30 when such accommodations may be necessary to afford such person equal opportunity to use and

44 d. Usable kitchens and bathrooms such that an individual in a wheelchair can maneuver
45 about the space.

46 3. As used in subdivision (3) of subsection 2 of this section, the term "covered multifamily
47 dwelling" means:

48 (1) Buildings consisting of four or more units if such buildings have one or more elevators;
49 and

1 (2) Ground floor units in other buildings consisting of four or more units.

2 4. Compliance with the appropriate requirements of the American National Standard for
3 Buildings and Facilities providing accessibility and usability for people with physical disabilities,
4 commonly cited as "ANSI A117.1", suffices to satisfy the requirements of paragraph (a) of
5 subdivision (3) of subsection 2 of this section.

6 5. Where a unit of general local government has incorporated into its laws the requirements
7 set forth in subdivision (3) of subsection 2 of this section, compliance with such laws shall be
8 deemed to satisfy the requirements of that subdivision. Such compliance shall be subject to the
9 following provisions:

10 (1) A unit of general local government may review and approve newly constructed covered
11 multifamily dwellings for the purpose of making determinations as to whether the design and
12 construction requirements of subdivision (3) of subsection 2 of this section are met;

13 (2) The commission shall encourage, but may not require, the units of local government to

17 assistance to units of local government and other persons to implement the requirements of
18 subdivision (3) of subsection 2 of this section;

19 (3) Nothing in this chapter shall be construed to require the commission to review or
20 approve the plans, designs or construction of all covered dwellings, to determine whether the design
21 and construction of such dwellings are consistent with the requirements of subdivision (3) of
22 subsection 2 of this section.

23 6. Nothing in this chapter shall be construed to invalidate or limit any law of the state or
24 political subdivision of the state, or other jurisdiction in which this chapter shall be effective, that
25 requires dwellings to be designed and constructed in a manner that affords persons with disabilities
26 greater access than is required by this chapter.

27 7. Nothing in this section and sections 213.045 and 213.050 requires that a dwelling be
28 made available to an individual whose tenancy would constitute a direct threat to the health or safety
29 of other individuals or whose tenancy would result in substantial physical damage to the property of
30 others.

31 8. Nothing in this section and sections 213.045 and 213.050 limits the applicability of any
32 reasonable local or state restriction regarding the maximum number of occupants permitted to
33 occupy a dwelling, nor does any provision in this section and sections 213.045 and 213.050
34 regarding familial status apply with respect to housing for older persons.

35 9. As used in this section and sections 213.045 and 213.050, "housing for older persons"

39 program;

40 (2) Intended for, and solely occupied by, persons sixty-two years of age or older; or

41 (3) Intended and operated for occupancy by at least one person fifty-five years of age or
42 older per unit. In determining whether housing qualifies as housing for older persons under this
43 subsection, the commission shall develop regulations which require at least the following factors:

44 (a) The existence of significant facilities and services specifically designed to meet the
45 physical or social needs of older persons, or if the provision of such facilities and services is not
46 practicable, that such housing is necessary to provide important housing opportunities for older
47 persons; and

48 (b) That at least eighty percent of the units are occupied by at least one person fifty-five
49 years of age or older per unit; and

1 (c) The publication of, and adherence to, policies and procedures which demonstrate an
2 intent by the owner or manager to provide housing for persons fifty-five years of age or older.

3 10. Housing shall not fail to meet the requirements for housing for older persons by reason
4 of:

5 (1) Persons residing in such housing as of August 28, 1992, who do not meet the age
6 requirements of subdivision (2) or (3) of subsection 9 of this section, provided that new occupants of
7 such housing meet the age requirements of subdivision (2) or (3) of subsection 9 of this section; or

8 (2) Unoccupied units, provided that such units are reserved for occupancy by persons who
9 meet the age requirements of subdivision (2) or (3) of subsection 9 of this section.

10 11. Nothing in this section or section 213.045 or 213.050 shall prohibit conduct against a
11 person because such person has been convicted by any court of competent jurisdiction of the illegal
12 manufacture or distribution of a controlled substance, as defined by section 195.010.

13 12. Nothing in this chapter shall prohibit a religious organization, association, or society, or
14 any nonprofit institution or organization operated, supervised or controlled by or in conjunction with
15 a religious organization, association, or society, from limiting the sale, rental or occupancy of
16 dwellings which it owns or operates for other than a commercial purpose to persons of the same
17 religion, or from giving preference to such persons, unless membership in such religion is restricted
18 on account of race, color, or national origin. Nor shall anything in this chapter prohibit a private
19 club not in fact open to the public, which as an incident to its primary purpose or purposes provides
20 lodging which it owns or operates for other than a commercial purpose, from limiting the rental or
21 occupancy of such lodging to its members or from giving preference to its members.

