

1 S.295

2 Introduced by Senators Fox, Ashe, Flory, Sears, and Snelling

3 Referred to Committee on Judiciary

4 Date: January 7, 2014

5 Subject: Crimes and criminal procedure; pretrial screening and services

6 Statement of purpose of bill as introduced: This bill proposes to require the
7 Court to order pretrial screening for a defendant who may be appropriate for
8 substance abuse treatment and permit the Court to order an assessment if
9 warranted by the screening; require the Department of Corrections to establish
10 risk and need assessment tools for use in Vermont for use in the various
11 decision points in the criminal justice system; require the Department of
12 State's Attorneys and Sheriffs to submit a report to the General Assembly
13 regarding alternative programs and services currently available in each county
14 and a plan for implementing a sequential intercept model in each county.

15 An act relating to pretrial services, risk assessments, and criminal justice
16 programs

17 It is hereby enacted by the General Assembly of the State of Vermont:

1 ~~Sec. 1. 13 V.S.A. § 7554e and 7554d are added to read:~~

2 § 7554c. SCREENING FOR THE PURPOSE OF REFERRAL TO

3 SERVICES

4 (a) If the affidavit or information indicates substance abuse treatment may
5 be appropriate for the defendant, the Court shall order the defendant to undergo
6 a screening prior to arraignment or as soon as possible.

7 (b) If screening indicates that substance abuse assessment is appropriate for
8 the defendant, the Court may order the defendant to undergo an assessment. If
9 possible, the Court shall set the date and time for the assessment at
10 arraignment. The order may require the provider of the assessment to confirm
11 the defendant's attendance and participation in the assessment.

12 (c) Information obtained from the defendant during the screening or
13 assessment may not be used as evidence against the defendant in the pending
14 criminal charge or to bring new criminal charges against the defendant. The
15 defendant shall retain all of his or her due process rights throughout the
16 screening and assessment process.

17 § 7554d. RISK AND NEED ASSESSMENT

18 (a) A risk and need assessment shall be conducted for any person detained
19 for a nonviolent misdemeanor or nonviolent felony. The assessment shall take
20 place within three days of the person's arrest.

1 ~~(b) Information obtained from the defendant during the assessment may not~~
2 ~~be used as evidence against the defendant in the pending criminal charge or to~~
3 ~~bring new criminal charges against the defendant. The defendant shall retain~~
4 ~~all of his or her due process rights throughout the assessment process.~~

5 Sec. 2. RISK AND NEED ASSESSMENT TOOLS

6 (a) The Department of Corrections shall establish risk and need assessment
7 tools for use in Vermont for use in the various decision points in the criminal
8 justice system, including pretrial, community supervision screening,
9 community supervision, prison screening, prison intake, and reentry.

10 (b) The Department shall consult with and have the cooperation of all
11 criminal justice agencies in development and implementation of the tools.

12 (c) The Department shall have the tools available for use on or before
13 September 1, 2014. The Department, the Judiciary, the Defender General, and
14 the Department of State's Attorneys and Sheriffs shall conduct training on the
15 risk assessment tools on or before October 15, 2014.

16 Sec. 3. ALTERNATIVES TO TRADITIONAL CRIMINAL JUSTICE

17 MODEL

18 (a) It is the intent of the General Assembly that law enforcement officials
19 and criminal justice professionals develop and maintain programs at every
20 stage of the criminal justice system to provide alternatives to a traditional
21 punitive criminal justice response for people who can safely, effectively, and

1 ~~justly benefit from those alternative responses. Commonly referred to as the~~
2 sequential intercept model, this approach was designed to identify five points
3 within the criminal justice system where innovative approaches to offenders
4 and offending behavior could be taken to divert individuals away from a
5 traditional criminal justice response to crime. These intercept points begin in
6 the community with law enforcement interaction with citizens, proceed
7 through arrest, the judicial process, and sentencing, and conclude with release
8 back into communities. Programs may include the employment of
9 police-social workers, community justice centers, community-based dispute
10 resolution, pre-charge programs, pretrial services and case management, drug
11 and DUI treatment courts, suspended fine programs, and offender reentry
12 programs.

13 (b) The Department of State's Attorneys and Sheriffs, in consultation with
14 the Judiciary and the Attorney General, shall develop broad guidelines for
15 these alternative programs.

16 (c) On or before January 5, 2015, the Executive Director of the Department
17 of State's Attorneys and Sheriffs shall report to the General Assembly detailing
18 the alternative response programs that exist in each county together with the
19 protocols for each program, the annual number of persons served by the
20 program, and a plan for how a sequential intercept model can be employed in
21 the county. The report shall be prepared in cooperation with the Directors of

~~Court Diversion and the Community Justice Network and State, municipal, and
county law enforcement officials.~~

Sec. 4. EFFECTIVE DATES

(a) Sec. 1 shall take effect on November 1, 2014.

(b) This section and Secs. 2 (risk and need assessment tools) and 3

(alternatives to traditional criminal justice model) shall take effect on passage.

~~*** Pretrial Services ***~~

~~Sec. 1. LEGISLATIVE FINDINGS~~

~~(a) Research shows the risk-need-responsivity model approach to
addressing criminal conduct is successful at reducing recidivism. The model's
premise is that the risk and needs of a person charged with or convicted of a
criminal offense should determine the strategies appropriate for addressing
the person's criminogenic factors.~~

~~(b) Some studies show that incarceration of low-risk offenders or
placement of those offenders in programs or supervision designed for high-risk
offenders may increase the likelihood of recidivism.~~

~~(c) The General Assembly recommends use of evidence-based risk
assessments and needs screening tools for eligible offenses to provide
information to the Court for the purpose of determining bail and appropriate
conditions of release and inform decisions related to an offender's
participation and level of supervision in an alternative justice program.~~

~~(d) The General Assembly intends this act to be a continuation of justice
reinvestment efforts initiated in 2007 by the Legislative, Judicial, and
Executive Branches. Justice reinvestment is a data-driven approach to
improve public safety, reduce corrections and related criminal justice
spending, and reinvest savings in strategies that can decrease crime and
strengthen communities.~~

