30 “(5) A county may, by application of criteria adopted by ordinance, deny approval of a dwelling

22 may each claim a share of the tax credit that would have been allowed on a joint return in pro-
23 portion to the contribution of each.

24 “(d) If a change in the taxable year of a taxpayer occurs as described in ORS 314.085, or if the
25 Department of Revenue terminates the taxpayer’s taxable year under ORS 314.440, the credit al-
26 lowed under this section shall be prorated or computed in a manner consistent with ORS 314.085.

27 “**SECTION 40.** ORS 316.042 is amended to read:

28 “316.042. In the case of a joint return of *[husband and wife]* **spouses in a marriage**, pursuant
29 to ORS 316.122 or pursuant to ORS 316.367, the tax imposed by ORS 316.037 shall be twice the tax
30 which would be imposed if the taxable income were cut in half. For purposes of this section, a re-
31 turn of a head of household or a surviving spouse, as defined in subsections (a) and (b) of section
32 2 of the Internal Revenue Code, shall be treated as a joint return of *[husband and wife]* **spouses in**
33 **a marriage.**

34 “**SECTION 41.** ORS 316.116 is amended to read:

35 “316.116. (1)(a) A resident individual shall be allowed a credit against the taxes otherwise due
36 under this chapter for costs paid or incurred for construction or installation of each of one or more
37 alternative energy devices in a dwelling.

38 “(b) A resident individual shall be allowed a credit against the taxes otherwise due under this
39 chapter for costs paid or incurred to modify or purchase an alternative fuel vehicle or related
40 equipment.

41 “(c) A credit against the taxes otherwise due under this chapter is not allowed for an alternative
42 energy device that does not meet or exceed all applicable federal, state and local requirements for
43 energy efficiency, including equipment codes, the state building code, specialty codes and any other
44 standards.

45 “(2)(a) In the case of a category one alternative energy device that is not an alternative fuel

1 device, the credit shall be based upon the first year energy yield of the alternative energy device
2 that qualifies under ORS 469B.100 to 469B.118. The amount of the credit shall be the same whether
3 for collective or noncollective investment.

4 “(b) The credit allowed under this section for each category one alternative energy device for
5 each dwelling may not exceed the lesser of \$1,500 or the first year energy yield in kilowatt hours
6 per year multiplied by 60 cents per dwelling utilizing the alternative energy device used for space
7 heating, cooling, electrical energy or domestic water heating for tax years beginning on or after
8 January 1, 1998.

9 “(c) For each category one alternative energy device used for swimming pool, spa or hot tub
10 heating, the credit allowed under this section shall be based upon 50 percent of the cost of the de-
11 vice or the first year’s energy yield in kilowatt hours per year multiplied by 15 cents, whichever is
12 lower, up to \$1,500 for tax years beginning on or after January 1, 1998.

13 “(d) For each alternative fuel device, the credit allowed under this section is 25 percent of the
14 cost of the alternative fuel device but the total credit shall not exceed \$750 if the device is placed
15 in service on or after January 1, 1998.

16 “(e)(A) For each category two alternative energy device that is a solar electric system or fuel
17 cell system, the credit allowed under this section may not exceed the lesser of \$3 per watt of in-
18 stalled output or \$6,000. The State Department of Energy may by rule provide for a lesser amount
19 of incentive as market conditions warrant, taking into consideration factors including the availabil-
20 ity of bulk purchasing of alternative energy devices.

21 “(B) For each category two alternative energy device that is a wind electric system, the credit
22 allowed under this section may not exceed the lesser of \$6,000 or the first year energy yield in
23 kilowatt hours per year multiplied by \$2.

24 “(C) Notwithstanding subparagraph (A) or (B) of this paragraph, the total amount of the credits
25 allowed in any one tax year may not exceed the tax liability of the taxpayer or \$1,500 for each al-
26 ternative energy device, whichever is less. Unused credit amounts may be carried forward as pro-
27 vided in subsection (6) of this section, but may not be carried forward to a tax year that is more
28 than five tax years following the first tax year for which any credit was allowed with respect to the
29 category two alternative energy device that is the basis for the credit.

30 “(D) Notwithstanding subparagraph (A) or (B) of this paragraph, the total amount of the credit
31 for each device allowed under this paragraph may not exceed 50 percent of the total installed cost
32 of the category two alternative energy device.

33 “(3) To qualify for a credit under this section, all of the following are required:

34 “(a) The alternative energy device must be purchased, constructed, installed and operated in
35 accordance with ORS 469B.100 to 469B.118 and a certificate issued thereunder.

36 “(b) The taxpayer who is allowed the credit must be the owner or contract purchaser of the
37 dwelling or dwellings served by the alternative energy device or the tenant of the owner or of the
38 contract purchaser and must:

39 “(A) Use the dwelling or dwellings served by the alternative energy device as a principal or
40 secondary residence; or

41 “(B) Rent or lease, under a residential rental agreement, the dwelling or dwellings to a tenant
42 who uses the dwelling or dwellings as a principal or secondary residence.

43 “(c) In the case of an alternative fuel device, unless the verification form and certificate are
44 transferred as authorized under ORS 469B.106 (9), the taxpayer who is allowed the credit must be
45 the contractor who constructs the dwelling that incorporates the alternative fuel device into the

1 dwelling or installs the fueling station in the dwelling.

2 “(d) The credit must be claimed for the tax year in which the alternative energy device was
3 purchased if the device is operational by April 1 of the next following tax year.

4 “(e) If the alternative fuel vehicle is a gasoline-electric hybrid vehicle not designed for electric
5 plug-in charging, it must be purchased before January 1, 2010.

6 “(4) The credit provided by this section does not affect the computation of basis under this
7 chapter.

8 “(5) The total credits allowed under this section in any one year may not exceed the tax liability
9 of the taxpayer.

10 “(6) Any tax credit otherwise allowable under this section that is not used by the taxpayer in
11 a particular year may be carried forward and offset against the taxpayer’s tax liability for the next
12 succeeding tax year. Any credit remaining unused in the next succeeding tax year may be carried
13 forward and used in the second succeeding tax year, and likewise any credit not used in that second
14 succeeding tax year may be carried forward and used in the third succeeding tax year, and any
15 credit not used in that third succeeding tax year may be carried forward and used in the fourth
16 succeeding tax year, and any credit not used in that fourth succeeding tax year may be carried
17 forward and used in the fifth succeeding tax year, but may not be carried forward for any tax year
18 thereafter.

19 “(7) A nonresident shall be allowed the credit under this section in the proportion provided in
20 ORS 316.117.

21 “(8) If a change in the taxable year of a taxpayer occurs as described in ORS 314.085, or if the
22 Department of Revenue terminates the taxpayer’s taxable year under ORS 314.440, the credit al-
23 lowed by this section shall be prorated or computed in a manner consistent with ORS 314.085.

24 “(9) If a change in the status of a taxpayer from resident to nonresident or from nonresident to
25 resident occurs, the credit allowed by this section shall be determined in a manner consistent with
26 ORS 316.117.

27 “(10) [A *husband and wife*] **Spouses in a marriage** who file separate returns for a taxable year
28 may each claim a share of the tax credit that would have been allowed on a joint return in pro-
29 portion to the contribution of each. However, a [*husband or wife*] **spouse** living in a separate prin-
30 cipal residence may claim the tax credit in the same amount as permitted a single person.

31 “(11) As used in this section, unless the context requires otherwise:

32 “(a) ‘Collective investment’ means an investment by two or more taxpayers for the acquisition,
33 construction and installation of an alternative energy device for one or more dwellings.

34 “(b) ‘Noncollective investment’ means an investment by an individual taxpayer for the acquisi-
35 tion, construction and installation of an alternative energy device for one or more dwellings.

36 “(c) ‘Taxpayer’ includes a transferee of a verification form under ORS 469B.106 (9).

37 “(12) Notwithstanding any provision of subsection (1) or (2) of this section, the sum of the credit
38 allowed under subsection (1) of this section plus any similar credit allowed for federal income tax
39 purposes may not exceed the cost for the acquisition, construction and installation of the alternative
40 energy device.

41 “**SECTION 42.** ORS 316.122 is amended to read:

42 “316.122. (1) If the federal taxable income of [*husband and wife*] **spouses in a marriage** (one
43 being a part-year resident and the other a nonresident) is determined on a joint federal return, their
44 taxable income in this state shall be separately determined, unless they elect to file a joint return,
45 in which case their tax on their joint income shall be determined in this state pursuant to ORS

1 316.037 (3).

2 “(2) If the federal taxable income of *[husband and wife]* **spouses in a marriage** (one being a
3 full-year resident and the other a part-year resident) is determined on a joint federal return, their
4 taxable income in this state shall be separately determined, unless they elect to file a joint return,
5 in which case their tax on their joint income shall be determined in this state pursuant to ORS
6 316.037 (2).

7 “(3) If the federal taxable income of *[husband and wife]* **spouses in a marriage** (one being a
8 full-year resident and the other a nonresident) is determined on a joint federal return, their taxable
9 income in the state shall be separately determined, unless they elect to file a joint return, in which
10 case their tax on their joint income shall be determined in this state pursuant to ORS 316.037 (3).