22 13. Nothing in this chapter, other than the prohibitions against discriminatory advertising in
23 subdivision (3) of subsection 1 of this section, shall apply to:

24 (1) The sale or rental of any single family house by a private individual owner, provided the
25 following conditions are met:

26 (a) The private individual owner does not own or have any interest in more than three single
27 family houses at any one time; and

28 (b) The house is sold or rented without the use of a real estate broker, agent or salesperson
29 or the facilities of any person in the business of selling or renting dwellings and without publication,
30 posting or mailing of any advertisement. If the owner selling the house does not reside in it at the
31 time of the sale or was not the most recent resident of the house prior to such sale, the exemption in
32 this section applies to only one such sale in any twenty-four-month period; or

33 (2) Rooms or units in dwellings containing living quarters occupied or intended to be
34 occupied by no more than four families living independently of each other, if the owner actually
35 maintains and occupies one of such living quarters as his or her residence.

36 213.045. It shall be unlawful for any bank, building and loan association, insurance
37 company, or other corporation, association, firm, or enterprise whose business consists in whole or
38 in part in the making of commercial real estate loans, to deny a loan or other financial assistance
39 because of race, color, religion, national origin, ancestry, sex, sexual orientation, gender identity,
40 disability, or familial status to a person applying therefor for the purpose of purchasing,
41 ~~[construction]~~ constructing, improving, repairing, or maintaining a dwelling, or to discriminate
42 against ~~[him]~~ such person in fixing of the amount, interest rate, duration, or other terms or
43 conditions of such loan or other financial assistance, because of the race, color, religion, national
44 origin, ancestry, sex, sexual orientation, gender identity, disability, or familial status of such person
45 or of any person associated with ~~[him]~~ such person in connection with such loan or other financial
46 assistance, or of the present or prospective owners, lessees, tenants, or occupants, of the dwellings in
47 relation to which such loan or other financial assistance is to be made or given.

48 213.050. It shall be unlawful to deny any person access to or membership or participation in
49 any multiple listing service, real estate brokers' organization or other service organization, or facility

1 relating to the business of selling or renting dwellings, because of race, color, religion, national
2 origin, ancestry, sex, sexual orientation, gender identity, disability, or familial status.

8 privileges of employment, because of such individual's race, color, religion, national origin, sex,
9 sexual orientation, gender identity, ancestry, age₂, or disability;

10 (b) To limit, segregate, or classify [his] such employer's employees or [his] such employer's
11 employment applicants in any way which would deprive or tend to deprive any individual of
12 employment opportunities or otherwise adversely affect [his] such individual's status as an
13 employee, because of such individual's race, color, religion, national origin, sex, sexual orientation,
14 gender identity, ancestry, age₂, or disability;

15 (2) For a labor organization to exclude or to expel from its membership any individual or to
16 discriminate in any way against any of its members or against any employer or any individual
17 employed by an employer because of race, color, religion, national origin, sex, sexual orientation,
18 gender identity, ancestry, age₂, or disability of any individual; or to limit, segregate, or classify its
19 membership, or to classify or fail or refuse to refer for employment any individual, in any way
20 which would deprive or tend to deprive any individual of employment opportunities, or would limit
21 such employment opportunities or otherwise adversely affect [his] such individual's status as an
22 employee or as an applicant for employment, because of such individual's race, color, religion,
23 national origin, sex, sexual orientation, gender identity, ancestry, age₂, or disability; or for any
24 employer, labor organization, or joint labor-management committee controlling apprenticeship or
25 other training or retraining, including on-the-job training programs to discriminate against any
26 individual because of [his] such individual's race, color, religion, national origin, sex, sexual

28 program established to provide apprenticeship or other training;

29 (3) For any employer or employment agency to print or circulate or cause to be printed or
30 circulated any statement, advertisement or publication, or to use any form of application for
31 employment or to make any inquiry in connection with prospective employment, which expresses,
32 directly or indirectly, any limitation, specification, or discrimination, because of race, color, religion,
33 national origin, sex, sexual orientation, gender identity, ancestry, age₂, or disability unless based upon
34 a bona fide occupational qualification or for an employment agency to fail or refuse to refer for
35 employment, or otherwise to discriminate against, any individual because of his or her race, color,
36 religion, national origin, sex, sexual orientation, gender identity, ancestry, age as it relates to
37 employment, or disability, or to classify or refer for employment any individual because of his or her

40 2. Notwithstanding any other provision of this chapter, it shall not be an unlawful
41 employment practice for an employer to apply different standards of compensation, or different
42 terms, conditions or privileges of employment pursuant to a bona fide seniority or merit system, or a
43 system which measures earnings by quantity or quality of production or to employees who work in
44 different locations, provided that such differences or such systems are not the result of an intention
45 or a design to discriminate, and are not used to discriminate, because of race, color, religion, sex,
46 sexual orientation, gender identity, national origin, ancestry, age₂, or disability, nor shall it be an
47 unlawful employment practice for an employer to give and to act upon the results of any
48 professionally developed ability test, provided that such test, its administration, or action upon the
49 results thereof, is not designed, intended or used to discriminate because of race, color, religion,

1 national origin, sex, sexual orientation, gender identity, ancestry, age, or disability.

2 3. Nothing contained in this chapter shall be interpreted to require any employer,
3 employment agency, labor organization, or joint labor-management committee subject to this
4 chapter to grant preferential treatment to any individual or to any group because of the race, color,
5 religion, national origin, sex, sexual orientation, gender identity, ancestry, age, or disability of such
6 individual or group on account of an imbalance which may exist with respect to the total number or
