Wholesalers shall be authorized to place such signs outside their place of business as are required by Acts of Congress and by such laws and regulations promulgated under such Acts.

2. Wholesalers are prohibited from purchasing annually in excess of fifteen percent (15%) of their total spirits inventory and fifteen percent (15%) of their total wine inventory from one or more wholesalers. Wholesalers are also prohibited from purchasing annually in excess of fifteen percent (15%) of their inventory of any individual brand of spirits or wine from one or more wholesalers. The volume of spirits and wine and of each brand that each wholesaler is permitted to purchase annually from other wholesalers shall be calculated by the ABLE Commission by multiplying fifteen percent (15%) by:

- a. the total volume of spirits sales of the wholesaler, by liter, from the previous calendar year, and
- b. the total volume of wine sales of the wholesaler, by liter, from the previous calendar year, and
- c. the volume of sales of each brand of spirits or wine of the wholesaler, by liter, from the previous calendar year.

A wholesaler who did not post any sales of spirits, wine or of a particular brand in the previous calendar year shall be deemed to have sold the same volume of spirits, wine or of a particular brand as the wholesaler posting the smallest volumes of sales in spirits, wine or of a particular brand for that year for the purposes of this paragraph. All purchase orders for these top eighteen brands must show an expected due delivery date. These purchase orders may only be canceled with prior approval of the Director of the ABLE Commission, unless a wholesaler shall have in its warehouse a fifteen-day supply of merchandise on such purchase order.

Such affidavits shall be submitted in conjunction with the original price postings of wholesalers.

A fifteen-day supply of a particular brand for a particular wholesaler shall be based upon the market share of the wholesaler, determined by first multiplying the total number of liters of such brand sold by all wholesalers to all retailers during the previous calendar year by the percentage that the total sales of wine and spirits of the particular wholesaler, in liters, for such calendar year bears to the total sales of wine and spirits, in liters, reported by all wholesalers for such calendar year; and then dividing by twenty-four (24); provided, that a fifteen-day supply for a wholesaler who has not been in business for the entirety of the previous calendar year shall be deemed to be equal to that of the wholesaler who was in business for the entirety of the previous calendar year and who reported the lowest volume of sales of wine and spirits, in liters, of any wholesaler having been in business for such period.

Section 2902. A. Except as otherwise provided by subsection H of Section 3658 of this title pursuant to which the exemption authorized by this section may not be claimed, a qualifying manufacturing concern, as defined by Section 6B of Article X of the Oklahoma Constitution, and as further defined herein, shall be exempt from the levy of any ad valorem taxes upon new, expanded or acquired manufacturing facilities, including facilities engaged in research and development, for a period of five (5) years. The provisions of Section 6B of Article X of the Oklahoma Constitution requiring an existing facility to have been unoccupied for a period of twelve (12) months prior to acquisition shall be construed as a qualification for a facility to initially receive an exemption, and shall not be deemed to be a qualification for that facility to continue to receive an exemption in each of the four (4) years following the initial year for which the exemption was granted. Such facilities are hereby classified for the purposes of taxation as provided in Section 22 of Article X of the Oklahoma Constitution.

B. For purposes of this section, the following definitions shall apply:

1. "Manufacturing facilities" means facilities engaged in the mechanical or chemical transformation of materials or substances

into new products and except as provided by paragraph 8 of subsection C of this section shall include:

Eligibility as a manufacturing facility pursuant to this subparagraph shall be established, subject to review by the Oklahoma Tax Commission, by annually filing an affidavit with the Tax Commission stating that the facility so qualifies and such other information as required by the Tax Commission. For purposes of determining whether annual gross revenues are derived from sales to out-of-state buyers, all sales to the federal government shall be considered to be an out-of-state buyer,
- d. for which the investment cost of the construction, acquisition or expansion of the manufacturing facility is Two Hundred Fifty Thousand Dollars (\$250,000.00) or more. Provided, "investment cost" shall not include the cost of direct replacement, refurbish, repair or maintenance of existing machinery or equipment, and
- e. establishments primarily engaged in distribution as defined under Industry Numbers 49311, 49312, 49313 and 49319 and Industry Sector Number 42 of the NAICS

Manual, latest revision, and which meet the following qualifications:

- (4) commencement of construction on or after November 1, 2007, with construction to be completed within three (3) years from the date of the commencement of construction.