~~(e) Buprenorphine/Naloxone (Suboxone or Subutex) is a well-known
medication used in the treatment of opioid addiction. Vermont spends
\$8.3 million in Medicaid funds annually on these drugs. As medicated-assisted
treatment for opiate addiction has increased substantially in the last several
years, so has illegal diversion of these drugs and their misuse. Suboxone is
currently the number one drug smuggled into Vermont correctional facilities
and evidence suggests that the nonmedical use of such drugs is gaining in~~

~~popularity. The General Assembly urges the administration to prioritize efforts to ensure that people with opiate addictions are provided access to necessary medication, while taking all possible measures to prevent the diversion and misuse of these drugs, including working with drug manufacturers.~~

~~Sec. 2. 13 V.S.A. § 7554c is added to read:~~

~~§ 7554c. PRETRIAL RISK ASSESSMENTS; NEEDS SCREENINGS~~

~~(a) The objective of a pretrial risk assessment is to provide information to the Court for the purpose of determining whether a person presents a risk of nonappearance or a threat to public safety, so the Court can make an appropriate order concerning bail and conditions of pretrial release. Participation in a risk assessment or needs screening pursuant to this section does not create any entitlement for the assessed or screened person.~~

~~(b)(1) If a person is arrested or cited for an eligible offense, the person shall be offered a risk assessment and, if appropriate, a substance abuse or mental health needs screening, or both, prior to arraignment. In the event an assessment or screening cannot be obtained prior to arraignment, the Court shall direct the assessment and screening to be conducted as soon as practicable. Participation in an assessment or screening shall be voluntary. As used in this section, "eligible offense" means any offense that is not a listed crime pursuant to section 5301 of this title, except that burglary into an occupied dwelling pursuant to subdivision 1201(c)(3) of this title shall also qualify as an eligible offense.~~

~~(2) Any person arrested and charged with an offense that is not an eligible offense or an offense for which bail may be denied pursuant to section 7553 or 7553a of this title may be offered a risk assessment and, if appropriate, a substance abuse or mental health needs screening, or both, prior to arraignment. In the event an assessment or screening cannot be obtained prior to arraignment, the Court shall direct the assessment and screening to be conducted as soon as practicable. Participation in an assessment or screening shall be voluntary.~~

~~(c) The results of the assessment and screening shall be provided to the prosecutor who, upon filing a criminal charge against the person, shall provide the results to the person and his or her attorney and the Court.~~

~~(d)(1) In consideration of the assessment and screening, the Court may order the person to comply with any of the following conditions:~~

~~(A) meet with a compliance monitor on a schedule set by the Court;~~

~~(B) participate in a clinical assessment by a substance abuse treatment provider;~~

~~(C) comply with any treatment recommended by the provider;~~

~~(C) comply with any level of treatment or recovery support recommended by the provider;~~

~~(D) provide confirmation to the compliance monitor of the person's attendance and participation in the clinical assessment and any recommended treatment; and~~

~~(E) provide confirmation to the compliance monitor of the person's compliance with any other condition of release.~~

~~(2) If possible, the Court shall set the date and time for the assessment at arraignment. In the alternative, the compliance monitor shall coordinate the date, time, and location of the clinical assessment and advise the Court, the person and his or her attorney, and the prosecutor.~~

~~(3) The conditions authorized in subdivision (1) of this subsection shall be in addition to any other conditions of release permitted by law.~~

~~(e) Information obtained from the person during the risk assessment or needs screening shall be exempt from public inspection and copying under the Public Records Act and shall not be released or used for any purpose except for determining bail, conditions of release, and appropriate programming for the person in the pending case. The person shall retain all of his or her due process rights throughout the assessment and screening process and may release his or her records at his or her discretion. The Vermont Supreme Court and the Department of Corrections shall adopt rules related to the custody, control, and preservation of information consistent with the confidentiality requirements of this section.~~

Sec. 3. RISK AND NEEDS SCREENING TOOLS AND SERVICES

~~(a) The Department of Corrections shall select risk and needs assessment and screening tools for use in the various decision points in the criminal justice system, including pretrial, community supervision screening, community supervision, prison screening, prison intake, and reentry. The Department shall validate the selected tools for the population in Vermont.~~

~~(b) In selection and implementation of the tools, the Department shall consider tools being used in other states and shall consult with and have the cooperation of all criminal justice agencies.~~

~~(c) The Department shall have the tools available for use on or before September 1, 2014. The Department, the Judiciary, the Defender General, and the Department of State's Attorneys and Sheriffs shall conduct training on the risk assessment tools on or before December 15, 2014.~~

~~(d) The Department, in consultation with law enforcement agencies and the courts, shall contract for or otherwise provide pretrial services described in this section, including performance of risk assessments, needs screenings, and compliance monitoring.~~

~~(e) Compliance monitoring shall include:~~

~~(1) reporting to the Court concerning the person's compliance with conditions of release;~~

~~(2) supporting the person in meeting the conditions imposed by the Court, including the condition to appear in Court as directed; and~~

~~(3) identifying community-based treatment, rehabilitative services, recovery supports, and restorative justice programs.~~

~~(f) The Department, in consultation with the Judiciary and the Center for Criminal Justice Research, shall develop and implement a system to evaluate performance of the pretrial services described in this section and report to the General Assembly annually on or before December 15.~~

~~(g) The Secretary of Human Services, with staff and administrative support from the Criminal Justice Capable Core Team, shall map services and assess the impact of court referrals and the capacity of the current service provision system in each region. The Secretary, in collaboration with service providers and other stakeholders, shall consider regional resources, including services for assessment, early intervention, treatment, and recovery support. Building on existing models and data, the Secretary and the Criminal Justice Capable Core Team shall develop recommendations for a system for referral based on the appropriate level of need, identifying existing gaps to optimize successful outcomes. Funding models for those services shall be examined by the appropriate State departments.~~

