28 **tinued residential use.**

**NOTE:** Matter in **boldfaced** type in an amended section is new; matter [*italic and bracketed*] is existing law to be omitted.

8 (3) The governing body of a county or its designee may approve a proposed division **by partition**  
9 of land in an exclusive farm use zone for nonfarm uses, except [*dwelling*] **a dwelling**, set out in  
10 ORS 215.213 (2) or 215.283 (2) if it finds that the parcel for the nonfarm use is not larger than the  
11 minimum size necessary for the use. The governing body may establish other criteria as it considers  
12 necessary.

13 (4) In western Oregon, as defined in ORS 321.257, but not in the Willamette Valley, as defined  
14 in ORS 215.010, the governing body of a county or its designee:

26 crops and livestock or merchantable tree species considering the terrain, adverse soil or land con-  
27 ditions, drainage or flooding, vegetation, location and size of the tract. A parcel may not be con-  
28 sidered unsuitable based solely on size or location if the parcel can reasonably be put to farm or  
29 forest use in conjunction with other land.

30 (b) May approve a division **by partition** of land in an exclusive farm use zone to [*divide a lot*  
31 *or parcel into two parcels*] **create one new parcel, the remainder of the original lawfully estab-**

43 (E) The parcels for the nonfarm dwellings do not have established water rights for irrigation;  
44 and

45 (F) The parcels for the nonfarm dwellings are generally unsuitable for the production of farm

1 crops and livestock or merchantable tree species considering the terrain, adverse soil or land con-  
 2 ditions, drainage or flooding, vegetation, location and size of the tract. A parcel may not be con-  
 3 sidered unsuitable based solely on size or location if the parcel can reasonably be put to farm or  
 4 forest use in conjunction with other land.

5 (5) In eastern Oregon, as defined in ORS 321.805, the governing body of a county or its designee:

6 (a) May approve a division **by partition** of land in an exclusive farm use zone to create up to  
 7 two new parcels smaller than the minimum size established under ORS 215.780, each to contain a

 19 sidered unsuitable based solely on size or location if the parcel can reasonably be put to farm or  
 20 forest use in conjunction with other land.

21 (b) May approve a division **by partition** of land in an exclusive farm use zone to [*divide a lot*  
 22 *or parcel into two parcels*] **create one new parcel, the remainder of the original lawfully estab-**  
 23 **lished unit of land and the new parcel**, each to contain one dwelling not provided in conjunction  
 24 with farm use if:

25 (A) The nonfarm dwellings have been approved under ORS 215.284 (7);

26 (B) The parcels for the nonfarm dwellings are divided from a lot or parcel that was lawfully  
 27 created prior to July 1, 2001;

 34 percent Class VI through VIII soils and are not capable of producing adequate herbaceous forage  
 35 for grazing livestock. The Land Conservation and Development Commission, in cooperation with the  
 36 State Department of Agriculture and other interested persons, may establish by rule objective cri-  
 37 teria for identifying units of land that are not capable of producing adequate herbaceous forage for  
 38 grazing livestock. In developing the criteria, the commission shall use the latest information from  
 39 the United States Natural Resources Conservation Service and consider costs required to utilize  
 40 grazing lands that differ in acreage and productivity level;

41 (E) The parcels for the nonfarm dwellings do not have established water rights for irrigation;  
 42 and

43 (F) The parcels for the nonfarm dwellings are generally unsuitable for the production of farm  
 44 crops and livestock or merchantable tree species considering the terrain, adverse soil or land con-  
 45 ditions, drainage or flooding, vegetation, location and size of the tract. A parcel may not be con-

1 sidered unsuitable based solely on size or location if the parcel can reasonably be put to farm or  
 2 forest use in conjunction with other land.

3 (6) This section does not apply to the creation or sale of cemetery lots, if a cemetery is within  
 4 the boundaries designated for a farm use zone at the time the zone is established.

5 (7) This section does not apply to divisions of land resulting from lien foreclosures or divisions  
 6 of land resulting from foreclosure of recorded contracts for the sale of real property.

