§ 706. COUNCIL AND ANNUAL MEETING ACTION ON BUDGET

(a) Notice and hearing.

(1) The Council shall post and publish the general summary of the budget and proposed capital improvements and a notice stating:

(A) the times and places where copies of the message and budget are available for inspection by the public; and

(B) the time and place, not less than two weeks after such posting publication, and not more than 30 days prior to the annual meeting for a public hearing on the budget.

(2) The time and place of the annual meeting shall be posted as set forth in Article 2 of this charter.

(b) Amendment before submission to the voters. After the public hearing, the Council may approve the budget for submission to the voters with or without amendment. In amending the budget, it may add or increase programs or amounts and may delete or decrease any programs or amounts, except expenditures required by law or for debt service or for estimated cash deficit, provided that no amendment to the budget shall increase the Manager's recommended expenditures to an amount greater than the total of estimated income.

(c) Budget vote. The Council shall warn the budget to the voters for approval at the annual meeting held on the first Tuesday in March. The budget vote shall be conducted in accordance with the provisions set forth in Article 2 of this charter. If the voters fail to approve the budget at the annual meeting, the Council shall reconsider the budget and submit a revised budget to the

voters prior to June 1 of that same year. The vote on the revised budget shall be conducted as set forth in Article 2 of this charter. If the voters fail to approve the revised budget, the amounts appropriated for current operation for the current fiscal year shall be deemed adopted for the ensuing fiscal year on a month-to-month basis, with all items in it prorated accordingly, until such time as the Council warns and the voters approve a budget for the ensuing fiscal year. Voter approval of the budget shall constitute appropriations of the amounts specified therein as expenditures from the funds indicated and shall constitute a levy of the property tax therein proposed.

§ 707. PUBLIC RECORDS

Copies of the budget approved by the voters and the capital program shall be public record and shall be made available to the public.

§ 708. AMENDMENTS AFTER ADOPTION

(a) Supplemental appropriations. If during the fiscal year the Manager certifies that there are available for appropriation revenues in excess of those estimated in the budget, the Council by resolution may make supplemental appropriations for the year up to the amount of such excess.

(b) Reduction of appropriations. If at any time during the fiscal year it appears probable to the Manager that the revenues available will be insufficient to meet the amount appropriated, the Manager shall report to the Council without delay, indicating the estimated amount of the deficit, and any other steps to be taken. The Council shall then take such further action as it deems

necessary to prevent or minimize any deficit, and for that purpose it may by resolution reduce one or more appropriations.

(c) Transfer of appropriations. At any time during the fiscal year, the Manager may transfer part or all of any unencumbered appropriation balance among programs within a department, office, or agency and, upon written request by the Manager, the Council may by resolution transfer part or all of any unencumbered appropriation balance from one department, office, or agency to another.

(d) Limitations; effective date. No appropriation for debt service may be reduced or transferred, and no appropriation may be reduced below any amount required by law to be appropriated or by more than the amount of the unencumbered balance thereof except as described in this section. The supplemental appropriations and reductions or transfer of appropriation authorized by this section may be made effective immediately upon adoption.

§ 709. LAPSE OF APPROPRIATIONS

Every appropriation, except an appropriation for a capital expenditure, shall lapse at the close of the fiscal year to the extent that it has not been expended or encumbered. An appropriation for a capital expenditure shall continue in force until the purpose for which it was made has been accomplished or abandoned. The purpose of any such appropriation shall be deemed abandoned if three years pass without any disbursement from or encumbrance of the appropriation.

§ 710. ADMINISTRATION OF BUDGET

(a) Work programs and allotments. At such time as the Manager shall specify, each department, office, or agency shall submit work programs for the ensuing fiscal year showing the requested allotments of its appropriation by periods within the year. The Manager shall review and authorize such allotments with or without revision as early as possible in the fiscal year. The Manager may revise such allotments during the year if deemed desirable and shall revise them to accord with any supplemental, reduced, or transferred appropriations made pursuant to section 708 of this charter.

(b) Payments and obligations prohibited. No payment shall be made or obligation incurred against any allotment or appropriation except in accordance with appropriations duly made and unless the Manager or designee first certifies that there is a sufficient unencumbered balance in such allotment or appropriation and that sufficient funds therefor are or will be available to cover the claim or meet the obligation when it becomes due and payable. Any authorization of payment or incurring of obligation in violation of the provisions of this charter shall be voided and any payment so made illegal; such action shall be cause for removal of any officer who knowingly authorized or made such payment or incurred such obligation, and the officer shall also be liable to the City for any amount so paid. However, except where prohibited by law, nothing in this charter shall be construed to prevent the making or authorizing of payments or making of contracts for capital

improvements to be financed wholly or partly by the issuance of bonds or to prevent the making of any contract or lease providing for payments beyond the end of the fiscal year, provided that such action is made or approved by resolution.

§ 711. BONDS AND INDEBTEDNESS

Whenever the City shall vote in the manner prescribed by general law to incur debt for the purpose of making improvements, the vote to incur such indebtedness shall authorize the Manager to include in each annual budget a sum sufficient to pay the interest on such indebtedness and that part of principal thereof next coming due.