~~*** Sequential Intercept Model and Alternative
Justice Programs ***~~

~~Sec. 4. ALTERNATIVES TO TRADITIONAL CRIMINAL JUSTICE
MODEL~~

~~(a) It is the intent of the General Assembly that law enforcement officials and criminal justice professionals develop and maintain programs at every stage of the criminal justice system to provide alternatives to a traditional punitive criminal justice response for people who, consistent with public safety, can effectively and justly benefit from those alternative responses. Commonly referred to as the sequential intercept model, this approach was designed to identify five points within the criminal justice system where innovative approaches to offenders and offending behavior could be taken to~~

~~divert individuals away from a traditional criminal justice response to crime. These intercept points begin in the community with law enforcement interaction with citizens, proceed through arrest, the judicial process, and sentencing, and conclude with release back into communities. Alternative justice programs may include the employment of police-social workers, community-based restorative justice programs, community-based dispute resolution, pre-charge programs, pretrial services and case management, recovery support, drug and DUI treatment courts, suspended fine programs, and offender reentry programs.~~

~~(b) The Department of State's Attorneys and Sheriffs, in consultation with the Judiciary and the Attorney General, shall develop broad guidelines for these alternative justice programs to ensure there is probable cause and that there are appropriate opportunities for victim input and restitution.~~

~~(c) On or before October 1, 2014, and annually thereafter, the Executive Director of State's Attorneys and Sheriffs shall report to the General Assembly detailing the alternative justice programs that exist in each county together with the protocols for each program, the annual number of persons served by the program, and a plan for how a sequential intercept model can be employed in the county. The report shall be prepared in cooperation with the Directors of Court Diversion, co-chairs of the Community Justice Network of Vermont, and State, municipal, and county law enforcement officials.~~

~~Sec. 5. 13 V.S.A. § 7554d is added to read:~~

~~§ 7554d. PRE-CHARGE PROGRAMS~~

~~(a) At the sole discretion of the prosecutor, a person who has been arrested or cited may participate in a pre-charge program that addresses substance abuse, addiction recovery, mental health issues, or community-based restorative justice principles consistent with a written protocol established by the prosecutor and filed with the Executive Director of State's Attorneys and Sheriffs. A person who does not qualify for a pre-charge program may be eligible for other alternative justice programs.~~

~~(b) Compliance monitors shall be available and utilized in the pre-charge program in the same manner as under section 7554c of this title; however, in the pre-charge program, the monitor shall report to the prosecutor about the person's participation in the program and not to the Court.~~

~~Sec. 6. 13 V.S.A. § 5362(c) is amended to read:~~

~~(c) The Restitution Unit shall have the authority to:~~

~~* * *~~

~~(7) Enter into a repayment contract with a juvenile or adult accepted into a diversion program or alternative justice program and to bring a civil action to enforce the contract when a diversion program has referred an individual pursuant to 3 V.S.A. § 164a or an alternative justice program contract pursuant to sections 7554c and 7554d of this title.~~

~~Sec. 7. 13 V.S.A. § 5363(d)(2) is amended to read:~~

~~(2) The Restitution Unit may make advances of up to \$10,000.00 under this subsection to the following persons or entities:~~

~~* * *~~

~~(B) A victim who is a natural person or the natural person's legal representative in a case where the defendant, before or after an adjudication of guilt, enters into a drug court contract or an alternative justice program contract pursuant to sections 7554c and 7554d of this title requiring payment of restitution.~~

~~* * * Criminal Provisions * * *~~

~~Sec. 8. 18 V.S.A. § 4233(d) is added to read:~~

~~(d) Transportation into the State. In addition to any other penalties provided by law, a person knowingly and unlawfully transporting heroin into Vermont with the intent to sell or dispense the heroin shall be imprisoned not more than 10 years or fined not more than \$100,000.00, or both.~~

~~Sec. 9. 13 V.S.A. § 1201 is amended to read:~~

~~§ 1201. BURGLARY~~

~~(a) A person is guilty of burglary if he or she enters any building or structure knowing that he or she is not licensed or privileged to do so, with the intent to commit a felony, petit larceny, simple assault, or unlawful mischief. This provision shall not apply to a licensed or privileged entry, or to an entry that takes place while the premises are open to the public, unless the person, with the intent to commit a crime specified in this subsection, surreptitiously remains in the building or structure after the license or privilege expires or after the premises no longer are open to the public.~~

~~(b) As used in this section, the words "building," "structure," and "premises":~~

~~(1) "Building," "premises," and "structure" shall, in addition to their common meanings, include and mean any portion of a building, structure, or premises which differs from one or more other portions of such building, structure, or premises with respect to license or privilege to enter, or to being open to the public.~~

~~(2) "Occupied dwelling" means a building used as a residence, regardless of whether someone is actually present in the building at the time of entry.~~

~~(c)(1) A person convicted of burglary into an occupied dwelling shall be imprisoned not more than 25 years or fined not more than \$1,000.00, or both. Otherwise a person convicted of burglary shall be imprisoned not more than 15 years or fined not more than \$1,000.00, or both.~~

~~(2) A person convicted of burglary and who carries a dangerous or deadly weapon, openly or concealed, shall be imprisoned not more than 20 years or fined not more than \$10,000.00, or both.~~

~~(3) A person convicted of burglary into an occupied dwelling:~~

~~(A) shall be imprisoned not more than 25 years or fined not more than \$1,000.00, or both; or~~

~~(B) shall be imprisoned not more than 30 years or fined not more than \$10,000.00, or both, if the person carried a dangerous or deadly weapon, openly or concealed, during commission of the offense.~~

~~(4) A person convicted of burglary into an occupied dwelling when someone is actually present in the building at the time of entry and who carries a dangerous or deadly weapon, openly or concealed, or who uses or threatens to use force against the occupant during the commission of the offense shall be imprisoned not more than 40 years or fined not more than \$10,000.00, or both.~~

~~Sec. 10. DEPARTMENT OF PUBLIC SAFETY REPORT~~

~~The Department of Public Safety, in consultation with the Department of Health, shall examine 18 V.S.A. § 4234 (depressant, stimulant, narcotic drug) for the purpose of establishing clear dosage amounts for narcotics as they relate to unlawful possession, dispensing, and sale. The Department shall consider section 4234 in relation to 18 V.S.A. § 4233 (heroin). The Department shall report its recommendations to the Senate and House Committees on Judiciary on or before December 15, 2014.~~