11 “(4) For purposes of computing the tax of *[a husband and wife]* **spouses** under this section, if
12 one of the spouses is a full-year resident individual, then as used in ORS 316.037 (2) or (3), that
13 spouse’s taxable income derived from Oregon sources is that spouse’s entire federal taxable income,
14 defined in the laws of the United States, with the modifications, additions and subtractions provided
15 in this chapter and other laws of this state applicable to personal income taxation.

16 “(5) The provisions of ORS 316.367 with respect to joint returns apply if both *[husband and*
17 *wife]* **spouses** are part-year residents or full-year nonresidents.

18 “**SECTION 43.** ORS 316.367 is amended to read:

19 “316.367. *[A husband and wife]* **Spouses in a marriage** may make a joint return with respect
20 to the tax imposed by this chapter even though one of the spouses has neither gross income nor
21 deductions, except that:

22 “(1) No joint return shall be made under this chapter if the spouses are not permitted to file a
23 joint federal income tax return;

24 “(2) If the federal income tax liability of either spouse is determined on a separate federal re-
25 turn, their income tax liabilities under this chapter shall be determined on separate returns;

26 “(3) If the federal income tax liabilities of *[husband and wife]* **the spouses** are determined on
27 a joint federal return, they shall file a joint return under this chapter and their tax liabilities shall
28 be joint and several; and

29 “(4) If neither spouse is required to file a federal income tax return and either or both are re-
30 quired to file an income tax return under this chapter, they may elect to file separate or joint re-
31 turns and pursuant to such election their liabilities shall be separate or joint and several.

32 “**SECTION 44.** ORS 316.567 is amended to read:

33 “316.567. (1) Except as provided in subsection (2) of this section, *[a husband and wife]* **spouses**
34 **in a marriage** may make a single declaration jointly under ORS 316.557 to 316.589. The liability of
35 the *[husband and wife]* **spouses** making such a declaration shall be joint and several.

36 “(2) *[A husband and wife]* **Spouses** may not make a joint declaration:

37 “(a) If either *[the husband or the wife]* **spouse** is a nonresident alien;

38 “(b) If *[they]* **the spouses** are separated under a judgment of divorce or of separate maintenance;

39 or

40 “(c) If *[they]* **the spouses** have different taxable years.

41 “(3) If *[a husband and wife]* **spouses** make a joint declaration but not a joint return for the
42 taxable year, the *[husband and wife]* **spouses** may, in such manner as they may agree, and after
43 giving notice of the agreement to the Department of Revenue:

44 “(a) Treat the estimated tax for the year as the estimated tax of either *[the husband or of the*
45 *wife]* **spouse**; or

1 “(b) Divide the estimated tax between them.

2 “(4) If [*a husband and wife*] **the spouses** fail to agree, or fail to notify the department of the
3 manner in which they agree, to the treatment of estimated tax for a taxable year for which they
4 make a joint declaration but not a joint return, the payments shall be allocated between them ac-
5 cording to rules adopted by the department. Notwithstanding ORS 314.835, 314.840 or 314.991, the
6 department may disclose to either [*the husband or the wife*] **spouse** the information upon which an
7 allocation of estimated tax was made under this section.

8 “**SECTION 45.** ORS 316.690 is amended to read:

9 “316.690. (1) Subject to subsection (2) of this section, in addition to other modifications provided
10 in this chapter, and if a taxpayer elects to take foreign income taxes imposed for the taxable year
11 by a foreign country as a credit on the federal income tax return or does not itemize personal de-
12 ductions on the federal income tax return, there shall be subtracted from federal taxable income in
13 the computation of state taxable income the amount of foreign income taxes imposed for the taxable
14 year by a foreign country.

15 “(2) The deduction for foreign country income taxes provided by this section shall be limited as
16 follows:

17 “(a) Except as provided in paragraph (b) of this subsection, the sum of foreign country income
18 taxes deducted in computing state taxable income and the modification for federal income taxes
19 authorized by ORS 316.680 (1)(b) as limited by ORS 316.695 (3) shall not exceed \$3,000.

20 “(b) In the case of [*a husband and wife*] **spouses in a marriage** filing separate tax returns, the
21 sum described in paragraph (a) of this subsection shall be limited to \$1,500.

22 “**SECTION 46.** ORS 316.695 is amended to read:

23 “316.695. (1) In addition to the modifications to federal taxable income contained in this chapter,
24 there shall be added to or subtracted from federal taxable income:

25 “(a) If, in computing federal income tax for a tax year, the taxpayer deducted itemized de-
26 ductions, as defined in section 63(d) of the Internal Revenue Code, the taxpayer shall add the amount
27 of itemized deductions deducted (the itemized deductions less an amount, if any, by which the item-
28 ized deductions are reduced under section 68 of the Internal Revenue Code).

29 “(b) If, in computing federal income tax for a tax year, the taxpayer deducted the standard de-
30 duction, as defined in section 63(c) of the Internal Revenue Code, the taxpayer shall add the amount
31 of the standard deduction deducted.

32 “(c)(A) From federal taxable income there shall be subtracted the larger of (i) the taxpayer’s
33 itemized deductions or (ii) a standard deduction. Except as provided in subsection (8) of this section,
34 for purposes of this subparagraph, ‘standard deduction’ means the sum of the basic standard de-
35 duction and the additional standard deduction.

36 “(B) For purposes of subparagraph (A) of this paragraph, the basic standard deduction is:

37 “(i) \$3,280, in the case of joint return filers or a surviving spouse;

38 “(ii) \$1,640, in the case of an individual who is not a married individual and is not a surviving
39 spouse;

40 “(iii) \$1,640, in the case of a married individual who files a separate return; or

41 “(iv) \$2,640, in the case of a head of household.

42 “(C)(i) For purposes of subparagraph (A) of this paragraph for tax years beginning on or after
43 January 1, 2003, the Department of Revenue shall annually recompute the basic standard deduction
44 for each category of return filer listed under subparagraph (B) of this paragraph. The basic standard
45 deduction shall be computed by dividing the monthly averaged U.S. City Average Consumer Price

1 Index for the 12 consecutive months ending August 31 of the prior calendar year by the average
2 U.S. City Average Consumer Price Index for the second quarter of 2002, then multiplying that quo-
3 tient by the amount listed under subparagraph (B) of this paragraph for each category of return
4 filer.

5 “(ii) If any change in the maximum household income determined under this subparagraph is not
6 a multiple of \$5, the increase shall be rounded to the next lower multiple of \$5.

7 “(iii) As used in this subparagraph, ‘U.S. City Average Consumer Price Index’ means the U.S.
8 City Average Consumer Price Index for All Urban Consumers (All Items) as published by the Bureau
9 of Labor Statistics of the United States Department of Labor.

10 “(D) For purposes of subparagraph (A) of this paragraph, the additional standard deduction is
11 the sum of each additional amount to which the taxpayer is entitled under subsection (7) of this
12 section.

13 “(E) As used in subparagraph (B) of this paragraph, ‘surviving spouse’ and ‘head of household’
14 have the *[meaning]* **meanings** given those terms in section 2 of the Internal Revenue Code.

15 “(F) In the case of the following, the standard deduction referred to in subparagraph (A) of this
16 paragraph shall be zero:

17 “(i) *[A husband or wife]* **One of the spouses in a marriage** filing a separate return where the
18 other spouse has claimed itemized deductions under subparagraph (A) of this paragraph;

19 “(ii) A nonresident alien individual;

20 “(iii) An individual making a return for a period of less than 12 months on account of a change
21 in the individual’s annual accounting period;

22 “(iv) An estate or trust;

23 “(v) A common trust fund; or

24 “(vi) A partnership.

25 “(d) For the purposes of paragraph (c)(A) of this subsection, the taxpayer’s itemized deductions
26 are the amount of the taxpayer’s itemized deductions as defined in section 63(d) of the Internal Re-
27 venue Code (reduced, if applicable, as described under section 68 of the Internal Revenue Code)
28 minus the deduction for Oregon income tax (reduced, if applicable, by the proportion that the re-
29 duction in federal itemized deductions resulting from section 68 of the Internal Revenue Code bears
30 to the amount of federal itemized deductions as defined for purposes of section 68 of the Internal
31 Revenue Code).

32 “(2)(a) There shall be subtracted from federal taxable income any portion of the distribution of
33 a pension, profit-sharing, stock bonus or other retirement plan, representing that portion of contri-
34 butions which were taxed by the State of Oregon but not taxed by the federal government under
35 laws in effect for tax years beginning prior to January 1, 1969, or for any subsequent year in which
36 the amount that was contributed to the plan under the Internal Revenue Code was greater than the
37 amount allowed under this chapter.

38 “(b) Interest or other earnings on any excess contributions of a pension, profit-sharing, stock
39 bonus or other retirement plan not permitted to be deducted under paragraph (a) of this subsection
40 may not be added to federal taxable income in the year earned by the plan and may not be sub-
41 tracted from federal taxable income in the year received by the taxpayer.

