5 **SECTION 61.** ORS 192.502 is amended to read:

6 192.502. The following public records are exempt from disclosure under ORS 192.410 to 192.505:

7 (1) Communications within a public body or between public bodies of an advisory nature to the  
8 extent that they cover other than purely factual materials and are preliminary to any final agency  
9 determination of policy or action. This exemption shall not apply unless the public body shows that  
10 in the particular instance the public interest in encouraging frank communication between officials  
11 and employees of public bodies clearly outweighs the public interest in disclosure.

12 (2) Information of a personal nature such as but not limited to that kept in a personal, medical  
13 or similar file, if public disclosure would constitute an unreasonable invasion of privacy, unless the  
14 public interest by clear and convincing evidence requires disclosure in the particular instance. The  
15 party seeking disclosure shall have the burden of showing that public disclosure would not consti-  
16 tute an unreasonable invasion of privacy.

17 (3) Public body employee or volunteer addresses, Social Security numbers, dates of birth and  
18 telephone numbers contained in personnel records maintained by the public body that is the em-  
19 ployer or the recipient of volunteer services. This exemption:

20 (a) Does not apply to the addresses, dates of birth and telephone numbers of employees or vol-  
21 unteers who are elected officials, except that a judge or district attorney subject to election may  
22 seek to exempt the judge's or district attorney's address or telephone number, or both, under the  
23 terms of ORS 192.445;

24 (b) Does not apply to employees or volunteers to the extent that the party seeking disclosure  
25 shows by clear and convincing evidence that the public interest requires disclosure in a particular  
26 instance;

27 (c) Does not apply to a substitute teacher as defined in ORS 342.815 when requested by a pro-  
28 fessional education association of which the substitute teacher may be a member; and

31 be submitted, where such information should reasonably be considered confidential, the public body  
32 has obliged itself in good faith not to disclose the information, and when the public interest would  
33 suffer by the disclosure.

34 (5) Information or records of the Department of Corrections, including the State Board of Parole  
35 and Post-Prison Supervision, to the extent that disclosure would interfere with the rehabilitation of  
36 a person in custody of the department or substantially prejudice or prevent the carrying out of the  
37 functions of the department, if the public interest in confidentiality clearly outweighs the public in-  
38 terest in disclosure.

39 (6) Records, reports and other information received or compiled by the Director of the Depart-  
40 ment of Consumer and Business Services in the administration of ORS chapters 723 and 725 not  
41 otherwise required by law to be made public, to the extent that the interests of lending institutions,  
42 their officers, employees and customers in preserving the confidentiality of such information out-  
43 weighs the public interest in disclosure.

44 (7) Reports made to or filed with the court under ORS 137.077 or 137.530.

45 (8) Any public records or information the disclosure of which is prohibited by federal law or

1 regulations.

2 (9)(a) Public records or information the disclosure of which is prohibited or restricted or other-  
3 wise made confidential or privileged under Oregon law.

4 (b) Subject to ORS 192.423, paragraph (a) of this subsection does not apply to factual information  
5 compiled in a public record when:

6 (A) The basis for the claim of exemption is ORS 40.225;

7 (B) The factual information is not prohibited from disclosure under any applicable state or fed-  
8 eral law, regulation or court order and is not otherwise exempt from disclosure under ORS 192.410  
9 to 192.505;

10 (C) The factual information was compiled by or at the direction of an attorney as part of an  
11 investigation on behalf of the public body in response to information of possible wrongdoing by the  
12 public body;

13 (D) The factual information was not compiled in preparation for litigation, arbitration or an  
14 administrative proceeding that was reasonably likely to be initiated or that has been initiated by  
15 or against the public body; and

16 (E) The holder of the privilege under ORS 40.225 has made or authorized a public statement  
17 characterizing or partially disclosing the factual information compiled by or at the attorney's di-  
18 rection.

19 (10) Public records or information described in this section, furnished by the public body ori-  
20 ginally compiling, preparing or receiving them to any other public officer or public body in con-  
21 nection with performance of the duties of the recipient, if the considerations originally giving rise  
22 to the confidential or exempt nature of the public records or information remain applicable.