11 (9) The governing body of a county may approve a proposed division **by partition** of land in an  
 12 exclusive farm use zone to create a parcel with an existing dwelling to be used:

13 (a) As a residential home as described in ORS 197.660 (2) only if the dwelling has been approved  
 14 under ORS 215.213 (3) or 215.284 (1), (2), (3), (4) or (7); and

15 (b) For historic property that meets the requirements of ORS 215.213 (1)(n) and 215.283 (1)(L).

16 (10)(a) Notwithstanding ORS 215.780, the governing body of a county or its designee may ap-  
 17 prove a proposed division **by partition** of land *[provided]* **if:**

18 (A) The land division is for the purpose of allowing a provider of public parks or open space,  
 19 or a not-for-profit land conservation organization, to purchase at least one of the resulting parcels;

29 (i) To facilitate the creation of a wildlife or pedestrian corridor or the implementation of a

 42 described in ORS 215.780 (1) and (2) either by itself or after it is consolidated with another lot or  
 43 parcel.

44 (12) Notwithstanding the minimum lot or parcel size described in ORS 215.780 (1) or (2), the  
 45 governing body of a county or its designee may approve a proposed division **by partition** of land in

1 an exclusive farm use zone **to create a parcel** for the nonfarm uses set out in ORS 215.213 (1)(v)  
 2 or 215.283 (1)(s) if it finds that the parcel for the nonfarm use is not larger than the minimum size  
 3 necessary for the use. The governing body may establish other criteria as it considers necessary.

4 (13) The governing body of a county may not approve a division **by partition** of land **to create**  
 5 **a parcel** for nonfarm use under subsection (3), (4), (5), (9), (10), (11) or (12) of this section unless any  
 6 additional tax imposed for the change in use has been paid.

7 (14) [Parcels] **A parcel** used or to be used for training or stabling facilities may not be consid-

15 (2) **Notwithstanding the minimum lot or parcel size established under ORS 215.780 (1),**  
 16 **when a portion of a lawfully established unit of land has been included within an urban**  
 17 **growth boundary and redesignated for urban uses under the applicable acknowledged com-**  
 18 **prehensive plan and the portion of the lawfully established unit of land that remains outside**  
 19 **the urban growth boundary and zoned for forest uses or mixed farm and forest uses is**  
 20 **smaller than the minimum size established under ORS 215.780 (1), the governing body of a**  
 21 **county, or its designee, may approve a proposed division by partition of the land, including**  
 22 **the land that remains in a forest zone or a mixed farm and forest zone.**

23 (3) **The parcel created in the forest zone or mixed farm and forest zone must be parti-**

 37 **an irrevocable deed restriction prohibiting the owner and the owner’s successors in interest**  
 38 **from pursuing a cause of action or claim of relief alleging an injury from farming or forest**  
 39 **practices for which a claim or action is not allowed under ORS 30.936 or 30.937.**

40 **SECTION 4.** ORS 197.065 is amended to read:

 4 **be** larger than 10 acres; and

5 (B) The parcel that does not contain the dwelling is not entitled to a dwelling unless subse-  
 6 quently authorized by law or goal and the parcel either:

13 (A) The parcel [*established*] **created** may not be larger than five acres, except as necessary to

26 (d) To allow a division **by partition** of forestland to facilitate a forest practice as defined in  
 27 ORS 527.620 that results in a parcel that does not meet the minimum area requirements of sub-  
 28 section (1)(c) of this section or paragraph (a) of this subsection. Parcels created pursuant to this  
 29 subsection:

30 (A) Are not eligible for siting of a new dwelling;

 35 to:

36 (i) Facilitate an exchange of lands involving a governmental agency; or

 45 two and five acres in size;

1 (D) At least one dwelling is located on each [*lot or*] parcel created under this paragraph; and

2 (E) The landowner of a [*lot or*] parcel created under this paragraph provides evidence that a  
 3 restriction prohibiting the landowner and the landowner's successors in interest from further divid-

 5 parcel is located. A restriction imposed under this paragraph [*shall be*] **is** irrevocable unless a  
 6 statement of release is signed by the county planning director of the county in which the [*lot or*]  
 7 parcel is located indicating that the comprehensive plan or land use regulations applicable to the  
 8 [*lot or*] parcel have been changed so that the [*lot or*] parcel is no longer subject to statewide plan-