§ 712. WARRANTS FOR PAYMENT

Money shall not be paid out of the City Treasury except on a warrant signed by at least three members of the Council and approved by the City Council, and such approval shall be authenticated by the City Clerk. A full record of all expenditures, by departments, shall be kept, and a clear statement of all receipts and disbursements of city monies and of the affairs of the City generally, shall be published annually in the city report under the direction of the City Council. The City Treasurer shall establish and maintain charts of account detailing all receipts, revenues, expenditures, and disbursements, and shall report all such activity to the Manager and the Council no less frequently than quarterly.

§ 713. TAX LEVY; AUTHORITY FOR

Such tax bills, with a warrant signed by at least three members of the Council, shall be delivered to the Treasurer, to whom all taxes shall be paid in money.

§ 714. CREDIT OF THE CITY FOR CURRENT EXPENSES

The money raised by taxation, from fines and other lawful sources, including tax increments in excess of sums necessary to pay and secure the City's tax increment obligations and the costs of managing the city's tax increment financing district shall constitute the entire sum from which appropriations and payments are to be made, according to law, by or under the authority of the City Council. The credit of the City may be pledged by the City Council for the purpose of raising funds to meet the current expenses of the City. Such loans shall be paid on or before one year from date thereof.

§ 715. EXPENDITURES NOT TO EXCEED REVENUES

(a) The City Council shall not exceed in expenditures, except by authority of the legal voters of the City, or to meet obligations imposed by law upon the City, the current revenues of the City during the current fiscal year. If the current revenues of the City shall have been expended before the end of the fiscal year and there remain discretionary expenditures to be met, the City

Council shall call a special meeting of the legal voters of the City to consider the means of financing such expenditures.

(b) The City Council, without special direction of the voters of the City shall not draw orders on the City Treasurer in excess of the current revenues, except to meet obligations imposed by law. The City Treasurer, without special direction of the voters of the City, shall not honor orders drawn in excess of the current revenues, except to meet obligations imposed by law. Any official violating the provisions of this section shall be liable to the full amount of all orders so drawn or so honored.

§ 716. AUTHORITY TO PLEDGE CREDIT OF CITY

Whenever the legal voters of the City shall authorize the City Council to pledge the credit of the City for any purpose, the City shall have authority to issue negotiable orders, warrants, notes, or bonds, not to exceed the limit prescribed by law, for which the legal voters aforesaid have given authority to so pledge the credit of the City. Such notes or bonds shall be payable at such time and at such rate of interest as shall be established by resolution of the City Council.

§ 717. TAX CLASSIFICATION

(a) Except for the property of utilities subject to regulation by the Vermont Public Service Board, all personal and real property set out in the grand list which is not used as residential property, farmland, and vacant land zoned “recreation, conservation and open space (RCO)” shall be classified as

nonresidential property and shall be assessed at 120 percent of fair market value; and further provided that inventories shall no longer be set out in the grand list of the City as taxable personal estate. Properties upon which in-lieu-of-tax payments are made shall be likewise classified and assessed for the purposes of such payments.

(b) As used in this section, “residential property” is hereby defined to include all property used for dwelling purposes, including accessory property which is subordinate to or customarily incidental to the main residential use such as garages and outbuildings. Where a property is used for both residential and nonresidential purposes, it shall be apportioned according to such uses and then classified and assessed as herein provided.

§ 718. TAX INCREMENT FINANCING

Nothing contained in this article shall impair, affect, or alter any revenues or sources of revenues now or hereafter existing which are derived from the City’s tax increment financing district created under 2000 Acts and Resolves No. 159, Secs. 37 and 38, as amended by 2003 Acts and Resolves No. 68, Sec. 40.

§ 719. LOCAL OPTION TAX

Article 8. Initiative and Referendum

§ 801. GENERAL AUTHORITY

(a) Initiative. The qualified voters of the City shall have power to propose ordinances to the Council and, if the Council fails to adopt an ordinance so proposed without any change in substance, to adopt or reject it at a City election, provided that such power shall not extend to the budget or capital improvements program or any ordinance relating to appropriation of money, levy of taxes, or salaries of city offices or employees.

(b) Referendum. The qualified voters of the City shall have power to require reconsideration by the Council of any adopted ordinance and, if the Council fails to repeal an ordinance so reconsidered, to approve or reject it at a city election, provided that such power shall not extend to the budget or capital improvements program or any emergency ordinance or ordinance relating to appropriation of money or levy of taxes.

§ 802. COMMENCEMENT OF PROCEEDINGS; PETITIONERS' COMMITTEE; AFFIDAVIT

(a) Any five qualified voters may commence initiative or referendum proceedings by filing with the City Clerk an affidavit stating that they will constitute the Petitioners' Committee and be responsible for circulating the petition and filing it in proper form, stating their names and addresses and specifying the address to which all notices to the Committee are to be sent, and setting out in full the proposed initiative ordinance or citing the ordinance sought to be reconsidered.