42 “(3)(a) Except as provided in subsection (4) of this section, there shall be added to federal tax-
43 able income the amount of any federal income taxes in excess of the amount provided in paragraphs
44 (b) to (d) of this subsection, accrued by the taxpayer during the tax year as described in ORS
45 316.685, less the amount of any refund of federal taxes previously accrued for which a tax benefit

1 was received.

2 “(b) The limits applicable to this subsection are:

3 “(A) \$5,500, if the federal adjusted gross income of the taxpayer for the tax year is less than
4 \$125,000, or, if reported on a joint return, less than \$250,000.

5 “(B) \$4,400, if the federal adjusted gross income of the taxpayer for the tax year is \$125,000 or
6 more and less than \$130,000, or, if reported on a joint return, \$250,000 or more and less than
7 \$260,000.

8 “(C) \$3,300, if the federal adjusted gross income of the taxpayer for the tax year is \$130,000 or
9 more and less than \$135,000, or, if reported on a joint return, \$260,000 or more and less than
10 \$270,000.

11 “(D) \$2,200, if the federal adjusted gross income of the taxpayer for the tax year is \$135,000 or
12 more and less than \$140,000, or, if reported on a joint return, \$270,000 or more and less than
13 \$280,000.

14 “(E) \$1,100, if the federal adjusted gross income of the taxpayer for the tax year is \$140,000 or
15 more and less than \$145,000, or, if reported on a joint return, \$280,000 or more and less than
16 \$290,000.

17 “(c) If the federal adjusted gross income of the taxpayer is \$145,000 or more for the tax year,
18 or, if reported on a joint return, \$290,000 or more, the limit is zero and the taxpayer is not allowed
19 a subtraction for federal income taxes under ORS 316.680 (1) for the tax year.

20 “(d) In the case of *[a husband and wife]* **spouses in a marriage** filing separate tax returns, the
21 amount added shall be in the amount of any federal income taxes in excess of 50 percent of the
22 amount provided for individual taxpayers under paragraphs (a) to (c) of this subsection, less the
23 amount of any refund of federal taxes previously accrued for which a tax benefit was received.

24 “(e) For purposes of this subsection, the limits applicable to a joint return shall apply to a head
25 of household or a surviving spouse, as defined in section 2(a) and (b) of the Internal Revenue Code.

26 “(f)(A) For a calendar year beginning on or after January 1, 2008, the Department of Revenue
27 shall make a cost-of-living adjustment to the federal income tax threshold amounts described in
28 paragraphs (b) and (d) of this subsection.

29 “(B) The cost-of-living adjustment for a calendar year is the percentage by which the monthly
30 averaged U.S. City Average Consumer Price Index for the 12 consecutive months ending August 31
31 of the prior calendar year exceeds the monthly averaged index for the period beginning September
32 1, 2005, and ending August 31, 2006.

33 “(C) As used in this paragraph, ‘U.S. City Average Consumer Price Index’ means the U.S. City
34 Average Consumer Price Index for All Urban Consumers (All Items) as published by the Bureau of
35 Labor Statistics of the United States Department of Labor.

36 “(D) If any adjustment determined under subparagraph (B) of this paragraph is not a multiple
37 of \$50, the adjustment shall be rounded to the next lower multiple of \$50.

38 “(E) The adjustment shall apply to all tax years beginning in the calendar year for which the
39 adjustment is made.

40 “(4)(a) In addition to the adjustments required by ORS 316.130, a full-year nonresident individual
41 shall add to taxable income a proportion of any accrued federal income taxes as computed under
42 ORS 316.685 in excess of the amount provided in subsection (3) of this section in the proportion
43 provided in ORS 316.117.

44 “(b) In the case of *[a husband and wife]* **spouses in a marriage** filing separate tax returns, the
45 amount added under this subsection shall be computed in a manner consistent with the computation

1 of the amount to be added in the case of [*a husband and wife*] **spouses in a marriage** filing separate
2 returns under subsection (3) of this section. The method of computation shall be determined by the
3 Department of Revenue by rule.

4 “(5) Subsections (3)(d) and (4)(b) of this section shall not apply to married individuals living
5 apart as defined in section 7703(b) of the Internal Revenue Code.

6 “(6)(a) For tax years beginning on or after January 1, 1981, and prior to January 1, 1983, income
7 or loss taken into account in determining federal taxable income by a shareholder of an S corpo-
8 ration pursuant to sections 1373 to 1375 of the Internal Revenue Code shall be adjusted for purposes
9 of determining Oregon taxable income, to the extent that as income or loss of the S corporation,
10 they were required to be adjusted under the provisions of ORS chapter 317.

11 “(b) For tax years beginning on or after January 1, 1983, items of income, loss or deduction
12 taken into account in determining federal taxable income by a shareholder of an S corporation
13 pursuant to sections 1366 to 1368 of the Internal Revenue Code shall be adjusted for purposes of
14 determining Oregon taxable income, to the extent that as items of income, loss or deduction of the
15 shareholder the items are required to be adjusted under the provisions of this chapter.

16 “(c) The tax years referred to in paragraphs (a) and (b) of this subsection are those of the S
17 corporation.

18 “(d) As used in paragraph (a) of this subsection, an S corporation refers to an electing small
19 business corporation.

20 “(7)(a) The taxpayer shall be entitled to an additional amount, as referred to in subsection
21 (1)(c)(A) and (D) of this section, of \$1,000:

22 “(A) For the taxpayer if the taxpayer has attained age 65 before the close of the taxpayer’s tax
23 year; and

24 “(B) For the spouse of the taxpayer if the spouse has attained age 65 before the close of the tax
25 year and an additional exemption is allowable to the taxpayer for such spouse for federal income
26 tax purposes under section 151(b) of the Internal Revenue Code.

27 “(b) The taxpayer shall be entitled to an additional amount, as referred to in subsection (1)(c)(A)
28 and (D) of this section, of \$1,000:

29 “(A) For the taxpayer if the taxpayer is blind at the close of the tax year; and

30 “(B) For the spouse of the taxpayer if the spouse is blind as of the close of the tax year and an
31 additional exemption is allowable to the taxpayer for such spouse for federal income tax purposes
32 under section 151(b) of the Internal Revenue Code. For purposes of this subparagraph, if the spouse
33 dies during the tax year, the determination of whether such spouse is blind shall be made imme-
34 diately prior to death.

35 “(c) In the case of an individual who is not married and is not a surviving spouse, paragraphs
36 (a) and (b) of this subsection shall be applied by substituting ‘\$1,200’ for ‘\$1,000.’

37 “(d) For purposes of this subsection, an individual is blind only if the individual’s central visual
38 acuity does not exceed 20/200 in the better eye with correcting lenses, or if the individual’s visual
39 acuity is greater than 20/200 but is accompanied by a limitation in the fields of vision such that the
40 widest diameter of the visual field subtends an angle no greater than 20 degrees.

41 “(8) In the case of an individual with respect to whom a deduction under section 151 of the
42 Internal Revenue Code is allowable for federal income tax purposes to another taxpayer for a tax
43 year beginning in the calendar year in which the individual’s tax year begins, the basic standard
44 deduction (referred to in subsection (1)(c)(B) of this section) applicable to such individual for such

4 “**SECTION 47.** ORS 408.730 is amended to read:

19 head faithfully applies all funds that come into the hands of the commander or executive head for
20 that purpose, to the relief of the indigent persons named in ORS 408.720, it is void. If the bond is
21 enforced there shall be recovered from the principal and sureties thereon the amount which is found
22 to be misappropriated, which shall be paid into the county treasury.

23 “(3) If the county operates on a fiscal year ending on June 30, the notice, statement and bond
24 required by this section may be filed on the fourth Monday in July of each year rather than on the
25 fourth Monday of January. If the statement required by subsection (1) of this section is filed at the
26 time provided in this subsection, this statement shall cover the preceding fiscal year.

27 “(4) On the approval and filing of the bond, and on the recommendation of the relief committee
28 of any such veterans organization, orders shall be drawn in favor of the commander or executive
29 head in the same manner as orders are now drawn for the relief of the poor. The orders shall des-

9 “(2) In any judicial proceedings resulting from a report made pursuant to ORS 419B.010 to
10 419B.050, either spouse shall be a competent and compellable witness against the other.

15 Health Statistics, within five calendar days after the live birth and shall be registered if the report
16 has been completed and filed in accordance with this section.

17 “(2) The physician, institution or other person providing prenatal care related to a live birth
18 shall provide prenatal care information as required by the state registrar by rule to the institution
19 where the delivery is expected to occur not less than 30 calendar days prior to the expected delivery
20 date.

21 “(3) When a live birth occurs in an institution or en route to an institution, the person in charge
22 of the institution or an authorized designee shall obtain all data required by the state registrar,
23 prepare the report of live birth, certify either by signature or electronic signature that the child
24 was born alive at the place and time and on the date stated and submit the report as described in
25 subsection (1) of this section.