23 (11) Records of the Energy Facility Siting Council concerning the review or approval of security  
24 programs pursuant to ORS 469.530.

25 (12) Employee and retiree address, telephone number and other nonfinancial membership records  
26 and employee financial records maintained by the Public Employees Retirement System pursuant to  
27 ORS chapters 238 and 238A.

28 (13) Records of or submitted to the State Treasurer, **the Oregon Investment Department**, the  
29 Oregon Investment Council, **the Oregon Growth Board** or the agents of the **State Treasurer, de-**  
30 **partment**, [or *the*] council **or board** relating to active or proposed publicly traded investments un-  
31 der ORS chapter 293 **or 348**, including but not limited to records regarding the acquisition, exchange  
32 or liquidation of the investments. For the purposes of this subsection:

33 (a) The exemption does not apply to:

34 (A) Information in investment records solely related to the amount paid directly into an invest-  
35 ment by, or returned from the investment directly to, the **State Treasurer, department, council**

27 that invest through the deferred compensation investment program are subject to the policies and  
28 procedures established by the [council] **department** for the administration of the program.

36 ipating local government.

37 (3) All funds invested by the [council] **department** for a participating local government must be  
38 accounted for separately. Investment of funds under this section must be implemented and admin-

2 (5) The terms of the agreement provided for in subsection (2) of this section shall govern the

11 complies with the provisions of section 457 of the Internal Revenue Code, as amended, that apply  
12 to governmental plans, including but not limited to any required declaration of trust related to plan  
13 assets and appointment of a trustee. The [*council*] **department**, board or director may require an  
14 opinion of counsel or other assurance satisfactory to the [*council*] **department**, board or director  
15 that participation of a local government deferred compensation plan in the deferred compensation  
16 investment program does not cause the State of Oregon, its agencies or employees to violate any  
17 federal or state laws or regulations related to investments and securities.

18 (2) Participating local governments shall take all actions that the Oregon Investment [*Council*]  
19 **Department**, the Public Employees Retirement Board or the Director of the Public Employees Re-  
20 tirement System, in their discretion, deem necessary for compliance by the deferred compensation  
21 investment program with all applicable federal and state laws or for qualification of the program for  
22 any exemptions from regulation available under those laws, including but not limited to the federal  
23 Securities Act of 1933, as amended, the Investment Company Act of 1940, as amended, and ORS

31 through contracts with other providers.

32 (2) Agreements under this section must require that the participating local government remain  
33 the responsible administrator for the local government deferred compensation plan. The agreement

35 poses of offering the services described in subsection (1) of this section to local government deferred  
36 compensation plans, including proof of compliance under ORS 243.476. The system may require that  
37 participating local governments that enter into agreements with the system under this section have  
38 uniform provisions on plan administration and record keeping.

39 (3) The system may assess a charge, in an amount to be determined by the system, against the  
40 total account balances in the Deferred Compensation Fund of all local governments that have en-  
41 tered into service agreements under this section. The charge imposed under this subsection is in  
42 addition to any charges that may be assessed against local governments by the system under ORS  
43 243.474 or deducted by the **Oregon Investment Department or the** State Treasurer under ORS  
44 293.718.

45 (4) In the event the assessment provided for in subsection (3) of this section is inadequate to

1 meet the administrative expenses incurred by the system for local government deferred compen-  
 2 sation plans during a fiscal period, and the expenses are not carried over to another fiscal period  
 3 pursuant to ORS 243.472 (2), the excess expenses may be paid by an additional one-time assessment  
 4 against the account balances in the Deferred Compensation Fund of participating local governments  
 5 that have entered into service agreements under this section.

6 **SECTION 70.** ORS 243.482 is amended to read:

 22 the council, the board, and their officers and employees, as provided for other torts under the pro-  
 23 visions of ORS 30.260 to 30.300.

24 (3) The limitations on liability established by this section do not include an exemption from any  
 25 liability that may be imposed under the provisions of ORS chapter 59. Except to the extent that the  
 26 state deferred compensation plan and the deferred compensation investment program are exempted  
 27 from registration and licensing requirements under ORS 243.421, ORS chapter 59 applies to the ad-
