A BILL

To enact section 2305.2310 of the Revised Code to
provide civil immunity for architects,
contractors, engineers, surveyors, and
tradespersons providing volunteer services
during a declared emergency.

BE IT ENACTED BY THE GENERAL ASSEMBLY OF THE STATE OF OHIO:

Section 1. That section 2305.2310 of the Revised Code be
enacted to read as follows:

Sec. 2305.2310. (A) A volunteer who is an architect,
contractor, engineer, surveyor, or tradesperson shall not be
liable in damages in a civil action for any injury, loss to
person or property, or wrongful death related to the volunteer's
acts, errors, or omissions in the performance of any
professional services or construction services for any
structure, building, piping, or other engineered system, either
publicly or privately owned.

(B)(1) The immunity provided in this section shall only
apply to professional services or construction services provided
during a declared emergency and to professional services or

construction services provided not more than ninety days after 19
the end of the period of the declared emergency. 20

(2) If the governor, under the governor's emergency 21
executive powers, extends the period of declared emergency, the 22
immunity provided under this section shall apply to services 23
provided not more than ninety days after the end of the extended 24
period of emergency. 25

(C) Nothing in this section shall provide immunity for 26
wanton, willful, or intentional misconduct. 27