26 “(4) In obtaining the information required for the report of live birth, an institution shall use
27 information gathering procedures provided or approved by the state registrar. Institutions may es-
28 tablish procedures to transfer, electronically or otherwise, information required for the report from
29 other sources, provided that the procedures are reviewed and approved by the state registrar prior
30 to the implementation of the procedures to ensure that the information being transferred is the same
31 as the information being requested.

32 “(5)(a) When a live birth occurs outside an institution, the information for the report of live
33 birth shall be submitted within five calendar days of the live birth in a format adopted by the state
34 registrar by rule in the following order of priority:

35 “(A) By an institution where the mother and child are examined, if examination occurs within
36 24 hours of the live birth;

37 “(B) By a physician in attendance at the live birth;

1 report of live birth by a person described in paragraph (a)(D) of this subsection or a physician or
2 licensed direct entry midwife who attends the birth of his or her own child, grandchild, niece or
3 nephew.

4 “(6) When a report of live birth is submitted that does not include the minimum acceptable
5 documentation required by this section or any rules adopted under this section, or when the state
6 registrar has cause to question the validity or adequacy of the documentation, the state registrar,
7 in the state registrar’s discretion, may refuse to register the live birth and shall enter an order to
8 that effect stating the reasons for the action. The state registrar shall advise the applicant of the
9 right to appeal under ORS 183.484.

10 “(7) When a live birth occurs on a moving conveyance:

11 “(a) Within the United States and the child is first removed from the conveyance in this state,
12 the live birth shall be registered in this state and the place where it is first removed shall be con-

14 “(b) While in international waters or air space or in a foreign country or its air space and the
15 child is first removed from the conveyance in this state, the birth shall be registered in this state
16 but the report of live birth shall show the actual place of birth insofar as can be determined.

17 “(8) For purposes of making a report of live birth and live birth registration, the woman who
18 gives live birth is the live birth mother. If a court of competent jurisdiction determines that a
19 woman other than the live birth mother is the biological or genetic mother, the court may order the
20 state registrar to amend the record of live birth. The record of live birth shall then be placed under
21 seal.

22 “(9)(a) If the mother is married at the time of either conception or live birth, or within 300 days
23 before the live birth, the name of the [husband] **mother’s spouse in a marriage** shall be entered
24 on the report of live birth as the [father] **parent of the** child unless parentage has been determined
25 otherwise by a court of competent jurisdiction.

26 “(b) If the mother is not married at the time of either conception or live birth, or within 300
27 days before the live birth, the name of the [father] **parent** shall not be entered on the report of live
28 birth unless a voluntary acknowledgment of paternity form or other form prescribed under ORS
29 432.098 is:

30 “(A) Signed by the mother and the person to be named as the [father] **parent**; and

31 “(B) Filed with the state registrar.

32 “(c) If the mother is a partner in a domestic partnership registered by the state at the time of

36 “(d) In any case in which paternity of a child is determined by a court of competent jurisdiction,

4 “(12) The state registrar may require additional evidence in support of the facts of live birth.

5 “**SECTION 51.** ORS 496.146 is amended to read:

6 “496.146. In addition to any other duties or powers provided by law, the State Fish and Wildlife
7 Commission:

8 “(1) May accept, from whatever source, appropriations, gifts or grants of money or other prop-
9 erty for the purposes of wildlife management, and use such money or property for wildlife manage-
10 ment purposes.

11 “(2) May sell or exchange property owned by the state and used for wildlife management pur-
12 poses when the commission determines that such sale or exchange would be advantageous to the
13 state wildlife policy and management programs.

14 “(3) May acquire, introduce, propagate and stock wildlife species in such manner as the com-
15 mission determines will carry out the state wildlife policy and management programs.

16 “(4) May by rule authorize the issuance of such licenses, tags and permits for angling, taking,
17 hunting and trapping and may prescribe such tagging and sealing procedures as the commission
18 determines necessary to carry out the provisions of the wildlife laws or to obtain information for
19 use in wildlife management. Permits issued pursuant to this subsection may include special hunting
20 permits for a person and immediate family members of the person to hunt on land owned by that
21 person in areas where permits for deer or elk are limited by quota. As used in this subsection, ‘im-
22 mediate family members’ means [*husband, wife, father, mother,*] **spouses in a marriage, parents,**
23 brothers, brothers-in-law, sisters, sisters-in-law, sons, daughters, stepchildren and grandchildren. A
24 landowner who is qualified to receive landowner preference tags from the commission may request
25 two additional tags for providing public access and two additional tags for wildlife habitat programs.
26 This request shall be made to the Access and Habitat Board with supporting evidence that the ac-
27 cess is significant and the habitat programs benefit wildlife. The board may recommend that the
28 commission grant the request. When a landowner is qualified under landowner preference rules
29 adopted by the commission and receives a controlled hunt tag for that unit or a landowner prefer-
30 ence tag for the landowner’s property and does not use the tag during the regular season, the
31 landowner may use that tag to take an antlerless animal, when approved by the State Department
32 of Fish and Wildlife, to alleviate damage that is presently occurring to the landowner’s property.

33 “(5) May by rule prescribe procedures requiring the holder of any license, tag or permit issued
34 pursuant to the wildlife laws to keep records and make reports concerning the time, manner and
35 place of taking wildlife, the quantities taken and such other information as the commission deter-
36 mines necessary for proper enforcement of the wildlife laws or to obtain information for use in
37 wildlife management.

38 “(6) May establish special hunting and angling areas or seasons in which only persons less than
39 18 years of age or over 65 years of age are permitted to hunt or angle.

40 “(7) May acquire by purchase, lease, agreement or gift real property and all appropriate inter-
41 ests therein for wildlife management and wildlife-oriented recreation purposes.

42 “(8) May acquire by purchase, lease, agreement, gift, exercise of eminent domain or otherwise
43 real property and all interests therein and establish, operate and maintain thereon public hunting
44 areas.

45 “(9) May establish and develop wildlife refuge and management areas and prescribe rules gov-

1 erning the use of such areas and the use of wildlife refuge and management areas established and
2 developed pursuant to any other provision of law.

3 “(10) May by rule prescribe fees for licenses, tags, permits and applications issued or required
4 pursuant to the wildlife laws, and user charges for angling, hunting or other recreational uses of
5 lands owned or managed by the commission, unless such fees or user charges are otherwise pre-
6 scribed by law. Except for licenses issued pursuant to subsection (14) of this section, no fee or user
7 charge prescribed by the commission pursuant to this subsection shall exceed \$100.

8 “(11) May enter into contracts with any person or governmental agency for the development and
9 encouragement of wildlife research and management programs and projects.

10 “(12) May perform such acts as may be necessary for the establishment and implementation of
11 cooperative wildlife management programs with agencies of the federal government.

12 “(13) May offer and pay rewards for the arrest and conviction of any person who has violated
13 any of the wildlife laws. No such reward shall exceed \$100 for any one arrest and conviction.

14 “(14) May by rule prescribe fees for falconry licenses issued pursuant to the wildlife laws, unless
15 such fees are otherwise prescribed by law. Fees prescribed by the commission pursuant to this sub-
16 section shall be based on actual or projected costs of administering falconry regulations and shall
17 not exceed \$250.

18 “(15) May establish special fishing and hunting seasons and bag limits applicable only to persons
19 with disabilities.

20 “(16) May adopt optimum populations for deer and elk consistent with ORS 496.012. These pop-
21 ulation levels shall be reviewed at least once every five years.

22 “(17) Shall establish a preference system so that individuals who are unsuccessful in controlled
23 hunt permit drawings for deer and elk hunting have reasonable assurance of success in those
24 drawings in subsequent years. In establishing the preference system, the commission shall consider
25 giving additional preference points to persons who have been issued a resident pioneer hunting li-
26 cense pursuant to ORS 497.102.

27 “(18) May sell advertising in State Department of Fish and Wildlife publications, including an-
28 nual hunting and angling regulation publications.

29 “(19) May, notwithstanding the fees required by ORS 497.112, provide free hunting tags to an
30 organization that sponsors hunting trips for terminally ill children.

31 “(20) Shall, after consultation with the State Department of Agriculture, adopt rules prohibiting
32 the use of the World Wide Web, other Internet protocols or broadcast or closed circuit media to
33 remotely control a weapon for the purpose of hunting any game bird, wildlife, game mammal or
34 other mammal. The rules may exempt the State Department of Fish and Wildlife or agents of the
35 department from the prohibition.

36 “(21) May adopt rules establishing a schedule of civil penalties, not to exceed \$6,500 per vio-
37 lation, for violations of provisions of the wildlife laws or rules adopted by the commission under the

40 496.300.

41 “(22) May by rule impose a surcharge not to exceed \$25 for the renewal of a hunting license
42 on any person who fails to comply with mandatory hunting reporting requirements. Amounts col-
43 lected as surcharges under this subsection must be deposited in the State Wildlife Fund established
44 under ORS 496.300.

45 “(23) May by rule establish annual and daily Columbia Basin salmon, steelhead and sturgeon

1 recreational fishing endorsements with a fee not to exceed \$9.75 per annual license and \$1 per day
2 per daily license. An endorsement is required to fish for salmon, steelhead or sturgeon in the
3 Columbia Basin and is in addition to and not in lieu of angling licenses and tags required under the
4 wildlife laws. Amounts collected as fees under this subsection must be deposited in the Columbia
5 River Fisheries Enhancement Fund established under section 7, chapter 672, Oregon Laws 2013.

