AN ACT

To require the Transportation Security Administration to conform to existing Federal law and regulations regarding criminal investigator positions, and for other purposes.

1 *Be it enacted by the Senate and House of Representa-*
2 *tives of the United States of America in Congress assembled,*

3 **SECTION 1. SHORT TITLE.**

4 This Act may be cited as the “TSA Office of Inspec-
5 ~~tion Accountability Act of 2015~~”.

1 **SEC. 2. FINDINGS.**

2 Congress makes the following findings:

3 (1) Consistent with Federal law and regula-
4 tions, for law enforcement officers to qualify for pre-
5 mium pay as criminal investigators, the officers
6 must, in general, spend on average at least 50 per-
7 cent of their time investigating, apprehending, or de-
8 taining individuals suspected or convicted of offenses
9 against the criminal laws of the United States.

10 (2) According to the Inspector General of the
11 Department of Homeland Security (DHS IG), the
12 Transportation Security Administration (TSA) does
13 not ensure that its cadre of criminal investigators in
14 the Office of Inspection are meeting this require-
15 ment, even though they are considered law enforce-
16 ment officers under TSA policy and receive premium
17 pay.

18 (3) Instead, TSA criminal investigators in the
19 Office of Inspection primarily monitor the results of
20 criminal investigations conducted by other agencies,
21 investigate administrative cases of TSA employee
22 misconduct, and carry out inspections, covert tests,
23 and internal reviews, which the DHS IG asserts
24 could be performed by employees other than criminal
25 investigators at a lower cost.

1 (4) The premium pay and other benefits af-
2 forded to TSA criminal investigators in the Office of
3 Inspection who are incorrectly classified as such will
4 cost the taxpayer as much as \$17 million over 5
5 years if TSA fails to make any changes to the num-
6 ber of criminal investigators in the Office of Inspec-
7 tion, according to the DHS IG.

8 (5) This may be a conservative estimate, as it
9 accounts for the cost of Law Enforcement Avail-
10 ability Pay, but not the costs of law enforcement
11 training, statutory early retirement benefits, police
12 vehicles, and weapons.

13 **SEC. 3. DEFINITIONS.**

14 In this Act:

8 evant findings to the Assistant Secretary, including a find-
9 ing on whether the data and methods are adequate and
