914 A. The Board may grant the following mixed beverages licenses:

915 1. Mixed beverage restaurant licenses, which shall authorize the licensee to sell and serve mixed  
916 beverages for consumption in dining areas and other designated areas of such restaurant. Such license may  
917 be granted only to persons (i) who operate a restaurant and (ii) whose gross receipts from the sale of food  
918 cooked, or prepared, and consumed on the premises and nonalcoholic beverages served on the premises,  
919 after issuance of such license, amount to at least 45 percent of the gross receipts from the sale of mixed  
920 beverages and food. For the purposes of this subdivision, other designated areas shall include outdoor  
921 dining areas, whether or not contiguous to the licensed premises, which outdoor dining areas may have  
922 more than one means of ingress and egress to an adjacent public thoroughfare, provided such areas are  
923 under the control of the licensee and approved by the Board. Such noncontiguous designated areas shall  
924 not be approved for any retail license issued pursuant to subdivision A 5 of § 4.1-201.

925 If the restaurant is located on the premises of a hotel or motel with no fewer than four permanent  
926 bedrooms where food and beverage service is customarily provided by the restaurant in designated areas,  
927 bedrooms, and other private rooms of such hotel or motel, such licensee may (a) sell and serve mixed  
928 beverages for consumption in such designated areas, bedrooms, and other private rooms and (b) sell spirits  
929 packaged in original closed containers purchased from the Board for on-premises consumption to  
930 registered guests and at scheduled functions of such hotel or motel only in such bedrooms or private  
931 rooms. However, with regard to a hotel classified as a resort complex, the Board may authorize the sale  
932 and on-premises consumption of alcoholic beverages in all areas within the resort complex deemed

934 lawfully acquired spirits in bedrooms or private rooms.

935           If the restaurant is located on the premises of and operated by a private, nonprofit, or profit club  
936 exclusively for its members and their guests, or members of another private, nonprofit, or profit club in  
937 another city with which it has an agreement for reciprocal dining privileges, such license shall also  
938 authorize the licensees to (1) sell and serve mixed beverages for on-premises consumption and (2) sell  
939 spirits that are packaged in original closed containers with a maximum capacity of two fluid ounces or 50  
940 milliliters and purchased from the Board for on-premises consumption. Where such club prepares no food  
941 in its restaurant but purchases its food requirements from a restaurant licensed by the Board and located  
942 on another portion of the premises of the same hotel or motel building, this fact shall not prohibit the  
943 granting of a license by the Board to such club qualifying in all other respects. The club's gross receipts  
944 from the sale of nonalcoholic beverages consumed on the premises and food resold to its members and  
945 guests and consumed on the premises shall amount to at least 45 percent of its gross receipts from the sale  
946 of mixed beverages and food. The food sales made by a restaurant to such a club shall be excluded in any  
947 consideration of the qualifications of such restaurant for a license from the Board.

948           If the restaurant is located on the premises of and operated by a municipal golf course, the Board  
949 shall recognize the seasonal nature of the business and waive any applicable monthly food sales  
950 requirements for those months when weather conditions may reduce patronage of the golf course, provided  
951 that prepared food, including meals, is available to patrons during the same months. The gross receipts