6 “(24) May by rule establish multiyear licenses and may prescribe fees for such licenses. Fees
7 prescribed by the commission for multiyear licenses may provide for a discount from the annual li-
8 cense fees that would otherwise be payable for the period of time covered by the multiyear license.

9 “**SECTION 52.** ORS 496.146, as amended by section 10, chapter 672, Oregon Laws 2013, is

27 “(17) Shall establish a preference system so that individuals who are unsuccessful in controlled
28 hunt permit drawings for deer and elk hunting have reasonable assurance of success in those
29 drawings in subsequent years. In establishing the preference system, the commission shall consider
30 giving additional preference points to persons who have been issued a resident pioneer hunting li-

8 such consumption.

9 “(c) A ‘disabling compensable injury’ is an injury which entitles the worker to compensation for

20 or nephew, who at the time of the accident, are dependent in whole or in part for their support upon
21 the earnings of the worker. Unless otherwise provided by treaty, aliens not residing within the
22 United States at the time of the accident other than [*father, mother, husband, wife*] **parent, spouse**

1 Naturopathic Medicine under ORS chapter 685 or a similarly licensed doctor or physician in any
2 country or in any state, territory or possession of the United States.

3 “(c) Except as otherwise provided for workers subject to a managed care contract, ‘attending
4 physician’ does not include a physician who provides care in a hospital emergency room and refers
5 the injured worker to a primary care physician for follow-up care and treatment.

6 “(d) ‘Consulting physician’ means a doctor or physician who examines a worker or the worker’s
7 medical record to advise the attending physician or nurse practitioner authorized to provide

10 “(13)(a) ‘Employer’ means any person, including receiver, administrator, executor or trustee, and
11 the state, state agencies, counties, municipal corporations, school districts and other public corpo-
12 rations or political subdivisions, who contracts to pay a remuneration for and secures the right to
13 direct and control the services of any person.

14 “(b) Notwithstanding paragraph (a) of this subsection, for purposes of this chapter, the client
15 of a temporary service provider is not the employer of temporary workers provided by the temporary
16 service provider.

17 “(c) As used in paragraph (b) of this subsection, ‘temporary service provider’ has the meaning
18 for that term provided in ORS 656.850.

19 “(14) ‘Insurer’ means the State Accident Insurance Fund Corporation or an insurer authorized

35 “(21) ‘Party’ means a claimant for compensation, the employer of the injured worker at the time
36 of injury and the insurer, if any, of such employer.

37 “(22) ‘Payroll’ means a record of wages payable to workers for their services and includes
38 commissions, value of exchange labor and the reasonable value of board, rent, housing, lodging or
39 similar advantage received from the employer. However, ‘payroll’ does not include overtime pay,
40 vacation pay, bonus pay, tips, amounts payable under profit-sharing agreements or bonus payments
41 to reward workers for safe working practices. Bonus pay is limited to payments which are not an-
42 ticipated under the contract of employment and which are paid at the sole discretion of the em-
43 ployer. The exclusion from payroll of bonus payments to reward workers for safe working practices
44 is only for the purpose of calculations based on payroll to determine premium for workers’ com-
45 pensation insurance, and does not affect any other calculation or determination based on payroll for

1 the purposes of this chapter.

2 “(23) ‘Person’ includes partnership, joint venture, association, limited liability company and
3 corporation.

4 “(24)(a) ‘Preexisting condition’ means, for all industrial injury claims, any injury, disease, con-
5 genital abnormality, personality disorder or similar condition that contributes to disability or need
6 for treatment, provided that:

7 “(A) Except for claims in which a preexisting condition is arthritis or an arthritic condition, the
8 worker has been diagnosed with such condition, or has obtained medical services for the symptoms
9 of the condition regardless of diagnosis; and

10 “(B)(i) In claims for an initial injury or omitted condition, the diagnosis or treatment precedes
11 the initial injury;

12 “(ii) In claims for a new medical condition, the diagnosis or treatment precedes the onset of the
13 new medical condition; or

14 “(iii) In claims for a worsening pursuant to ORS 656.273 or 656.278, the diagnosis or treatment
15 precedes the onset of the worsened condition.

16 “(b) ‘Preexisting condition’ means, for all occupational disease claims, any injury, disease, con-
17 genital abnormality, personality disorder or similar condition that contributes to disability or need
18 for treatment and that precedes the onset of the claimed occupational disease, or precedes a claim
19 for worsening in such claims pursuant to ORS 656.273 or 656.278.

20 “(c) For the purposes of industrial injury claims, a condition does not contribute to disability
21 or need for treatment if the condition merely renders the worker more susceptible to the injury.

22 “(25) ‘Self-insured employer’ means an employer or group of employers certified under ORS
23 656.430 as meeting the qualifications set out by ORS 656.407.

30 “(29) ‘Wages’ means the money rate at which the service rendered is recompensed under the
31 contract of hiring in force at the time of the accident, including reasonable value of board, rent,
32 housing, lodging or similar advantage received from the employer, and includes the amount of tips
33 required to be reported by the employer pursuant to section 6053 of the Internal Revenue Code of
34 1954, as amended, and the regulations promulgated pursuant thereto, or the amount of actual tips
35 reported, whichever amount is greater. The State Accident Insurance Fund Corporation may estab-
36 lish assumed minimum and maximum wages, in conformity with recognized insurance principles, at
37 which any worker shall be carried upon the payroll of the employer for the purpose of determining
38 the premium of the employer.

39 “(30) ‘Worker’ means any person, including a minor whether lawfully or unlawfully employed,
40 who engages to furnish services for a remuneration, subject to the direction and control of an em-
41 ployer and includes salaried, elected and appointed officials of the state, state agencies, counties,
42 cities, school districts and other public corporations, but does not include any person whose services
43 are performed as an inmate or ward of a state institution or as part of the eligibility requirements
44 for a general or public assistance grant. For the purpose of determining entitlement to temporary
45 disability benefits or permanent total disability benefits under this chapter, ‘worker’ does not include

1 a person who has withdrawn from the workforce during the period for which such benefits are
2 sought.

3 “(31) ‘Independent contractor’ has the meaning for that term provided in ORS 670.600.

4 “**SECTION 54.** ORS 656.204 is amended to read:

5 “656.204. If death results from the accidental injury, payments shall be made as follows:

6 “(1)(a) The cost of final disposition of the body and funeral expenses, including but not limited
7 to transportation of the body, shall be paid, not to exceed 20 times the average weekly wage in any
8 case.

9 “(b) The insurer or self-insured employer shall pay bills submitted for disposition and funeral
10 expenses up to the benefit limit established in paragraph (a) of this subsection. If any part of the
11 benefit remains unpaid 60 days after claim acceptance, the insurer or self-insured employer shall pay
12 the unpaid amount to the estate of the worker.

13 “(2)(a) If the worker is survived by a spouse, monthly benefits shall be paid in an amount equal
14 to 4.35 times 66-2/3 percent of the average weekly wage to the surviving spouse until remarriage.
15 The payment shall cease at the end of the month in which the remarriage occurs.

16 “(b) If the worker is survived by a spouse, monthly benefits also shall be paid in an amount
17 equal to 4.35 times 10 percent of the average weekly wage for each child of the deceased who is
18 substantially dependent on the spouse for support, until such child becomes 18 years of age.

19 “(c) If the worker is survived by a spouse, monthly benefits also shall be paid in an amount
20 equal to 4.35 times 25 percent of the average weekly wage for each child of the deceased who is not
21 substantially dependent on the spouse for support, until such child becomes 18 years of age.

22 “(d) If a surviving spouse receiving monthly payments dies, leaving a child who is entitled to
23 compensation on account of the death of the worker, a monthly benefit equal to 4.35 times 25 per-
24 cent of the average weekly wage shall be paid to each such child until the child becomes 18 years
25 of age or the child’s entitlement to benefits under subsection (8) of this section ceases, whichever
26 is later.

27 “(e) If a child who has become 18 years of age is a full-time high school student, benefits shall
28 be paid as provided in subsection (8) of this section.

29 “(f) In no event shall the total monthly benefits provided for in this subsection exceed 4.35 times
30 133-1/3 percent of the average weekly wage. If the sum of the individual benefits exceeds this max-
31 imum, the benefit for each child will be reduced proportionally.

32 “(3)(a) Upon remarriage, a surviving spouse shall be paid 36 times the monthly benefit in a lump
33 sum as final payment of the claim, but the monthly payments for each child shall continue as before.

34 “(b) If, after the date of the subject worker’s death, the surviving spouse cohabits with another
35 person for an aggregate period of more than one year and a child has resulted from the relationship,
36 the surviving spouse shall be paid 36 times the monthly benefit in a lump sum as final payment of
37 the claim, but the monthly payment for any child who is entitled to compensation on account of the
38 death of the worker shall continue as before.

