders of said commissioner of corrections in reference
211.16 to any ward committed to their care by the commissioner of corrections.

211.17 All probation officers serving a district court shall, under the direction of the authority
211.18 having power to appoint them, initiate programs for the welfare of persons coming within
211.19 the jurisdiction of the court to prevent delinquency and crime and to rehabilitate within the
211.20 community persons who come within the jurisdiction of the court and are properly subject
211.21 to efforts to accomplish prevention and rehabilitation. They shall, under the direction of the
211.22 court, cooperate with all law enforcement agencies, schools, child welfare agencies of a
211.23 public or private character, and other groups concerned with the prevention of crime and
211.24 delinquency and the rehabilitation of persons convicted of crime and delinquency.

211.25 All probation officers serving a district court shall make monthly and annual reports to
211.26 the commissioner of corrections, on forms furnished by the commissioner, containing such
211.27 information on number of cases cited to the juvenile division of district court, offenses,
211.28 adjudications, dispositions, and related matters as may be required by the commissioner of
211.29 corrections. The reports shall include the information on individuals convicted as an extended
211.30 jurisdiction juvenile identified in section 241.016, subdivision 1, paragraph (c).

212.1 **Sec. 20. [260B.008] USE OF RESTRAINTS.**

212.2 (a) As used in this section, "restraints" means a mechanical or other device that constrains
212.3 the movement of a person's body or limbs.

212.4 (b) Restraints may not be used on a child appearing in court in a proceeding under this
212.5 chapter unless the court finds that:

212.6 (1) the use of restraints is necessary:

212.7 (i) to prevent physical harm to the child or another; or

212.8 (ii) to prevent the child from fleeing in situations in which the child presents a substantial
212.9 risk of flight from the courtroom; and

212.10 (2) there are no less restrictive alternatives to restraints that will prevent flight or physical
212.11 harm to the child or another, including but not limited to the presence of court personnel,
212.12 law enforcement officers, or bailiffs.

212.13 The finding in clause (1), item (i), may be based, among other things, on the child having
212.14 a history of disruptive courtroom behavior or behavior while in custody for any current or
212.15 prior offense that has placed others in potentially harmful situations, or presenting a
212.16 substantial risk of inflicting physical harm on the child or others as evidenced by past
212.17 behavior. The court may take into account the physical structure of the courthouse in
212.18 assessing the applicability of the above factors to the individual child.

212.19 (c) The court shall be provided the child's behavior history and shall provide the child
212.20 an opportunity to be heard in person or through counsel before ordering the use of restraints.
212.21 If restraints are ordered, the court shall make findings of fact in support of the order.

212.22 (d) By April 1, 2022, each judicial district shall develop a protocol to address how to
212.23 implement and comply with this section. In developing the protocol, a district shall consult
212.24 with law enforcement agencies, prosecutors, public defenders within the district, and any
212.25 other entity deemed necessary by the district's chief judge.

212.26 **EFFECTIVE DATE.** Paragraphs (a), (b), and (c) are effective April 15, 2022. Paragraph
212.27 (d) is effective the day following final enactment.

609.5317 REAL PROPERTY; SEIZURES.

Subdivision 1. **Rental property.** (a) When contraband or a controlled substance manufactured, distributed, or acquired in violation of chapter 152 is seized on residential rental property incident to a lawful search or arrest, the prosecuting authority shall give the notice required by this subdivision to (1) the landlord of the property or the fee owner identified in the records of the county assessor, and (2) the agent authorized by the owner to accept service pursuant to section 504B.181. The notice is not required during an ongoing investigation. The notice shall state what has been seized and specify the applicable duties and penalties under this subdivision. The notice shall state that the landlord who chooses to assign the right to bring an eviction action retains all rights and duties, including removal of a tenant's personal property following issuance of the writ of recovery and delivery of the writ to the sheriff for execution. The notice shall also state that the landlord may contact the prosecuting authority if threatened by the tenant. Notice shall be sent by certified letter, return receipt requested, within 30 days of the seizure. If receipt is not returned, notice shall be given in the manner provided by law for service of summons in a civil action.

(b) Within 15 days after notice of the first occurrence, the landlord shall bring, or assign to the prosecuting authority of the county in which the real property is located, the right to bring an eviction action against the tenant. The assignment must be in writing on a form prepared by the prosecuting authority. Should the landlord choose to assign the right to bring an eviction action, the assignment shall be limited to those rights and duties up to and including delivery of the writ of recovery to the sheriff for execution.

(c) Upon notice of a second occurrence on any residential rental property owned by the same landlord in the same county and involving the same tenant, and within one year after notice of the first occurrence, the property is subject to forfeiture under sections 609.531, 609.5311, 609.5313, and 609.5315, unless an eviction action has been commenced as provided in paragraph (b) or the right to bring an eviction action was assigned to the prosecuting authority as provided in paragraph (b). If the right has been assigned and not previously exercised, or if the prosecuting authority

requests an assignment and the landlord makes an assignment, the prosecuting authority may bring an eviction action rather than an action for forfeiture.

(d) The Department of Corrections Fugitive Apprehension Unit shall not seize real property for the purposes of forfeiture as described in paragraphs (a) to (c).

Subd. 2. **Additional remedies.** Nothing in subdivision 1 prevents the prosecuting authority from proceeding under section 609.5311 whenever that section applies.

Subd. 3. **Defenses.** It is a defense against a proceeding under subdivision 1, paragraph (b), that the tenant had no knowledge or reason to know of the presence of the contraband or controlled substance or could not prevent its being brought onto the property.

It is a defense against a proceeding under subdivision 1, paragraph (c), that the landlord made every reasonable attempt to evict a tenant or to assign the prosecuting authority the right to bring an eviction action against the tenant, or that the landlord did not receive notice of the seizure.

Subd. 4. **Limitations.** This section shall not apply if the retail value of the controlled substance is less than \$100, but this section does not subject real property to forfeiture under section 609.5311 unless the retail value of the controlled substance is: (1) \$1,000 or more; or (2) there have been two previous controlled substance seizures involving the same tenant.
