1       **Merchant codes - Limitations.**

- 2       1. Except for those records kept during the regular course of a criminal investigation and  
3       prosecution or merchant marketing campaigns, a government entity or any official,

5       be kept any list, record, or registry of privately owned firearms or firearm owners.
- 6       2. A financial entity or its agent may not require any merchant located in this state to use  
7       a firearm or ammunition merchant category code or any code that differentiates the  
8       sale of firearms or ammunition from other sporting goods or general merchandise.
- 9       3. A financial entity may not use a firearms code to engage in the following discriminatory

- 13      b. Taking any action against a customer which is intended to suppress or track  
14      lawful commerce involving firearms or ammunition.

15      **Investigation of financial entities.**

- 16      1. The attorney general shall investigate alleged violations under this chapter and shall  
17      provide a written notice to any person in violation. A person that has received a written

19      calendar days.
- 20      2. The attorney general may pursue, and a court may order, an injunction against any

22      thirty days from receipt of written notice.
- 23      3. If the attorney general finds a financial entity willfully violated this chapter, the attorney  
24      general shall assess a fee of five thousand dollars for the first violation and ten  
25      thousand dollars for each additional violation. Fees collected under this section must  
26      be deposited into the merchant code violation fund. A financial entity desiring to appeal  
27      the attorney general's finding of a violation under this chapter may appeal the finding  
28      in accordance with chapter 28-32.
- 29      4. Information disclosed to a federal government entity is not a defense to any civil action  
30      filed under this section, unless the disclosure or action is required by federal law or  
31      regulation.

1        **Merchant code violation fund - Continuing appropriation.**

2        There is created in the state treasury the merchant code violation fund. The fund consists of