~~*** Regulation of Opiates ***~~

~~Sec. 11. 18 V.S.A. § 4215 is amended to read.~~

~~§ 4215. AUTHORIZED SALES BY PHARMACISTS~~

~~(a) Except as provided in subsection (d) of this section, a duly licensed pharmacist, in good faith and in the course of professional practice, may sell and dispense regulated drugs to any person upon a written prescription or oral prescription which is reduced promptly to writing by the pharmacist by an individual authorized by law to prescribe and administer prescription drugs in~~

~~the course of professional practice. The written prescription shall be dated and signed by the person prescribing or, if an oral prescription by the pharmacist on the day when written, and bearing the full name and date of birth of the patient for whom the drug is prescribed, and the full name of the person prescribing. If the prescription is for an animal, the prescription shall state the species of animal for which the drug is prescribed and the full name and address of the owner of the animal. A prescription shall not be refilled unless refilling is authorized by the practitioner on the original prescription or by the original oral order.~~

~~* * *~~

~~(d) A pharmacist may only fill a prescription for a drug containing buprenorphine if the prescription was written by a health care professional on a list of approved prescribers of the drug established and maintained by the Department of Health pursuant to section 4215e of this title.~~

~~Sec. 11. DVHA AUTHORITY; USE OF AVAILABLE SANCTIONS~~

~~The Department of Vermont Health Access shall use its authority to sanction Medicaid-participating prescribers operating in bad faith or not in compliance with State or federal requirements.~~

~~Sec. 12. 18 V.S.A. § 4215c is added to read:~~

~~§ 4215c. APPROVED PRESCRIBERS OF BUPRENORPHINE~~

~~(a) The Commissioner of Health shall establish and maintain a list of approved prescribers of buprenorphine and drugs containing buprenorphine. The list shall consist of the names of physicians licensed within and outside the State who wish to prescribe buprenorphine to Vermont residents and meet all of the following conditions.~~

~~(1) have received a waiver from the federal Substance Abuse and Mental Health Services Administration to provide medication-assisted therapy;~~

~~(2) have a special identification number from the federal Drug Enforcement Administration allowing the physician to prescribe buprenorphine; and~~

~~(3) meet such other standards and conditions as the Commissioner may establish by rule.~~

~~(b)(1) A physician who wishes to be included in the list of approved prescribers shall notify the Commissioner in writing of his or her intent and shall submit documentation that the physician meets the conditions specified in subsection (a) of this section.~~

~~(2) The Commissioner shall remove from the list any physician who fails to comply with the conditions specified in subsection (a) of this section.~~

~~(3) The Commissioner shall establish by rule a process by which a physician may appeal a decision by the Commissioner to exclude the physician from the approved prescriber list or to remove the physician's name from the list.~~

Sec. 12. [DELETED]

Sec. 13. VPMS QUERY; MEDICAID PARTICIPATION; RULEMAKING

The Secretary of Human Services shall adopt rules requiring all Medicaid participating providers, whether licensed in or outside Vermont, to query the Vermont Prescription Monitoring System (VPMS) prior to prescribing buprenorphine or a drug containing buprenorphine to a Vermont Medicaid beneficiary.

Sec. 14. MEDICATION-ASSISTED THERAPY; RULEMAKING

The Commissioner of Health shall adopt rules relating to medication-assisted therapy for opioid dependence for physicians treating fewer than 30 patients, which shall include a requirement that such physicians ensure that their patients receive appropriate substance abuse counseling from a licensed clinical professional.

~~Sec. 15. TAMPER-RESISTANT PACKAGING; INTENT~~

~~It is the intent of the General Assembly to encourage manufacturers of products containing buprenorphine to develop tamper-resistant packaging for their products and to endeavor to create products that are effective for medication-assisted therapy but do not lend themselves easily to diversion.~~

Sec. 15. [DELETED]

~~Sec. 16. PHARMACY BEST PRACTICES AND COST CONTAINMENT; TABLETS AND BLISTER PACKS~~

The Commissioner of Vermont Health Access shall undertake all reasonable efforts, including negotiating with pharmaceutical manufacturers through the pharmacy best practices and cost containment program established by 33 V.S.A. § 1998, to increase the availability and reduce the cost to the State's public health benefit programs and program participants of prescribed products containing buprenorphine in tablet form to be dispensed in blister packs.

Sec. 16. [DELETED]

~~Sec. 17. 18 V.S.A. § 4254 is amended to read:~~

~~§ 4254. IMMUNITY FROM LIABILITY~~

~~* * *~~

~~(b) A person who, in good faith and in a timely manner, seeks medical assistance for someone who is experiencing a drug overdose shall not be cited, arrested, or prosecuted for a violation of this chapter or cited, arrested, or prosecuted for procuring, possessing, or consuming alcohol by someone under age 21 years of age pursuant to 7 V.S.A §§ 656 and 657 or for providing to or enabling consumption of alcohol by someone under age 21 years of age pursuant to 7 V.S.A. § 658(a)-(c).~~

~~(c) A person who is experiencing a drug overdose and, in good faith, seeks medical assistance for himself or herself or is the subject of a good faith request for medical assistance shall not be cited, arrested, or prosecuted for a violation of this chapter or cited, arrested, or prosecuted for procuring, possessing, or consuming alcohol by someone under age 21 years of age pursuant to 7 V.S.A. §§ 656 and 657 or for providing to or enabling consumption of alcohol by someone under age 21 years of age pursuant to 7 V.S.A. § 658(a)-(c).~~

~~* * *~~

~~(e) A person who seeks medical assistance for a drug overdose for another or for himself or herself pursuant to subsection (b) or (c) of this section shall not be subject to any sanction for a violation of a condition of pretrial release, probation, furlough, or parole for a violation of this chapter or 7 V.S.A §§ 656 and 657, for being at the scene of the drug overdose, or for being within close proximity to any person at the scene of the drug overdose.~~