Eligibility as a manufacturing facility pursuant to this subparagraph shall be established, subject to review by the Tax Commission, by annually filing an affidavit with the Tax Commission stating that the facility so qualifies and containing such other information as required by the Tax Commission.

Provided, eating and drinking places, as well as other retail establishments, shall not qualify as manufacturing facilities for purposes of this section, nor shall centrally assessed properties.

Eligibility as a manufacturing facility pursuant to this subparagraph shall be established, subject to review by the Tax Commission, by annually filing an application with the Tax Commission stating that the facility so qualifies and containing such other information as required by the Tax Commission;

2. "Facility" and "facilities" means and includes the land, buildings, structures, improvements, machinery, fixtures, equipment and other personal property used directly and exclusively in the manufacturing process; and

3. "Research and development" means activities directly related to and conducted for the purpose of discovering, enhancing,

increasing or improving future or existing products or processes or productivity.

C. The following provisions shall apply:

1. A manufacturing concern shall be entitled to the exemption herein provided for each new manufacturing facility constructed, each existing manufacturing facility acquired and the expansion of existing manufacturing facilities on the same site, as such terms are defined by Section 6B of Article X of the Oklahoma Constitution and by this section;

2. Except as otherwise provided in paragraph 5 of this subsection, no manufacturing concern shall receive more than one five-year exemption for any one manufacturing facility unless the expansion which qualifies the manufacturing facility for an additional five-year exemption meets the requirements of paragraph 4 of this subsection and the employment level established for any previous exemption is maintained;

3. Any exemption as to the expansion of an existing manufacturing facility shall be limited to the increase in ad valorem taxes directly attributable to the expansion;

4. Except as provided in paragraphs 5 and 6 of this subsection, all initial applications for any exemption for a new, acquired or expanded manufacturing facility shall be granted only if:

- a. there is a net increase in annualized base payroll over the initial payroll of at least Two Hundred Fifty Thousand Dollars (\$250,000.00) if the facility is located in a county with a population of fewer than seventy-five thousand (75,000), according to the most recent Federal Decennial Census, while maintaining or increasing base payroll in subsequent years, or at least One Million Dollars (\$1,000,000.00) if the facility is located in a county with a population of seventy-five thousand (75,000) or more, according to the most recent Federal Decennial Census, while maintaining or increasing base payroll in subsequent years; provided the payroll requirement of this subparagraph shall be waived for claims for exemptions, including claims previously denied or on appeal on March 3, 2010, for all initial applications for exemption filed on or after January 1, 2004, and

on or before March 31, 2009, and all subsequent annual exemption applications filed related to the initial application for exemption, for an applicant, if the facility has been located in Oklahoma for at least fifteen (15) years engaged in marine engine manufacturing as defined under U.S. Industry Number 333618 of the NAICS Manual, latest revision, and has maintained an average employment of five hundred (500) or more full-time-equivalent employees over a ten-year period. Any applicant that qualifies for the payroll requirement waiver as outlined in the previous sentence and subsequently closes its Oklahoma manufacturing plant prior to January 1, 2012, may be disqualified for exemption and subject to recapture. For an applicant engaged in paperboard manufacturing as defined under U.S. Industry Number 322130 of the NAICS Manual, latest revision, union master payouts paid by the buyer of the facility to specified individuals employed by the facility at the time of purchase, as specified under the purchase agreement, shall be excluded from payroll for purposes of this section.

