

Assembly Bill No. 23—Committee on  
Legislative Operations and Elections

CHAPTER.....

AN ACT relating to elections; revising provisions governing regulations that the Secretary of State must adopt regarding the conduct of elections; changing the date of the general city election in certain cities that hold such elections in odd-numbered years; amending provisions relating to committees for political action and independent expenditures made for the purpose of affecting the outcome of elections; revising the beginning and ending dates of the period during which certain limits apply to the amount that may be committed or contributed to a candidate or a legal defense fund; providing that a petition to recall a public officer may only be signed by a registered voter who actually voted in the election at which the public officer was elected; revising other provisions governing recall petitions and elections; and providing other matters properly relating thereto.

**Legislative Counsel’s Digest:**

Existing law requires the Secretary of State to adopt regulations governing the conduct of primary, general, special and district elections. (NRS 293.247) **Section 1** of this bill makes various changes to the types of regulations that the Secretary of State must adopt governing the conduct of elections.

Existing law provides that certain cities must hold a general city election on the first Tuesday after the first Monday in June in odd-numbered years. (NRS 293C.140, 293C.145; Boulder City Charter § 96; Caliente City Charter § 5.010; Henderson City Charter § 5.020; Las Vegas City Charter § 5.020; North Las Vegas City Charter § 5.010; Yerington City Charter § 5.010) **Sections 1.3, 1.5, 7-13 and 15** of this bill change the date of the general city election in those cities so that it occurs 1 week later on the second Tuesday after the first Monday in June in odd-numbered years. **Sections 4-6** of this bill make the same change in the election date to the second Tuesday after the first Monday in June in odd-numbered years for certain local special elections seeking voter approval of certain local taxes and debt obligations. (NRS 350.020, 354.5982, 387.3285)

During the 77th Session of the Legislature in 2013, the Legislature enacted legislation that amended the definition of the term “committee for political action” in the campaign finance laws to include certain businesses or organizations that make expenditures of a certain amount in a calendar year for the purpose of affecting the outcome of any election or question on the ballot. (NRS 294A.0055, 294A.230; chapter 259, Statutes of Nevada 2013, pp. 1149-51) In 2013, the Legislature also enacted legislation that added a definition of the term “independent expenditure” to the campaign finance laws, but this newly defined term was not incorporated into the definition of the term “committee for political action.” (NRS 294A.0077; chapter 425, Statutes of Nevada 2013, p. 2379) **Sections 1.7 and 2.1** of this bill harmonize the 2013 legislation by incorporating the term “independent expenditure” into the definition of the term “committee for political action.”

Under existing law, a person may not contribute or commit to contribute more than \$5,000 for a primary election and \$5,000 for a general election to a candidate

for state, district, county or township office during the period beginning 30 days before the start of the regular session of the Legislature immediately after a general election for that office and ending 30 days before the start of the regular session of the Legislature immediately following the next general election for that office. During the same period, a person is prohibited from making or committing to make a contribution to a legal defense fund of a candidate or public officer in an amount which exceeds \$10,000. Existing law also prohibits a candidate or public officer, as applicable, from accepting a contribution or commitment to make a contribution in excess of those amounts. (Nev. Const. Art. 2, § 10; NRS 294A.100, 294A.287) **Section 2** of this bill changes the period to which those contribution limits apply so that the period begins on January 1 immediately after a general election for an office and ends on December 31 immediately after the next general election for that office.

Existing law provides that a violation of the contribution limits to a candidate or a legal defense fund is a category E felony. (NRS 294A.100, 294A.287) **Section 14** of this bill provides that certain contributions made or committed to be made under existing law at the end of the contribution periods in early January 2011, 2013 or 2015 shall be deemed to have been made or committed to be made on December 31, 2010, 2012 or 2014, respectively, so that no person is guilty retrospectively of committing a crime as a result of the changes made by **section 2**.

Existing law requires a committee for the recall of a public officer to report certain contributions received and expenditures made by the committee during its recall efforts. Existing law also requires such a committee to comply with the reporting requirements when it does not submit a legally sufficient recall petition to the filing officer before the expiration of the period for circulating the petition for signatures. (NRS 294A.270, 294A.280) **Sections 2.3 and 2.5** of this bill clarify that such a committee must comply with the reporting requirements if it: (1) fails to submit the petition to the filing officer; (2) submits the petition to the filing officer without any valid signatures or with fewer than the necessary number of valid signatures; or (3) otherwise submits a legally insufficient petition or suspends or ceases its efforts to obtain the necessary number of valid signatures.