~~Sec. 17. 18 V.S.A. § 4254 is amended to read:~~

~~§ 4254. IMMUNITY FROM LIABILITY~~

~~* * *~~

~~(d) A person who seeks medical assistance for a drug overdose or is the subject of a good faith request for medical assistance pursuant to subsection (b) or (c) of this section shall not be subject to any of the penalties for violation of 13 V.S.A. § 1030 (violation of a protection order), for a violation of this chapter or 7 V.S.A §§ 656 and 657, for being at the scene of the drug overdose, or for being within close proximity to any person at the scene of the drug overdose.~~

~~(e) A person who seeks medical assistance for a drug overdose or is the subject of a good faith request for medical assistance pursuant to subsection (b) or (c) of this section shall not be subject to any sanction for a violation of a~~

~~condition of pretrial release, probation, furlough, or parole for a violation of this chapter or 7 V.S.A §§ 656 and 657, for being at the scene of the drug overdose, or for being within close proximity to any person at the scene of the drug overdose.~~

~~***~~

~~Sec. 18. EFFECTIVE DATES~~

~~(a) Secs. 2, 5, 6, and 7 shall take effect on January 1, 2015.~~

~~(b) This section and Secs. 1 (legislative intent), 3 (risk assessment and needs screening tools), 4 (alternatives to traditional criminal justice model), 10 (Department of Public Safety report), 12 (approved prescribers of buprenorphine), 13 (VPMS query; rulemaking), 14 (medication assisted therapy, rulemaking), 15 (tamper resistant packing), 16 (buprenorphine tablets and blister packs), and 17 (immunity from liability) shall take effect on passage.~~

~~(c) The remaining sections shall take effect on July 1, 2014.~~

~~Sec. 1. LEGISLATIVE FINDINGS~~

~~(a) This act was initiated by legislators serving on the Joint Legislative Corrections Oversight Committee, and notably Senator Sally Fox. Senator Fox was instrumental in the General Assembly's recent work on the issues of mental health, substance abuse, and criminal justice reform. She was an early advocate of risk assessments and needs screenings for the purpose of tailoring criminal justice responses to the individual in a manner that would protect public safety while addressing the needs of the offender in the hope of breaking the cycle of recidivism. The General Assembly is eternally grateful for her contributions.~~

~~(b) It is the intent of the General Assembly that law enforcement officials and criminal justice professionals develop and maintain programs at every stage of the criminal justice system to provide alternatives to a traditional criminal justice response for people who, consistent with public safety, can effectively and justly benefit from those alternative responses. These programs shall be reflective of the goals and principles of restorative justice pursuant to 28 V.S.A. § 2a. Commonly referred to as the sequential intercept model, this approach was designed to identify five points within the criminal justice system where innovative approaches to offenders and offending behavior could be taken to divert individuals away from a traditional criminal justice response to crime. These intercept points begin in the community with law enforcement interaction with citizens, proceed through arrest, the judicial process, and sentencing, and conclude with release back into communities. Alternative justice programs may include the employment of police-social workers,~~

community-based restorative justice programs, community-based dispute resolution, precharge programs, pretrial services and case management, recovery support, DUI and other drug treatment courts, suspended fine programs, and offender reentry programs.

(c) Research shows the risk-need-responsivity model approach to addressing criminal conduct is successful at reducing recidivism. The model's premise is that the risk and needs of a person charged with or convicted of a criminal offense should determine the strategies appropriate for addressing the person's criminogenic factors.

(d) Some studies show that incarceration of low-risk offenders or placement of those offenders in programs or supervision designed for high-risk offenders may increase the likelihood of recidivism.

(e) The General Assembly recommends use of evidence-based risk assessments and needs screening tools for eligible offenses to provide information to the Court for the purpose of determining bail and appropriate conditions of release and to inform decisions by the State's Attorney and the Court related to a person's participation and level of supervision in an alternative justice program.

(f) As used in this act:

(1) "Risk assessment" means a pretrial assessment that is designed to be predictive of a person's failure to appear in court and risk of violating pretrial conditions of release with a new alleged offense.

(2) "Needs screening" means a preliminary systematic procedure to evaluate the likelihood that an individual has a substance abuse or a mental health condition.

(3) "Clinical assessment" means the procedures, to be conducted after a client has been screened, by which a licensed or otherwise approved counselor identifies and evaluates an individual's strengths, weaknesses, problems, and needs for the development of a treatment plan.

(g) The General Assembly intends this act to be a continuation of justice reinvestment efforts initiated in 2007 by the Legislative, Judicial, and Executive Branches. Justice reinvestment is a data-driven approach to improve public safety, reduce corrections and related criminal justice spending, and reinvest savings in strategies that can decrease crime and strengthen communities.

(h) Buprenorphine/Naloxone (Suboxone or Subutex) is a well-known medication used in the treatment of opioid addiction. Vermont spends \$8.3 million in Medicaid funds annually on these drugs. As medicated-assisted treatment for opiate addiction has increased substantially in the last several

years, so has illegal diversion of these drugs and their misuse. Suboxone is currently the number one drug smuggled into Vermont correctional facilities and evidence suggests that the nonmedical use of such drugs is gaining in popularity. The General Assembly urges the administration to prioritize efforts to ensure that people with opiate addictions are provided access to necessary medication, while taking all possible measures to prevent the diversion and misuse of these drugs, including working with drug manufacturers.

(i) Approximately 54,000 Vermonters have abused or been dependent on alcohol or illicit drugs in the past year, according to the current National Survey on Drug Use and Health. More people abuse or are dependent on alcohol (approximately 39,000) than all illicit drugs combined (18,000). Many Vermonters struggle with both alcohol and illicit drugs. Substance abuse is expensive, and not solely due to the cost of providing treatment. Research indicates that \$1.00 invested in addiction treatment saves between \$4.00 and \$7.00 in reduced drug-related crime, criminal justice costs, and theft. Earlier intervention to provide services before major problems develop can save even more.

Sec. 2. 13 V.S.A. § 7554c is added to read:

§ 7554c. PRETRIAL RISK ASSESSMENTS; NEEDS SCREENINGS

(a)(1) The objective of a pretrial risk assessment is to provide information to the Court for the purpose of determining whether a person presents a risk of nonappearance or a threat to public safety so the Court can make an appropriate order concerning bail and conditions of pretrial release.