In order to provide certainty with respect to investments in manufacturing facilities pertaining to all initial applications for exemption filed on or after January 1, 2016, the following definitions shall apply:

- (1) "base payroll" shall mean total payroll adjusted for any nonrecurring bonuses, exercise of stock option or stock rights and other nonrecurring, extraordinary items included in total payroll, and
- (2) "initial payroll" shall mean base payroll for the year immediately preceding the initial construction, acquisition or expansion.

The Tax Commission shall verify payroll information through the Oklahoma Employment Security Commission by using reports from the Oklahoma Employment Security Commission for the calendar year immediately preceding the year for which initial application is made for base-line payroll, which must be maintained or

increased for each subsequent year; provided, a manufacturing facility shall have the option of excluding from its payroll, for purposes of this section:

- i. payments to sole proprietors, members of a partnership, members of a limited liability company who own at least ten percent (10%) of the capital of the limited liability company or stockholder-employees of a corporation who own at least ten percent (10%) of the stock in the corporation, and
 - ii. any nonrecurring bonuses, exercise of stock option or stock rights or other nonrecurring, extraordinary items included in total payroll numbers as reported by the Oklahoma Employment Security Commission. A manufacturing facility electing either option shall indicate such election upon its application for an exemption under this section. Any manufacturing facility electing either option shall submit such information as the Tax Commission may require in order to verify payroll information. Payroll information submitted pursuant to the provisions of this paragraph shall be submitted to the Tax Commission and shall be subject to the provisions of Section 205 of this title, and
- b. the facility offers, or will offer within one hundred eighty (180) days of the date of employment, a basic health benefits plan to the full-time-equivalent employees of the facility, which is determined by the Department of Commerce to consist of the elements specified in subparagraph b of paragraph 1 of subsection A of Section 3603 of this title or elements substantially equivalent thereto.

For purposes of this section, calculation of the amount of increased base payroll shall be measured from the start of initial

construction or expansion to the completion of such construction or expansion or for three (3) years from the start of initial construction or expansion, whichever occurs first. The amount of increased base payroll shall include payroll for full-time-equivalent employees in this state who are employed by an entity other than the facility which has previously or is currently qualified to receive an exemption pursuant to the provisions of this section and who are leased or otherwise provided to the facility, if such employment did not exist in this state prior to the start of initial construction or expansion of the facility. The manufacturing concern shall submit an affidavit to the Tax Commission, signed by an officer, stating that the construction, acquisition or expansion of the facility will result in a net increase in the annualized base payroll as required by this paragraph and that full-time-equivalent employees of the facility are or will be offered a basic health benefits plan as required by this paragraph. If, after the completion of such construction or expansion or after three (3) years from the start of initial construction or expansion, whichever occurs first, the construction, acquisition or expansion has not resulted in a net increase in the amount of annualized base payroll, if required, or any other qualification specified in this paragraph has not been met, the manufacturing concern shall pay an amount equal to the amount of any exemption granted, including penalties and interest thereon, to the Tax Commission for deposit to the Ad Valorem Reimbursement Fund;

5. If a facility fails to meet the base payroll requirement of subparagraph a of paragraph 4 of this subsection, the payroll requirement shall be waived for claims for exemptions, including claims previously denied or on appeal on June 1, 2009, for all initial applications for exemption filed on or after January 1, 2004, and on or before March 31, 2009, and all subsequent annual exemption applications filed related to such initial application for exemption, for an applicant, if the facility:

- a. has been located for at least five (5) years as of March 31, 2009, in a county in Oklahoma with a population of six hundred thousand (600,000) or more,
- b. is owned by an applicant that has been engaged in manufacturing as defined under U.S. Industry Numbers 323110, 323111, 323121 and 323122 of the NAICS Manual, latest revision,

- c. is owned by an applicant that maintains a workforce of at least three hundred (300) employees on June 1, 2009,
- d. is owned by an applicant that has filed multiple applications for exemption pursuant to this section, and
- e. is owned by an applicant that operates at least one facility in this state of at least seven hundred thirty thousand (730,000) square feet on June 1, 2009.