(b) Promptly after the affidavit of the Petitioners' Committee is filed, the Clerk shall issue the appropriate petition forms to the Petitioners' Committee.

§ 803. PETITIONS

(a) Number of signatures. Initiative and referendum petitions must be signed by at least 100 legal voters of the City.

(b) Form and content. All papers of a petition shall be uniform in size and style and shall be assembled as one instrument for filing. Each signature shall be executed in ink or indelible pencil and shall be followed by the address of the person signing. Petitions shall contain or have attached thereto throughout their circulation the full text of the ordinance proposed or sought to be reconsidered.

(c) Affidavit of circulator. Each paper of a petition shall have attached to it when filed an affidavit executed by the circulator thereof stating that he or she

personally circulated the paper, the number of signatures thereon, that all the signatures were affixed in his or her presence, that they are believed to be the genuine signatures of the persons whose names they purport to be, and that each signer had an opportunity before signing to read the full text of the ordinance proposed or sought to be reconsidered.

(d) Time for filing referendum petitions. Referendum petitions must be filed within 30 days after adoption by the Council of the ordinance sought to be reconsidered.

§ 804. PROCEDURE AFTER FILING

(a) Certificate of Clerk; amendment. Within 20 days after the petition is filed, the City Clerk shall complete a certificate as to its sufficiency, specifying, if it is insufficient, the particulars wherein it is defective and shall promptly send a copy of the certificate to the Petitioners' Committee by registered mail. A petition certified insufficient for lack of the required number of valid signatures may be amended once if the Petitioners' Committee files a notice of intention to amend it with the Clerk within two days after receiving the copy of such certificate. Such supplementary petition shall comply with the requirements of subsections 803(b) and (c) of this charter, and within five days after it is filed, the Clerk shall complete a certificate as to the sufficiency of the petition as amended and promptly send a copy of such certificate to the Petitioners' Committee by registered mail as in the case of an original petition. If a petition or amended petition is certified sufficient, or if a

petition or amended petition is certified insufficient and the Petitioners' Committee does not elect to amend or request council review under subsection (b) of this section with the time required, the Clerk shall promptly present the certificates to the Council and the certificates shall then be a final determination as to the sufficiency of the petition.

(b) Council review. If a petition has been certified insufficient and the Petitioners' Committee does not file notice of intention to amend it or if an amended petition has been certified insufficient, the Committee may, within two days after receiving the copy of such certificate, file a request that it be reviewed by the Council. The Council shall review the certificate within five days following the filing of such request and approve or disapprove it, and the Council's determination shall then be a final determination as to the sufficiency of the petition.

(c) Court review; new petition. A final determination as to the sufficiency of a petition shall be subject to court review. A final determination of insufficiency, even if sustained upon court review, shall not prejudice the filing of a new petition for the same purpose.

§ 805. REFERENDUM PETITIONS; SUSPENSION OF EFFECT OF ORDINANCE

When a referendum petition is filed with the City Clerk, the ordinance sought to be reconsidered shall be suspended from taking effect. Such suspension shall terminate when:

- (1) there is a final determination of insufficiency of the petition;
- (2) the Petitioners' Committee withdraws the petition;
- (3) the Council repeals the ordinance; or
- (4) 30 days have elapsed after a vote of the City on the ordinance.

§ 806. ACTION ON PETITIONS

(a) Action by Council. When an initiative or referendum petition has been finally determined sufficient, the Council shall promptly consider the proposed initiative ordinance in the manner provided in Article 4 of this charter or reconsider the referred ordinance by voting its repeal. If the Council fails to adopt a proposed initiative ordinance without any change in substance within 60 days or fails to repeal the referred ordinance within 30 days after the date the petition was finally determined sufficient, it shall submit the proposed or referred ordinance to the voters of the City.

(b) Submission to voters. The vote of the City on a proposed or referred ordinance shall be held not less than 30 days and not later than one year from the date of the final council vote thereon. If no regular city election is to be held within the period prescribed in this subsection, the Council shall provide for a special election; otherwise, the vote shall be held at the same time as such regular election, except that the Council may in its discretion provide for a special election at an earlier date within the prescribed period. Copies of the proposed or referred ordinance shall be made available at the polls.

(c) Withdrawal of petitions. An initiative or referendum petition may be withdrawn at any time prior to the 15th day preceding the day scheduled for a vote of the City by filing with the City Clerk a request for withdrawal signed by at least four members of the Petitioners' Committee. Upon the filing of such request, the petition shall have no further force or effect and all proceedings thereon shall be terminated.

§ 807. RESULTS OF ELECTION

(a) Initiative. If a majority of the qualified electors voting on a proposed initiative ordinance vote in its favor, it shall be considered adopted upon certification of the election results and shall be treated in all respects in the same manner as ordinances of the same kind adopted by the Council. If conflicting ordinances are approved at the same election, the one receiving the greatest number of affirmative votes shall prevail to the extent of such conflict.