39 “(4)(a) If the worker [*leaves neither wife nor husband,*] **does not leave a spouse but leaves a**
40 **child** under 18 years of age, a monthly benefit equal to 4.35 times 25 percent of the average weekly
41 wage shall be paid to each such child until the child becomes 18 years of age.

42 “(b) If a child who has become 18 years of age is a full-time high school student, benefits shall
43 be paid as provided in subsection (8) of this section.

44 “(c) In no event shall the total benefits provided for in this subsection exceed 4.35 times 133-1/3
45 percent of the average weekly wage. If the sum of the individual benefits exceeds this maximum, the

1 benefit for each child will be reduced proportionally.

2 “(5)(a) If the worker leaves a dependent other than a surviving spouse or a child, a monthly
3 payment shall be made to each dependent equal to 50 percent of the average monthly support ac-
4 tually received by such dependent from the worker during the 12 months next preceding the occur-
5 rence of the accidental injury. If a dependent is under the age of 18 years at the time of the
6 accidental injury, the payment to the dependent shall cease when such dependent becomes 18 years
7 of age. The payment to any dependent shall cease under the same circumstances that would have
8 terminated the dependency had the injury not happened.

9 “(b) If the dependent who has become 18 years of age is a full-time high school student, benefits
10 shall be paid as provided in subsection (8) of this section.

11 “(c) In no event shall the total benefits provided for in this subsection exceed 4.35 times 10
12 percent of the average weekly wage. If the sum of the individual benefits exceeds this maximum, the
13 benefit for each dependent will be reduced proportionally.

14 “(6) If a child is an invalid at the time the child otherwise becomes ineligible for benefits under
15 this section, the payment to the child shall continue while the child remains an invalid. If a person
16 is entitled to payment because the person is an invalid, payment shall terminate when the person
17 ceases to be an invalid.

18 “(7) If, at the time of the death of a worker, the child of the worker or dependent has become
19 17 years of age but is under 18 years of age, the child or dependent shall receive the payment pro-
20 vided in this section for a period of one year from the date of the death. However, if after such
21 period the child is a full-time high school student, benefits shall be paid as provided in subsection
22 (8) of this section.

23 “(8)(a) Benefits under this section which are to be paid as provided in this subsection shall be
24 paid for the child or dependent until the child or dependent becomes 19 years of age. If, however,
25 the child or dependent is attending higher education or begins attending higher education within six
26 months of the date the child or dependent leaves high school, benefits shall be paid until the child
27 or dependent becomes 23 years of age, ceases attending higher education or graduates from an ap-
28 proved institute or program, whichever is earlier.

29 “(b) If a child or dependent who is eligible for benefits under this subsection has no surviving
30 parent, the child or dependent shall receive 4.35 times 66-2/3 percent of the average weekly wage
31 until the child or dependent becomes 23 years of age, ceases attending higher education or gradu-
32 ates from an approved institute or program, whichever is earlier.

33 “(c) As used in this subsection, ‘attending higher education’ means regularly attending commu-
34 nity college, college or university, or regularly attending a course of vocational or technical training
35 designed to prepare the participant for gainful employment. A child or dependent enrolled in an
36 educational course load of less than one-half of that determined by the educational facility to con-
37 stitute ‘full-time’ enrollment is not ‘attending higher education.’

38 “(9) As used in this section, ‘average weekly wage’ has the meaning for that term provided in
39 ORS 656.211.

40 “**SECTION 55.** ORS 656.226 is amended to read:

41 “656.226. In case [*an unmarried man and an unmarried woman*] **two unmarried individuals**
42 have cohabited in this state [*as husband and wife*] **as spouses who are married to each other** for
43 over one year prior to the date of an accidental injury received by one or the other as a subject
44 worker, and children are living as a result of that relation, the surviving cohabitant and the children
45 are entitled to compensation under this chapter the same as if the [*man and woman*] **individuals**

1 had been legally married.

2 “**SECTION 56.** ORS 659A.309 is amended to read:

3 “659A.309. (1) Except as provided in subsection (2) of this section, it is an unlawful employment
4 practice for an employer solely because another member of an individual’s family works or has
5 worked for that employer to:

6 “(a) Refuse to hire or employ an individual;

7 “(b) Bar or discharge from employment an individual; or

8 “(c) Discriminate against an individual in compensation or in terms, conditions or privileges of
9 employment.

10 “(2) An employer is not required to hire or employ and is not prohibited from barring or dis-
11 charging an individual if such action:

12 “(a) Would constitute a violation of any law of this state or of the United States, or any rule
13 promulgated pursuant thereto, with which the employer is required to comply;

14 “(b) Would constitute a violation of the conditions of eligibility for receipt by the employer of
15 financial assistance from the government of this state or the United States;

16 “(c) Would place the individual in a position of exercising supervisory, appointment or grievance
17 adjustment authority over a member of the individual’s family or in a position of being subject to
18 such authority which a member of the individual’s family exercises; or

19 “(d) Would cause the employer to disregard a bona fide occupational requirement reasonably
20 necessary to the normal operation of the employer’s business.

21 “(3) As used in this section, ‘member of an individual’s family’ means the [*wife, husband*] **spouse**
22 **in a marriage**, son, daughter, [*mother, father,*] **parent**, brother, brother-in-law, sister, sister-in-law,
23 son-in-law, daughter-in-law, [*mother-in-law, father-in-law,*] **parent-in-law**, aunt, uncle, niece, nephew,
24 stepparent or stepchild of the individual.

25 “**SECTION 57.** ORS 677.365 is amended to read:

26 “677.365. (1) Artificial insemination shall not be performed upon a woman without her prior
27 written request and consent and, if she is married, the prior written request and consent of her
28 [*husband*] **spouse**.

29 “(2) Whenever a child is born who may have been conceived by the use of semen of a donor
30 who is not the woman’s [*husband*] **spouse**, a copy of the request and consent required under sub-
31 section (1) of this section shall be filed by the physician who performs the artificial insemination
32 with the State Registrar of the Center for Health Statistics. The state registrar shall prescribe the
33 form of reporting.

34 “(3) The information filed under subsection (2) of this section shall be sealed by the state
35 registrar and may be opened only upon an order of a court of competent jurisdiction.

36 “(4) If the physician who performs the artificial insemination does not deliver the child con-
37 ceived as a result of the use of semen of a donor who is not the woman’s [*husband*] **spouse**, it is the
38 duty of the woman and the [*husband*] **spouse** who consented pursuant to subsection (1) of this sec-
39 tion to give that physician notice of the child’s birth. The physician who performs the artificial
40 insemination shall be relieved of all liability for noncompliance with subsection (2) of this section
41 if the noncompliance results from lack of notice to the physician about the birth.

42 “**SECTION 58.** ORS 726.990 is amended to read:

43 “726.990. (1) Violation, or participation in the violation, of any provision of this chapter by any
44 pawnbroker or any agent, member, officer or employee thereof, or any other person is a Class B
45 misdemeanor.

1 “(2) Upon conviction under subsection (1) of this section, no license shall be granted to such
2 person, nor to the [*husband or wife*] **spouse in a marriage** of such person, nor to any partnership,
3 association or corporation of which the person is an agent or member, until two years after the date
4 of the conviction.

5 “**SECTION 59.** ORS 742.504, as amended by section 76, chapter 45, Oregon Laws 2014, is
6 amended to read:

7 “742.504. Every policy required to provide the coverage specified in ORS 742.502 shall provide
8 uninsured motorist coverage that in each instance is no less favorable in any respect to the insured
9 or the beneficiary than if the following provisions were set forth in the policy. However, nothing
10 contained in this section requires the insurer to reproduce in the policy the particular language of
11 any of the following provisions:

12 “(1)(a) Notwithstanding ORS 30.260 to 30.300, the insurer will pay all sums that the insured, the
13 heirs or the legal representative of the insured is legally entitled to recover as general and special
14 damages from the owner or operator of an uninsured vehicle because of bodily injury sustained by
15 the insured caused by accident and arising out of the ownership, maintenance or use of the
16 uninsured vehicle. Determination as to whether the insured, the insured’s heirs or the insured’s legal
17 representative is legally entitled to recover such damages, and if so, the amount thereof, shall be
18 made by agreement between the insured and the insurer, or, in the event of disagreement, may be
19 determined by arbitration as provided in subsection (10) of this section.

20 “(b) No judgment against any person or organization alleged to be legally responsible for bodily
21 injury, except for proceedings instituted against the insurer as provided in this policy, shall be
22 conclusive, as between the insured and the insurer, on the issues of liability of the person or or-

30 certained;

31 “(B) The insured or someone on behalf of the insured reported the accident within 72 hours to
32 a police, peace or judicial officer, to the Department of Transportation or to the equivalent depart-
33 ment in the state where the accident occurred, and filed with the insurer within 30 days thereafter
34 a statement under oath that the insured or the legal representative of the insured has a cause or

36 are unascertainable, and setting forth the facts in support thereof; and

37 “(C) At the insurer’s request, the insured or the legal representative of the insured makes

41 the schedule and, while residents of the same household, the spouse of any named insured and rel-

43 scribed in the policy and that, if the named insured as stated in the policy is other than an
44 individual or [*husband and wife*] **spouses in a marriage** who are residents of the same household,
45 the named insured shall be only a person so designated in the schedule;

1 “(B) Any child residing in the household of the named insured if the insured has performed the
2 duties of a parent to the child by rearing the child as the insured’s own although the child is not
3 related to the insured by blood, marriage or adoption; and

4 “(C) Any other person while occupying an insured vehicle, provided the actual use thereof is
5 with the permission of the named insured.