In the event that any applicant obtaining a waiver of the payroll requirement pursuant to this paragraph ceases to operate all of its facilities in this state on or before a date that is four (4) years after any initial application for an exemption is filed by such applicant, all sums of property taxes exempted under this paragraph through a waiver of the payroll requirement that relate to such application shall become due and payable as if such sums were assessed in the year in which the applicant ceases to operate all of its facilities in the state;

6. Any new, acquired or expanded automotive final assembly manufacturing facility which does not meet the requirements of paragraph 4 of this subsection shall be granted an exemption only if all other requirements of this section are met and only if the investment cost of the construction, acquisition or expansion of the manufacturing facility is Three Hundred Million Dollars (\$300,000,000.00) or more and the manufacturing facility retains an average employment of one thousand seven hundred fifty (1,750) or more full-time-equivalent employees in the year in which the exemption is initially granted and in each of the four (4) subsequent years only if an average employment of one thousand seven hundred fifty (1,750) or more full-time-equivalent employees is maintained in the subsequent year. Any property installed to replace property damaged by the tornado or natural disaster that occurred May 8, 2003, may continue to receive the exemption provided in this paragraph for the full five-year period based on the value of the previously qualifying assets as of January 1, 2003. The exemption shall continue in effect as long as all other qualifications in this paragraph are met. If the average employment of one thousand seven hundred fifty (1,750) or more full-time-equivalent employees is reduced as a result of temporary layoffs because of a tornado or natural disaster on May 8, 2003, then the average employment requirement shall be waived for year 2003 of the

exemption period. Calculation of the number of employees shall be made in the same manner as required under Section 2357.4 of this title for an investment tax credit. As used in this paragraph, "expand" and "expansion" shall mean and include any increase to the size or scope of a facility as well as any renovation, restoration, replacement or remodeling of a facility which permits the manufacturing of a new or redesigned product;

7. Any new, acquired, or expanded computer data processing, data preparation, or information processing services provider classified in Industrial Group Number 7374 of the SIC Manual, latest revision, and U.S. Industry Number 514210 of the North American Industrial Classification System (NAICS) Manual, latest revision, may apply for exemptions under this section for each year in which new, acquired, or expanded capital improvements to the facility are made if:

- a. there is a net increase in annualized payroll of the applicant at any facility or facilities of the applicant in this state of at least Two Hundred Fifty Thousand Dollars (\$250,000.00), which is attributable to the capital improvements, or a net increase of Seven Million Dollars (\$7,000,000.00) or more in capital improvements, while maintaining or increasing payroll at the facility or facilities in this state which are included in the application, and
- b. the facility offers, or will offer within one hundred eighty (180) days of the date of employment of new employees attributable to the capital improvements, a basic health benefits plan to the full-time-equivalent employees of the facility, which is determined by the Department of Commerce to consist of the elements specified in subparagraph b of paragraph 1 of subsection A of Section 3603 of this title or elements substantially equivalent thereto;

8. ~~An Effective January 1, 2017, an entity engaged in electric power generation by means of wind, as described by the North American Industry Classification System, No. 221119, which does not meet the requirements of paragraph 4 of this subsection shall be granted an exemption only if all other requirements of this section are met and only if there is a net increase in annualized payroll at the facility of at least Two Hundred Fifty Thousand Dollars (\$250,000.00) or a net increase of Two Million Dollars~~

~~(\$2,000,000.00) or more in capital improvements while maintaining or increasing payroll shall not be defined as a qualifying manufacturing concern for purposes of the exemption otherwise authorized pursuant to Section 6B of Article X of the Oklahoma Constitution or qualify as a "manufacturing facility" as defined in this section. No initial application for exemption shall be filed by or accepted from an entity engaged in electric power generation by means of wind on or after January 1, 2018; and~~

9. An entity or applicant engaged in an industry as defined under U.S. Industry Number 324110 of the NAICS Manual, latest revision, which has applied for or been granted an exemption for a time period which began on or after calendar year 2012 and before calendar year 2016 but which did not meet the payroll requirements of subparagraph a of paragraph 4 of this subsection because of nonrecurring bonuses, exercise of stock option or stock rights or other nonrecurring, extraordinary items included in total payroll in the previous year, shall be allowed an exemption, beginning with calendar year 2016, for the number of years, including the calendar year for which the exemption was denied, remaining in the entity's five-year exemption period, provided such entity attains or increases payroll at or above the initial or base payroll established for the exemption.