(2) The objective of a pretrial needs screening is to obtain a preliminary indication of whether a person has a substantial substance abuse or mental health issue that would warrant a subsequent court order for a more detailed clinical assessment.

(3) Participation in a risk assessment or needs screening pursuant to this section does not create any entitlement for the assessed or screened person.

(b)(1) A person whose offense or status falls into any of the following categories shall be offered a risk assessment and, if deemed appropriate by the pretrial monitor, a needs screening prior to arraignment:

(A) felonies, excluding listed crimes, cited into court;

(B) persons cited or arrested for an offense that is not a listed crime who are identified by law enforcement, the prosecution, the defense, probation and parole personnel, the Court, a treatment provider, or a family member or friend as having a substantial substance abuse or mental health issue;

(C) misdemeanor and felony drug offenses, excluding trafficking, cited into court; and

(D) persons who are arrested and lodged and unable to post bail within 24 hours of lodging, excluding persons who are charged with an offense for which registration as a sex offender is required upon conviction pursuant to subchapter 3 of chapter 167 of this title or an offense punishable by up to life imprisonment.

(2) As used in this section, "listed crime" shall have the same meaning as provided in section 5301 of this title.

(3) Unless ordered as a condition of release under section 7554 of this title, participation in an assessment or screening shall be voluntary.

(4) In the event an assessment or screening cannot be obtained prior to arraignment, the Court shall direct the assessment and screening to be conducted as soon as practicable.

(5) A person who qualifies pursuant to subdivision (1)(A)–(D) of this subsection and who has an additional pending charge or a violation of probation shall not be excluded from being offered a risk assessment or needs screening unless the other charge is a listed crime.

(6)(A) The Administrative Judge and Court Administrator, in consultation with the Secretary of Human Services and the Commissioner of Corrections, shall develop a statewide plan for the phased, consistent rollout of the categories identified in subdivisions (1)(A) through (D) of this subsection, in the order in which they appear in this subsection. The Administrative Judge and Court Administrator shall present the plan to the Joint Legislative Corrections Oversight Committee on or before October 15, 2014.

(B) All persons whose offense or status falls into one of the categories shall be eligible for a risk assessment or needs screening on or before October 15, 2015. Prior to that date, a person shall not be guaranteed the offer of a risk assessment or needs screening solely because the person's offense or status falls into one of the categories. Criminal justice professionals charged with implementation shall adhere to the plan.

(c) The results of the assessment and screening shall be provided to the prosecutor who, upon filing a criminal charge against the person, shall provide the results to the person and his or her attorney and the Court.

(d)(1) In consideration of the assessment and screening, the Court may order the person to comply with any of the following conditions:

(A) meet with a pretrial monitor on a schedule set by the Court;

(B) participate in a clinical assessment by a substance abuse or mental health treatment provider;

(C) comply with any level of treatment or recovery support recommended by the provider;

(D) provide confirmation to the pretrial monitor of the person's attendance and participation in the clinical assessment and any recommended treatment; and

(E) provide confirmation to the pretrial monitor of the person's compliance with any other condition of release.

(2) If possible, the Court shall set the date and time for the assessment at arraignment. In the alternative, the pretrial monitor shall coordinate the date, time, and location of the clinical assessment and advise the Court, the person and his or her attorney, and the prosecutor.

(3) The conditions authorized in subdivision (1) of this subsection shall be in addition to any other conditions of release permitted by law and shall not limit the Court in any way.

(e)(1) Information obtained from the person during the risk assessment or needs screening shall be exempt from public inspection and copying under the Public Records Act and, except as provided in subdivision (2) of this subsection, only may be used for determining bail, conditions of release, and appropriate programming for the person in the pending case. The immunity provisions of this subsection apply only to the use and derivative use of information gained as a proximate result of the risk assessment or needs screening.

(2) The person shall retain all of his or her due process rights throughout the assessment and screening process and may release his or her records at his or her discretion.

(3) The Vermont Supreme Court in accordance with judicial rulemaking as provided in 12 V.S.A. § 1 shall promulgate and the Department of Corrections in accordance with the Vermont Administrative Procedure Act pursuant to 3 V.S.A. chapter 25 shall adopt rules related to the custody, control, and preservation of information consistent with the confidentiality requirements of this section. Emergency rules adopted prior to January 1, 2015 pursuant to this section shall be considered to meet the "imminent peril" standard under 3 V.S.A. § 844(a).

Sec. 3. RISK ASSESSMENT AND NEEDS SCREENING TOOLS AND SERVICES

(a) The Department of Corrections shall select risk and needs assessment and screening tools for use in the various decision points in the criminal justice system, including pretrial, community supervision screening, community supervision, prison screening, prison intake, and reentry. The Department shall validate the selected tools for the population in Vermont.

(b) In selection and implementation of the tools, the Department shall consider tools being used in other states and shall consult with and have the cooperation of all criminal justice agencies.

(c) The Department shall have the tools available for use on or before September 1, 2014. The Department, the Judiciary, the Defender General, and the Executive Director and the Department of State's Attorneys and Sheriffs shall conduct training on the risk assessment tools on or before December 15, 2014.

(d) The Department, in consultation with law enforcement agencies and the courts, shall contract for or otherwise provide pretrial services described in this section, including performance of risk assessments, needs screenings, and pretrial monitoring. The contract shall include requirements to comply with data collection and evaluation procedures.

(e) Pretrial monitoring may include:

(1) reporting to the Court concerning the person's compliance with conditions of release;

(2) supporting the person in meeting the conditions imposed by the Court, including the condition to appear in Court as directed;

(3) identifying community-based treatment, rehabilitative services, recovery supports, and restorative justice programs; and

(4) supporting a prosecutor's precharge program.

(f)(1) The Department, in consultation with the Judiciary and the Crime Research Group, shall develop and implement a system to evaluate goals and performance of the pretrial services described in this section and report to the General Assembly annually on or before December 15.

(2) The Agency of Human Services, in consultation with the Judiciary, shall ensure that a study is conducted to include an outcome study, process evaluation and cost benefit analysis.

