The responsibilities and duties of a school protection officer are voluntary and shall be in addition to the normal responsibilities and duties of the teacher or administrator. Any compensation for additional duties relating to service as a school protection officer shall be funded by the local school district, with no state funds used for such purpose.

20 of the student shall also be immediately notified by a school administrator.

21 5. Any person detained by a school protection officer shall be turned over to a school
22 administrator or law enforcement officer as soon as practically possible and shall not be detained

48 shall not be subject to a request for public records made under chapter 610.

49 9. A school district may revoke the designation of a person as a school protection officer
50 for any reason and shall immediately notify the designated school protection officer in writing
51 of the revocation. The school district shall also within thirty days of the revocation notify the
52 director of the department of public safety in writing of the revocation of the designation of such

53 person as a school protection officer. A person who has had the designation of school protection
54 officer revoked has no right to appeal the revocation decision.

55 10. The director of the department of public safety shall maintain a listing of all persons
56 designated by school districts as school protection officers and shall make this list available to
57 all law enforcement agencies.

58 11. Before a school district may designate a teacher or administrator as a school
59 protection officer, the school board shall hold a public hearing on whether to allow such
60 designation. Notice of the hearing shall be published at least fifteen days before the date of the
61 hearing in a newspaper of general circulation within the city or county in which the school
62 district is located. The board may determine at a closed meeting, as "closed meeting" is defined
63 under section 610.010, whether to authorize the designated school protection officer to carry a
64 concealed firearm or a self-defense spray device.

69 **"Under Missouri law this school and its staff are authorized to meet threats to**
70 **student safety with deadly force if necessary."**

71 **13. If a school district has no employee in the district with authorization to carry**
72 **a concealed firearm as of October first of any school year, the district shall, by November**
73 **first of such school year, send a written notice, in fourteen-point font, to the parent or**
74 **guardian of any student enrolled in the district that describes the district's authority under**

4 written policy on information that the charter school provides about former employees, both

13 **a former employee, information regarding any violation of the published regulations of the**
14 **board of education of the district or the governing body of the charter school by the former**
15 **employee if such violation related to abusive behavior toward a student and was**
16 **determined to be an actual violation by the board of the district or the governing body of**
17 **the charter school.**

18 2. Any school district or charter school that employs a person about whom the children's
19 division conducts an investigation involving allegations of sexual misconduct with a student and
20 reaches a finding of substantiated shall immediately suspend the employment of such person,
21 notwithstanding any other provision of law, but the district or charter school may return the
22 person to his or her employment if the child abuse and neglect review board's finding that the
23 allegation is substantiated is reversed by a court on appeal and becomes final. Nothing shall
24 preclude a school district or charter school from otherwise lawfully terminating the employment
25 of any employee about whom there has been a finding of unsubstantiated resulting from an
26 investigation by the children's division involving allegations of sexual misconduct with a student.

27 3. Any employee who is permitted to respond to requests for information regarding
28 former employees under a policy adopted by his or her school district or charter school under

42 disclose the allegations of sexual misconduct when furnishing a reference for the former
43 employee or responding to a potential employer's request for information regarding such
44 employee, the district or charter school shall be directly liable for damages to any student of a
45 subsequent employing district or charter school who is found by a court of competent jurisdiction
46 to be a victim of the former employee's sexual misconduct, and the district or charter school shall
47 bear third-party liability to the employing district or charter school for any legal liability, legal

48 fees, costs, and expenses incurred by the employing district or charter school caused by the
49 failure to disclose such information to the employing district or charter school.