D. 1. Except as provided in paragraph 2 of this subsection, the five-year period of exemption from ad valorem taxes for any qualifying manufacturing facility property shall begin on January 1 following the initial qualifying use of the property in the manufacturing process.

2. The five-year period of exemption from ad valorem taxes for any qualifying manufacturing facility, as defined in subparagraph c of paragraph 1 of subsection B of this section which is located within a tax incentive district created pursuant to the Local Development Act by a county having a population of at least five hundred thousand (500,000), according to the most recent Federal Decennial Census, shall begin on January 1 following the expiration or termination of the ad valorem exemption, abatement, or other incentive provided through the tax incentive district.

E. Any person, firm or corporation claiming the exemption herein provided for shall file each year for which exemption is claimed, an application therefor with the county assessor of the county in which the new, expanded or acquired facility is located. The application shall be on a form or forms prescribed by the Tax

In a case where completion of the facility or facilities will occur after January 1 of a given year, a facility may apply to claim the ad valorem tax exemption for that year. If such facility is found to be qualified for exemption, the ad valorem tax exemption provided for herein shall be granted for that entire year and shall apply to the ad valorem valuation as of January 1 of that given year. For applicants which qualify under the provisions of subparagraph b of paragraph 1 of subsection B of this section, the application shall include a copy of the affidavit and any other information required to be filed with the Tax Commission.

F. The application shall be examined by the county assessor and approved or rejected in the same manner as provided by law for approval or rejection of claims for homestead exemptions. The taxpayer shall have the same right of review by and appeal from the county board of equalization, in the same manner and subject to the same requirements as provided by law for review and appeals concerning homestead exemption claims. Approved applications shall be filed by the county assessor with the Tax Commission no later than June 15, except as provided in Section 2902.1 of this title, of the year in which the facility desires to take the exemption. Incomplete applications and applications filed after June 15 will be declared null and void by the Tax Commission. B. Nothing in Sections 861 through 890 of this title shall be construed as authorizing the sale, lease or other disposition of any property or interest of the district by the district or any receiver of any of its properties or through any court proceeding or otherwise.

C. 1. The district may sell for cash, subject to competitive bidding as provided by the Board of Directors of the Grand River Dam Authority, any property or interest in an aggregate value not exceeding the sum of Five Hundred Thousand Dollars (\$500,000.00) in any one (1) year, except that the district may sell any or all surplus property that the district may have acquired without regard to the limitations herein, if the Board, by the affirmative vote of five or more of the members, shall have determined that the same is not necessary to the business of the district and shall have approved the terms of any sale.

2. Notwithstanding any other provision of law, the district may sell real and personal property directly used for the generation, transmission or distribution of electricity to any corporation, limited liability company, association, cooperative, municipal corporation or a beneficial trust thereof engaged in the furnishing of wholesale or retail electric if the Board approves by a vote of five or more members that the property is not necessary to the business of the district. G. All property of the district shall be at all times exempted from forced sale, and nothing contained in Sections 861 through 890 of this title shall authorize the sale of any of the property of the district under any judgment rendered in any suit, and such sales are hereby prohibited and forbidden. The provisions of this subsection shall not apply to any property constructed on a lease or the interest in a lease of shoreland that has been entered into by the district pursuant to subsection B of this section for a term of longer than two (2) years, provided the provisions of the lease authorizing the mortgage and forced sale of the property or lease interest has been approved by an affirmative vote of a majority of the members of the Board.
