AN ACT relating to marriage; revising provisions relating to fees charged and collected for the issuance of a marriage license; authorizing a board of county commissioners to adopt an ordinance imposing an additional fee for the issuance of a marriage license which must be used to promote marriage tourism in the county; authorizing a county to provide a space at certain county clerk offices for the display of informational brochures of certain persons who perform weddings; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Section 1 of this bill authorizes a county whose population is 100,000 or more (currently Clark and Washoe Counties) to provide a space outside each office and branch office of the county clerk in which a commercial wedding chapel, a licensed business which operates principally for the performance of weddings in the county or a church or religious organization incorporated, organized or established in this State may place informational brochures for display.

Under existing law, the county clerk is required to collect certain fees for the issuance of a marriage license. **Sections 4 and 56** of this bill authorize a board of county commissioners in a county whose population is 700,000 or more (currently Clark County) to adopt an ordinance imposing an additional fee of not more than \$14 for the issuance of a marriage license. Under **section 56**, if a board of county commissioners adopts such an ordinance, the fee must be deposited in a special revenue fund designated as the fund for the promotion of marriage tourism, and money in the fund must be used by the county clerk to promote marriage tourism in the county. **Section 4** also specifically states that any administrative fee charged and collected by a county clerk’s office, including, without limitation, a fee for providing a copy of a marriage license, is separate from any fee charged and collected for the issuance of a marriage license.