6 “(d) ‘Insured vehicle,’ except as provided in paragraph (e) of this provision, means:

7 “(A) The vehicle described in the policy or a newly acquired or substitute vehicle, as each of
8 those terms is defined in the public liability coverage of the policy, insured under the public liability
9 provisions of the policy; or

10 “(B) A nonowned vehicle operated by the named insured or spouse if a resident of the same
11 household, provided that the actual use thereof is with the permission of the owner of the vehicle
12 and the vehicle is not owned by nor furnished for the regular or frequent use of the insured or any
13 member of the same household.

14 “(e) ‘Insured vehicle’ does not include a trailer of any type unless the trailer is a described ve-
15 hicle in the policy.

16 “(f) ‘Occupying’ means in or upon or entering into or alighting from.

17 “(g) ‘Phantom vehicle’ means a vehicle that causes bodily injury to an insured arising out of a

25 “(C) The insured or someone on behalf of the insured reported the accident within 72 hours to
26 a police, peace or judicial officer, to the Department of Transportation or to the equivalent depart-
27 ment in the state where the accident occurred, and filed with the insurer within 30 days thereafter
28 a statement under oath that the insured or the legal representative of the insured has a cause or
29 causes of action arising out of the accident for damages against a person or persons whose identities
30 are unascertainable, and setting forth the facts in support thereof.

31 “(h) ‘State’ includes the District of Columbia, a territory or possession of the United States and
32 a province of Canada.

33 “(i) ‘Stolen vehicle’ means an insured vehicle that causes bodily injury to the insured arising

37 insurance;

38 “(C) The insured or someone on behalf of the insured reported the accident within 72 hours to
39 a police, peace or judicial officer or to the equivalent department in the state where the accident
40 occurred; and

41 “(D) The insured or someone on behalf of the insured cooperates with the appropriate law
42 enforcement agency in the prosecution of the theft of the vehicle.

2 of the injury after determination of fault or comparative fault and resolution of any applicable de-
3 fenses;

4 “(B) Are calculated without regard to the tort claims limitations of ORS 30.260 to 30.300; and

5 “(C) Are no larger than benefits payable under the terms of the policy as provided in subsection
6 (7) of this section.

7 “(k) ‘Uninsured vehicle,’ except as provided in paragraph (L) of this provision, means:

8 “(A) A vehicle with respect to the ownership, maintenance or use of which there is no collect-
9 ible motor vehicle bodily injury liability insurance, in at least the amounts or limits prescribed for
10 bodily injury or death under ORS 806.070 applicable at the time of the accident with respect to any
11 person or organization legally responsible for the use of the vehicle, or with respect to which there
12 is collectible bodily injury liability insurance applicable at the time of the accident but the insur-
13 ance company writing the insurance denies coverage or the company writing the insurance becomes
14 voluntarily or involuntarily declared bankrupt or for which a receiver is appointed or becomes in-
15 solvent. It shall be a disputable presumption that a vehicle is uninsured in the event the insured and
16 the insurer, after reasonable efforts, fail to discover within 90 days from the date of the accident,
17 the existence of a valid and collectible motor vehicle bodily injury liability insurance applicable at
18 the time of the accident.

19 “(B) A hit-and-run vehicle.

20 “(C) A phantom vehicle.

21 “(D) A stolen vehicle.

22 “(E) A vehicle that is owned or operated by a self-insurer:

23 “(i) That is not in compliance with ORS 806.130 (1)(c); or

24 “(ii) That provides recovery to an insured in an amount that is less than the limits for uninsured
25 motorist coverage of the insured.

26 “(L) ‘Uninsured vehicle’ does not include:

27 “(A) An insured vehicle, unless the vehicle is a stolen vehicle;

28 “(B) Except as provided in paragraph (k)(E) of this subsection, a vehicle that is owned or oper-
29 ated by a self-insurer within the meaning of any motor vehicle financial responsibility law, motor
30 carrier law or any similar law;

31 “(C) A vehicle that is owned by the United States of America, Canada, a state, a political sub-
32 division of any such government or an agency of any such government;

33 “(D) A land motor vehicle or trailer, if operated on rails or crawler-treads or while located for
34 use as a residence or premises and not as a vehicle;

35 “(E) A farm-type tractor or equipment designed for use principally off public roads, except while
36 actually upon public roads; or

37 “(F) A vehicle owned by or furnished for the regular or frequent use of the insured or any
38 member of the household of the insured.

39 “(m) ‘Vehicle’ means every device in, upon or by which any person or property is or may be
40 transported or drawn upon a public highway, but does not include devices moved by human power
41 or used exclusively upon stationary rails or tracks.

42 “(3) This coverage applies only to accidents that occur on and after the effective date of the
43 policy, during the policy period and within the United States of America, its territories or pos-
44 sessions, or Canada.

45 “(4)(a) This coverage does not apply to bodily injury of an insured with respect to which the

1 insured or the legal representative of the insured shall, without the written consent of the insurer,
2 make any settlement with or prosecute to judgment any action against any person or organization
3 who may be legally liable therefor.

4 “(b) This coverage does not apply to bodily injury to an insured while occupying a vehicle, other
5 than an insured vehicle, owned by, or furnished for the regular use of, the named insured or any
6 relative resident in the same household, or through being struck by the vehicle.

7 “(c) This coverage does not apply so as to inure directly or indirectly to the benefit of any
8 workers’ compensation carrier, any person or organization qualifying as a self-insurer under any
9 workers’ compensation or disability benefits law or any similar law or the State Accident Insurance
10 Fund Corporation.

11 “(d) This coverage does not apply with respect to underinsured motorist benefits unless:

12 “(A) The limits of liability under any bodily injury liability insurance applicable at the time of
13 the accident regarding the injured person have been exhausted by payment of judgments or settle-
14 ments to the injured person or other injured persons;

15 “(B) The described limits have been offered in settlement, the insurer has refused consent under
16 paragraph (a) of this subsection and the insured protects the insurer’s right of subrogation to the
17 claim against the tortfeasor;

18 “(C) The insured gives credit to the insurer for the unrealized portion of the described liability
19 limits as if the full limits had been received if less than the described limits have been offered in
20 settlement, and the insurer has consented under paragraph (a) of this subsection; or

21 “(D) The insured gives credit to the insurer for the unrealized portion of the described liability
22 limits as if the full limits had been received if less than the described limits have been offered in
23 settlement and, if the insurer has refused consent under paragraph (a) of this subsection, the insured
24 protects the insurer’s right of subrogation to the claim against the tortfeasor.

25 “(e) When seeking consent under paragraph (a) or (d) of this subsection, the insured shall allow
26 the insurer a reasonable time in which to collect and evaluate information related to consent to the
27 proposed offer of settlement. The insured shall provide promptly to the insurer any information that
28 is reasonably requested by the insurer and that is within the custody and control of the insured.
29 Consent will be presumed to be given if the insurer does not respond within a reasonable time. For
30 purposes of this paragraph, a ‘reasonable time’ is no more than 30 days from the insurer’s receipt
31 of a written request for consent, unless the insured and the insurer agree otherwise.

32 “(5)(a) As soon as practicable, the insured or other person making claim shall give to the insurer
33 written proof of claim, under oath if required, including full particulars of the nature and extent of
34 the injuries, treatment and other details entering into the determination of the amount payable
35 hereunder. The insured and every other person making claim hereunder shall submit to examinations
36 under oath by any person named by the insurer and subscribe the same, as often as may reasonably
37 be required. Proof of claim shall be made upon forms furnished by the insurer unless the insurer fails
38 to furnish the forms within 15 days after receiving notice of claim.

39 “(b) Upon reasonable request of and at the expense of the insurer, the injured person shall
40 submit to physical examinations by physicians, physician assistants or nurse practitioners selected
41 by the insurer and shall, upon each request from the insurer, execute authorization to enable the
42 insurer to obtain medical reports and copies of records.

43 “(6) If, before the insurer makes payment of loss hereunder, the insured or the legal represen-
44 tative of the insured institutes any legal action for bodily injury against any person or organization
45 legally responsible for the use of a vehicle involved in the accident, a copy of the summons and

1 complaint or other process served in connection with the legal action shall be forwarded imme-
2 diately to the insurer by the insured or the legal representative of the insured.

3 “(7)(a) The limit of liability stated in the declarations as applicable to ‘each person’ is the limit
4 of the insurer’s liability for all damages because of bodily injury sustained by one person as the
5 result of any one accident and, subject to the above provision respecting each person, the limit of
6 liability stated in the declarations as applicable to ‘each accident’ is the total limit of the company’s
7 liability for all damages because of bodily injury sustained by two or more persons as the result of
8 any one accident.