(g) The Secretary of Human Services, with staff and administrative support from the Criminal Justice Capable Core Team, shall map services and assess

the impact of court referrals and the capacity of the current service provision system in each region. The Secretary, in collaboration with service providers and other stakeholders, shall consider regional resources, including services for assessment, early intervention, treatment, and recovery support. Building on existing models and data, the Secretary and the Criminal Justice Capable Core Team shall develop recommendations for a system for referral based on the appropriate level of need, identifying existing gaps to optimize successful outcomes. Funding models for those services shall be examined by the appropriate State departments. The recommendation for the system for referral shall reflect all initiatives within the Agency of Human Services, including those within the Blueprint for Health and Screening, Brief Intervention, and Referral for Treatment (SBIRT), as well as initiatives within the Green Mountain Care Board and the State Innovation Model (SIM) grant.

* * * Alternative Justice Programs * * *

Sec. 4. PROSECUTOR PRECHARGE PROGRAM GUIDELINES AND REPORTING

(a) The Department of State's Attorneys and Sheriffs, in consultation with the Judiciary and the Attorney General, shall develop broad guidelines for precharge programs to ensure there is probable cause and that there are appropriate opportunities for victim input and restitution.

(b) On or before October 1, 2014, and annually thereafter, the Executive Director of the Department of State's Attorneys and Sheriffs shall report to the General Assembly detailing the alternative justice programs that exist in each county together with the protocols for each program, the annual number of persons served by the program, and a plan for how a sequential intercept model can be employed in the county. The report shall be prepared in cooperation with the Director of Court Diversion, a co-chair of the Community Justice Network of Vermont, and State, municipal, and county law enforcement officials.

Sec. 6. [Deleted.]

Sec. 7. [Deleted.]

* * * Criminal Provisions * * *

Sec. 8. 18 V.S.A. § 4233(d) is added to read:

(d) Transportation into the State. In addition to any other penalties provided by law, a person knowingly and unlawfully transporting one gram or more of heroin into Vermont with the intent to sell or dispense the heroin shall

be imprisoned not more than 10 years or fined not more than \$100,000.00, or both.

Sec. 9. 13 V.S.A. § 1201 is amended to read:

§ 1201. BURGLARY

(a) A person is guilty of burglary if he or she enters any building or structure knowing that he or she is not licensed or privileged to do so, with the intent to commit a felony, petit larceny, simple assault, or unlawful mischief. This provision shall not apply to a licensed or privileged entry, or to an entry that takes place while the premises are open to the public, unless the person, with the intent to commit a crime specified in this subsection, surreptitiously remains in the building or structure after the license or privilege expires or after the premises no longer are open to the public.

(b) As used in this section, ~~the words “building,” “structure,” and “premises”;~~

(1) “Building,” “premises,” and “structure” shall, in addition to their common meanings, include and mean any portion of a building, structure, or premises which differs from one or more other portions of such building, structure, or premises with respect to license or privilege to enter, or to being open to the public.

(2) “Occupied dwelling” means a building used as a residence, either full-time or part-time, regardless of whether someone is actually present in the building at the time of entry.

~~(c)(1) A person convicted of burglary into an occupied dwelling shall be imprisoned not more than 25 years or fined not more than \$1,000.00, or both. Otherwise a person convicted of burglary shall be imprisoned not more than 15 years or fined not more than \$1,000.00, or both.~~

(2) A person convicted of burglary and who carries a dangerous or deadly weapon, openly or concealed, shall be imprisoned not more than 20 years or fined not more than \$10,000.00, or both.

(3) A person convicted of burglary into an occupied dwelling:

(A) shall be imprisoned not more than 25 years or fined not more than \$1,000.00, or both; or

(B) shall be imprisoned not more than 30 years or fined not more than \$10,000.00, or both, if the person carried a dangerous or deadly weapon, openly or concealed, during commission of the offense.

(4) When imposing a sentence under this section, the Court shall consider as an aggravating factor whether, during commission of the offense,

the person entered the building when someone was actually present or used or threatened to use force against the occupant.

Sec. 10. DEPARTMENT OF PUBLIC SAFETY REPORT

The Department of Public Safety, in consultation with the Department of Health, shall examine 18 V.S.A. § 4234 (depressant, stimulant, narcotic drug) for the purpose of establishing clear dosage amounts for narcotics as they relate to unlawful possession, dispensing, and sale. The Department shall consider section 4234 in relation to 18 V.S.A. § 4233 (heroin). The Department shall report its recommendations to the Senate and House Committees on Judiciary on or before December 15, 2014.

* * * Regulation of Opiates * * *

Sec. 11. DVHA AUTHORITY; USE OF AVAILABLE SANCTIONS

The Department of Vermont Health Access shall use its authority to sanction Medicaid-participating prescribers, whether practicing in or outside the State of Vermont, operating in bad faith or not in compliance with State or federal requirements.

**Sec. 12. CONTINUED MEDICATION-ASSISTED TREATMENT FOR
INCARCERATED PERSONS**

(a) The Department of Corrections, in consultation with the Medication-Assisted Treatment for Inmates Work Group created by 2013 Acts and Resolves No. 67, Sec. 11, shall develop and implement a one-year demonstration project to pilot the continued use of medication-assisted treatment within Department facilities for detainees and sentenced inmates.

(b) The pilot project shall offer continued medication-assisted treatment for opioid dependence with methadone or buprenorphine and a prescribed taper as appropriate to incarcerated persons who were participating in medication-assisted treatment in the community immediately prior to incarceration.

(c) As used in this section, "prescribed taper" means a clinically appropriate medication taper that is designed to minimize withdrawal symptoms and limit avoidable suffering.

(d) The Commissioner of Corrections shall publish an interim revision memorandum to replace Directive 363.01 as recommended by the Medication-Assisted Treatment for Inmates Work Group.

(e) On or before July 30, 2014, the Department shall enter into memoranda of understanding with the Department of Health and with hub treatment providers regarding ongoing medication-assisted treatment for persons in the

custody of the Department. The memoranda shall ensure that incarcerated persons who were not receiving medication-assisted treatment prior to incarceration do not receive priority for treatment over persons not in the custody of the Department of Corrections who are on a waiting list for medication-assisted treatment.

