BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF MONTANA:

NEW SECTION. Section 1. Shooting range exemption -- beneficial use tax exemption -- costs and attorney fees.

(1) Pursuant to 5-4-104, the legislature finds that preserving and protecting a system of safe and suitable places for people to discharge firearms serves the health, safety, and welfare of the people of Montana.

(2) Subject to subsections (3) through (6), the buildings, improvements, and appurtenant land of up to 150 acres owned by a shooting range organization and reasonably necessary for its use as a shooting range are exempt from property taxation. A person shall apply for an exemption under this section by May 1 of the tax year for which the exemption is first sought.

(3) An organization is exempt if the organization:

(a) is incorporated and admitted under the Montana Nonprofit Corporation Act as provided in Title 35, chapter 2, and is in good standing under the laws of this state;

(b) has been an active shooting range continuously for 5 years;

(c) is an association, club, or organization that:

(i) accepts in its membership any person who holds or is eligible to hold a Montana hunting license;

(ii) does not limit the number of members; and

(iii) charges a membership fee not greater than the per-member share of the organization's reasonable cost of provision of services, including establishment, improvement, and maintenance of shooting facilities and other membership services.

(4) Buildings and land exempted under this section must be appraised, assessed, and subject to levies for a special improvement district if the special improvement directly benefits the buildings or land.

1 (5) A shooting range organization that is exempted under this section may:

2 (a) sell food and beverages to users of the shooting range if it is licensed to sell food and beverages
3 under the laws of this state;

4 (b) allow a member to receive compensation for firearms training courses that are provided by a member;
5 and

6 (c) allow the shooting range to be used for a public purpose regardless of whether compensation is
7 received, including but not limited to use by the national guard, the Montana home guard, the United States
8 armed forces, law enforcement, hunter safety instructors, hunter education students, firearms safety students,
9 and employees of the department of fish, wildlife, and parks.

10 (6) A person, association, club, entity, or organization that utilizes a tax-exempt shooting range to
11 conduct the activities provided in subsection (5) may not be assessed a tax as a beneficial user of tax-exempt
12 property.

13 (7) An organization may be awarded costs and reasonable attorney fees from the department if the
14 organization prevails in a court action that challenges its tax-exempt status. A court may award costs and fees
15 regardless of whether the department's claim or defense was reasonable.