Finally, in *Strickland v. Waymire*, 126 Nev. 230, 240 (2010), the Nevada Supreme Court held that Section 9 of Article 2 of the Nevada Constitution provides that, “[w]hile all registered voters can vote at a special recall election, only voters who voted at the relevant baseline election can qualify a recall petition” by signing a petition for the recall. **Section 3** of this bill conforms existing law to this ruling. (NRS 306.020)

Every public officer in the State of Nevada is subject to recall from office by the registered voters of the State or of the county, district or municipality that the public officer represents, as provided in this chapter and Section 9 of Article 2 of the Constitution of the State of Nevada. A public officer who is

appointed to an elective office is subject to recall in the same manner as provided for an officer who is elected to that office.

2. The petition to recall a public officer may be signed by any registered voter of the State or of the county, district, municipality or portion thereof that the public officer represents ~~[-, regardless of whether the registered voter cast a ballot]~~ *who actually voted* in the election at which the public officer was elected.

3. The petition must, in addition to setting forth the reason why the recall is demanded:

(a) Contain the residence addresses of the signers and the date that the petition was signed;

(b) Contain a statement of the minimum number of signatures necessary to the validity of the petition;

(c) Contain at the top of each page and immediately above the signature line, in at least 10-point bold type, the words "Recall Petition";

(d) Include the date that a notice of intent was filed; and

(e) Have the designation: "Signatures of registered voters seeking the recall of ..... (name of public officer for whom recall is sought)" on each page if the petition contains more than one page.

**Sec. 4.** NRS 350.020 is hereby amended to read as follows:

350.020 1. Except as otherwise provided by subsections 3 and 4, if a municipality proposes to issue or incur general obligations, the proposal must be submitted to the electors of the municipality at a special election called for that purpose or the next general municipal election or general state election.

2. Such a special election may be held:

(a) At any time, including, without limitation, on the date of a primary municipal election or a primary state election, if the governing body of the municipality determines, by a unanimous vote, that an emergency exists; or

(b) On the ~~first~~ *second* Tuesday after the first Monday in June of an odd-numbered year, *whether or not the municipality also holds a general municipal election on that date,*

↳ except that the governing body shall not determine that an emergency exists if the special election is for the purpose of submitting to the electors a proposal to refund bonds. The determination made by the governing body is conclusive unless it is shown that the governing body acted with fraud, a gross abuse of discretion or in violation of the provisions of this subsection. An action to challenge the determination made by the governing body must be commenced within 15 days after the governing body's

determination is final. As used in this subsection, “emergency” means any occurrence or combination of occurrences which requires immediate action by the governing body of the municipality to prevent or mitigate a substantial financial loss to the municipality or to enable the governing body to provide an essential service to the residents of the municipality.

3. If payment of a general obligation of the municipality is additionally secured by a pledge of gross or net revenue of a project to be financed by its issue, and the governing body determines, by an affirmative vote of two-thirds of the members elected to the governing body, that the pledged revenue will at least equal the amount required in each year for the payment of interest and principal, without regard to any option reserved by the municipality for early redemption, the municipality may, after a public hearing, incur this general obligation without an election unless, within 90 days after publication of a resolution of intent to issue the bonds, a petition is presented to the governing body signed by not less than 5 percent of the registered voters of the municipality. Any member elected to the governing body whose authority to vote is limited by charter, statute or otherwise may vote on the determination required to be made by the governing body pursuant to this subsection. The determination by the governing body becomes conclusive on the last day for filing the petition. For the purpose of this subsection, the number of registered voters must be determined as of the close of registration for the last preceding general election. The resolution of intent need not be published in full, but the publication must include the amount of the obligation and the purpose for which it is to be incurred. Notice of the public hearing must be published at least 10 days before the day of the hearing. The publications must be made once in a newspaper of general circulation in the municipality. When published, the notice of the public hearing must be at least as large as 5 inches high by 4 inches wide.

4. The board of trustees of a school district may issue general obligation bonds which are not expected to result in an increase in the existing property tax levy for the payment of bonds of the school district without holding an election for each issuance of the bonds if the qualified electors approve a question submitted by the board of trustees that authorizes issuance of bonds for a period of 10 years after the date of approval by the voters. If the question is approved, the board of trustees of the school district may issue the bonds for a period of 10 years after the date of approval by the voters, after obtaining the approval of the debt management commission in the county in which the school district is located and, in a county whose

population is 100,000 or more, the approval of the oversight panel for school facilities established pursuant to NRS 393.092 in that county, if the board of trustees of the school district finds that the existing tax for debt service will at least equal the amount required to pay the principal and interest on the outstanding general obligations of the school district and the general obligations proposed to be issued. The finding made by the board of trustees is conclusive in the absence of fraud or gross abuse of discretion. As used in this subsection, "general obligations" does not include medium-term obligations issued pursuant to NRS 350.087 to 350.095, inclusive.

5.