(f) The Department shall collaborate with the Department of Health to facilitate the provision of opioid overdose prevention training for pilot project participants who are incarcerated and the distribution of overdose rescue kits with naloxone at correctional facilities to persons who are transitioning from incarceration back into the community.

(g) The Departments of Corrections and of Health shall continue the Medication-Assisted Treatment for Inmates Work Group created by 2013 Acts and Resolves No. 67, Sec. 11 to inform and monitor implementation of the demonstration project. The Departments shall evaluate the demonstration project and provision of medication-assisted treatment to persons who are incarcerated in Vermont and report their findings, including a proposed schedule of expansion, to the Joint Legislative Corrections Oversight Committee during the 2014 interim and to the House Committees on Corrections and Institutions, on Human Services, and on Judiciary and the Senate Committees on Health and Welfare and on Judiciary on or before January 1, 2015.

Sec. 13. VPMS QUERY; RULEMAKING

The Secretary of Human Services shall adopt rules requiring:

(1) All Medicaid participating providers, whether licensed in or outside Vermont, who prescribe buprenorphine or a drug containing buprenorphine to a Vermont Medicaid beneficiary to query the Vermont Prescription Monitoring System the first time they prescribe buprenorphine or a drug containing buprenorphine for the patient and at regular intervals thereafter. Regular intervals shall exceed the requirements for other Schedule III pharmaceuticals, and queries shall be done prior to prescribing a replacement prescription. The rules shall also include dosage thresholds, which may be exceeded only with prior approval from the Chief Medical Officer of the Department of Vermont Health Access or designee.

(2) All providers licensed in Vermont who prescribe buprenorphine or a drug containing buprenorphine to a Vermont patient who is not a Medicaid beneficiary to query the Vermont Prescription Monitoring System the first time they prescribe buprenorphine or a drug containing buprenorphine for the patient and at regular intervals thereafter. Regular intervals shall exceed the requirements for other Schedule III pharmaceuticals, and queries shall be

done prior to prescribing a replacement prescription. The rules shall also include dosage thresholds.

Sec. 14. MEDICATION-ASSISTED THERAPY; RULEMAKING

The Commissioner of Health shall adopt rules relating to medication-assisted therapy for opioid dependence for physicians treating fewer than 30 patients, which shall include a requirement that such physicians ensure that their patients are screened or assessed to determine their need for counseling and that patients who are determined to need counseling or other support services are referred for appropriate counseling from a licensed clinical professional or for other services as needed.

Sec. 15. 26 V.S.A. chapter 36, subchapter 8 is added to read:

Subchapter 8. Naloxone Hydrochloride

§ 2080. NALOXONE HYDROCHLORIDE; DISPENSING OR FURNISHING

(a) The Board of Pharmacy shall adopt protocols for licensed pharmacists to dispense or otherwise furnish naloxone hydrochloride to patients who do not hold an individual prescription for naloxone hydrochloride. Such protocols shall be consistent with rules adopted by the Commissioner of Health.

(b) Notwithstanding any provision of law to the contrary, a licensed pharmacist may dispense naloxone hydrochloride to any person as long as the pharmacist complies with the protocols adopted pursuant to subsection (a) of this section.

Sec. 16. [Deleted.]

Sec. 16a. DEPARTMENT OF CORRECTIONS AND HEALTH CARE

REFORM

(a) The Agency of Human Services and its departments shall assist the Department of Corrections in fully enacting the provisions of the Affordable Care Act and Vermont's health care reform initiatives as they pertain to persons in the criminal justice population, including access to health information technology, the Blueprint for Health, Medicaid enrollment, the health benefit exchange, health plans, and other components under the Department of Vermont Health Access that support and ensure a seamless process for reentry to the community or readmission to a correctional facility.

(b) The Department of Corrections shall include substance abuse and mental health services in its request for proposal (RFP) process for inmate health services. Through the RFP, the Department shall require that substance abuse and mental health services be provided to persons while

incarcerated; however, this requirement does not create any entitlement for an incarcerated person. The Department shall report to the Joint Legislative Corrections Oversight Committee during the 2014 interim regarding progress toward selecting inmate health services.

Sec. 17. 18 V.S.A. § 4254 is amended to read:

§ 4254. IMMUNITY FROM LIABILITY

* * *

(d) A person who seeks medical assistance for a drug overdose or is the subject of a good faith request for medical assistance pursuant to subsection (b) or (c) of this section shall not be subject to any of the penalties for violation of 13 V.S.A. § 1030 (violation of a protection order), for a violation of this chapter or 7 V.S.A §§ 656 and 657, for being at the scene of the drug overdose, or for being within close proximity to any person at the scene of the drug overdose.

(e) A person who seeks medical assistance for a drug overdose or is the subject of a good faith request for medical assistance pursuant to subsection (b) or (c) of this section shall not be subject to any sanction for a violation of a condition of pretrial release, probation, furlough, or parole for a violation of this chapter or 7 V.S.A §§ 656 and 657; for being at the scene of the drug overdose; or for being within close proximity to any person at the scene of the drug overdose.

* * *

(g) The immunity provisions of this section apply only to the use and derivative use of evidence gained as a proximate result of the person's seeking medical assistance for a drug overdose, being the subject of a good faith request for medical assistance, being at the scene, or being within close proximity to any person at the scene of the drug overdose for which medical assistance was sought and do not preclude prosecution of the person on the basis of evidence obtained from an independent source.

Sec. 18. EFFECTIVE DATES

(a) Secs. 2, 6, and 7 shall take effect on January 1, 2015.

(b) This section and Secs. 1 (legislative intent), 3 (risk assessment and needs screening tools), 4 (prosecutor precharge programs and reporting), 10 (Department of Public Safety report), 13 (VPMS query; rulemaking), 14 (medication-assisted therapy, rulemaking), and 17 (immunity from liability) shall take effect on passage.

(c) The remaining sections shall take effect on July 1, 2014.
