(8) "Third-party settlement organization" has the same meaning as defined in 26 U.S.C. § 6050W of the Internal Revenue Code.

(b)

(1) A state or local government entity, official, employee, or agent shall not knowingly create or maintain a registry with the intent to record the possession or ownership of a firearm, ammunition, or firearm accessory by individuals or non-governmental entities.

(2) A payment settlement entity, merchant acquiring entity, or third-party settlement organization shall not assign a merchant category code to, or a separate classification for, a merchant that is a seller of firearms, ammunition, or firearm accessories separately from general merchandise retailers or sporting goods retailers.

(3) An entity involved in facilitating or processing a payment card transaction, including, but not limited to, a financial institution, a payment acquirer, a payment card network, or a payment card issuer, shall not assign to or require a merchant to use a merchant category code that classifies the merchant as a firearms, ammunition, or firearm accessories retailer or places the merchant in a similar classification. Notwithstanding this subsection (e), public funds may be expended to provide the services of a public defender or court-appointed mediator or attorney as required by law.

SECTION 2. This act takes effect upon becoming a law, the public welfare requiring it.