9 “(b) Any payment made under this coverage to or for an insured shall be applied in reduction
10 of any amount that the insured may be entitled to recover from any person who is an insured under
11 the bodily injury liability coverage of this policy.

12 “(c) Any amount payable under the terms of this coverage because of bodily injury sustained in
13 an accident by a person who is an insured under this coverage shall be reduced by:

14 “(A) All sums paid on account of the bodily injury by or on behalf of the owner or operator of
15 the uninsured vehicle and by or on behalf of any other person or organization jointly or severally
16 liable together with the owner or operator for the bodily injury, including all sums paid under the
17 bodily injury liability coverage of the policy; and

18 “(B) The amount paid and the present value of all amounts payable on account of the bodily
19 injury under any workers’ compensation law, disability benefits law or any similar law.

20 “(d) Any amount payable under the terms of this coverage because of bodily injury sustained in
21 an accident by a person who is an insured under this coverage shall be reduced by the credit given
22 to the insurer pursuant to subsection (4)(d)(C) or (D) of this section.

23 “(e) The amount payable under the terms of this coverage may not be reduced by the amount
24 of liability proceeds offered, described in subsection (4)(d)(B) or (D) of this section, that has not been
25 paid to the injured person. If liability proceeds have been offered and not paid, the amount payable
26 under the terms of the coverage shall include the amount of liability limits offered but not accepted
27 due to the insurer’s refusal to consent. The insured shall cooperate so as to permit the insurer to
28 proceed by subrogation or assignment to prosecute the claim against the uninsured motorist.

29 “(8) No action shall lie against the insurer unless, as a condition precedent thereto, the insured
30 or the legal representative of the insured has fully complied with all the terms of this policy.

31 “(9)(a) With respect to bodily injury to an insured:

32 “(A) While occupying a vehicle owned by a named insured under this coverage, the insurance
33 under this coverage is primary.

34 “(B) While occupying a vehicle not owned by a named insured under this coverage, the insur-
35 ance under this coverage shall apply only as excess insurance over any primary insurance available
36 to the occupant that is similar to this coverage, and this excess insurance shall then apply only in
37 the amount by which the applicable limit of liability of this excess coverage exceeds the sum of the
38 applicable limits of liability of all primary insurance available to the occupant.

39 “(b) If an insured is an insured under other primary or excess insurance available to the insured
40 that is similar to this coverage, then the insured’s damages are deemed not to exceed the higher of
41 the applicable limits of liability of this insurance or the additional primary or excess insurance
42 available to the insured, and the insurer is not liable under this coverage for a greater proportion
43 of the insured’s damages than the applicable limit of liability of this coverage bears to the sum of
44 the applicable limits of liability of this insurance and other primary or excess insurance available
45 to the insured.

1 “(c) With respect to bodily injury to an insured while occupying any motor vehicle used as a
2 public or livery conveyance, the insurance under this coverage shall apply only as excess insurance
3 over any other insurance available to the insured that is similar to this coverage, and this insurance
4 shall then apply only in the amount by which the applicable limit of liability of this coverage ex-
5 ceeds the sum of the applicable limits of liability of all other insurance.

6 “(10) If any person making claim hereunder and the insurer do not agree that the person is le-
7 gally entitled to recover damages from the owner or operator of an uninsured vehicle because of
8 bodily injury to the insured, or do not agree as to the amount of payment that may be owing under
9 this coverage, then, in the event the insured and the insurer elect by mutual agreement at the time
10 of the dispute to settle the matter by arbitration, the arbitration shall take place as described in
11 ORS 742.505. Any judgment upon the award rendered by the arbitrators may be entered in any court
12 having jurisdiction thereof, provided, however, that the costs to the insured of the arbitration pro-
13 ceeding do not exceed \$100 and that all other costs of arbitration are borne by the insurer. ‘Costs’
14 as used in this provision does not include attorney fees or expenses incurred in the production of
15 evidence or witnesses or the making of transcripts of the arbitration proceedings. The person and
16 the insurer each agree to consider themselves bound and to be bound by any award made by the
17 arbitrators pursuant to this coverage in the event of such election. At the election of the insured,
18 the arbitration shall be held:

19 “(a) In the county and state of residence of the insured;

20 “(b) In the county and state where the insured’s cause of action against the uninsured motorist
21 arose; or

22 “(c) At any other place mutually agreed upon by the insured and the insurer.

23 “(11) In the event of payment to any person under this coverage:

24 “(a) The insurer shall be entitled to the extent of the payment to the proceeds of any settlement
25 or judgment that may result from the exercise of any rights of recovery of the person against any
26 uninsured motorist legally responsible for the bodily injury because of which payment is made;

27 “(b) The person shall hold in trust for the benefit of the insurer all rights of recovery that the
28 person shall have against such other uninsured person or organization because of the damages that
29 are the subject of claim made under this coverage, but only to the extent that the claim is made or
30 paid herein;

31 “(c) If the insured is injured by the joint or concurrent act or acts of two or more persons, one
32 or more of whom is uninsured, the insured shall have the election to receive from the insurer any
33 payment to which the insured would be entitled under this coverage by reason of the act or acts
34 of the uninsured motorist, or the insured may, with the written consent of the insurer, proceed with
35 legal action against any or all persons claimed to be liable to the insured for the injuries. If the
36 insured elects to receive payment from the insurer under this coverage, then the insured shall hold
37 in trust for the benefit of the insurer all rights of recovery the insured shall have against any other
38 person, firm or organization because of the damages that are the subject of claim made under this
39 coverage, but only to the extent of the actual payment made by the insurer;

40 “(d) The person shall do whatever is proper to secure and shall do nothing after loss to preju-
41 dice such rights;

42 “(e) If requested in writing by the insurer, the person shall take, through any representative not
43 in conflict in interest with the person, designated by the insurer, such action as may be necessary
44 or appropriate to recover payment as damages from such other uninsured person or organization,
45 such action to be taken in the name of the person, but only to the extent of the payment made

1 hereunder. In the event of a recovery, the insurer shall be reimbursed out of the recovery for ex-
2 penses, costs and attorney fees incurred by the insurer in connection therewith; and

3 “(f) The person shall execute and deliver to the insurer any instruments and papers as may be
4 appropriate to secure the rights and obligations of the person and the insurer established by this
5 provision.

6 “(12)(a) The parties to this coverage agree that no cause of action shall accrue to the insured
7 under this coverage unless within two years from the date of the accident:

8 “(A) Agreement as to the amount due under the policy has been concluded;

9 “(B) The insured or the insurer has formally instituted arbitration proceedings;

10 “(C) The insured has filed an action against the insurer; or

11 “(D) Suit for bodily injury has been filed against the uninsured motorist and, within two years
12 from the date of settlement or final judgment against the uninsured motorist, the insured has
13 formally instituted arbitration proceedings or filed an action against the insurer.

14 “(b) For purposes of this subsection:

15 “(A) ‘Date of settlement’ means the date on which a written settlement agreement or release is
16 signed by an insured or, in the absence of these documents, the date on which the insured or the
17 attorney for the insured receives payment of any sum required by the settlement agreement. An
18 advance payment as defined in ORS 31.550 shall not be deemed a payment of a settlement for pur-
19 poses of the time limitation in this subsection.

20 “(B) ‘Final judgment’ means a judgment that has become final by lapse of time for appeal or by
21 entry in an appellate court of an appellate judgment.

22 “**SECTION 60.** ORS 743.027 is amended to read:

23 “743.027. A life or health insurance policy upon an individual, except a policy of group life in-
24 surance or of group or blanket health insurance, may not be made or effectuated unless at the time
25 of the making of the policy the individual insured, being of competent legal capacity to contract,
26 applies therefor or has consented thereto in writing, except in the following cases:

27 “(1) A spouse may effectuate such insurance upon the other spouse.

28 “(2) Any person having an insurable interest in the life of a minor, or any person upon whom
29 a minor is dependent for support and maintenance, may effectuate insurance upon the life of or
30 pertaining to such minor.

31 “(3) Family policies may be issued insuring any two or more members of a family on an appli-
32 cation signed by either parent, a stepparent[, *or by a husband or wife*] **or a spouse in a marriage.**

33 “(4) A person may effectuate insurance that provides for the funeral expenses of an adult who
34 is dependent upon the person for support and maintenance.

35 “(5) A person may effectuate insurance that provides for the funeral expenses of an adult if the
36 person:

37 “(a) Is closely related to the adult by blood or by law or has a substantial interest in the adult
38 engendered by love and affection; and

39 “(b) Has a lawful and substantial interest in having the life, health and bodily safety of the adult
40 continue.

41 “**SECTION 61.** ORS 743A.084 is amended to read:

42 “743A.084. Each policy of health insurance shall provide:

43 “(1) The same payments for costs of maternity to unmarried women that it provides to married
44 women, including the [*wives*] **spouses in marriages** of insured persons choosing family coverage;
45 and

1 “(2) The same coverage for the child of an unmarried woman that the child of an insured mar-
2 ried person choosing family coverage receives.”
