21 BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF WASHINGTON:

1 **Sec. 1.** RCW 3.34.050 and 1998 c 19 s 2 are each amended to read
2 as follows:

3 At the general election in November 1962 and quadrennially
4 thereafter, there shall be elected by the voters of each district
5 court district the number of judges authorized for the district by
6 the district court districting plan. Judges shall be elected for each
7 district and electoral district, if any, by the qualified electors of
8 the district in the same manner as judges of courts of record are
9 elected, except as provided in chapter (~~(29.21)~~)29A.52 RCW. Not less
10 than ten days before the time for filing declarations of candidacy
11 for the election of judges for districts entitled to more than one
12 judge, the county auditor shall designate each such office of
13 district judge to be filled by a number, commencing with the number
14 one and numbering the remaining offices consecutively. At the time of
15 the filing of the declaration of candidacy, each candidate shall
16 designate by number which one, and only one, of the numbered offices
17 for which he or she is a candidate and the name of the candidate
18 shall appear on the ballot for only the numbered office for which the
19 candidate filed a declaration of candidacy.

20 **Sec. 2.** RCW 14.08.304 and 1994 c 223 s 4 are each amended to
21 read as follows:

22 The board of airport district commissioners shall consist of
23 three members. The first commissioners shall be appointed by the
24 county legislative authority. At the next general district election,
25 held as provided in RCW (~~(29.13.020)~~)29A.04.330, three airport
26 district commissioners shall be elected. The terms of office of
27 airport district commissioners shall be two years, or until their
28 successors are elected and qualified and have assumed office in
29 accordance with RCW (~~(29.04.170)~~)29A.60.280. Members of the board of
30 airport district commissioners shall be elected at each regular
31 district general election on a nonpartisan basis in accordance with
32 the general election law. Vacancies on the board of airport district
33 commissioners shall occur and shall be filled as provided in chapter
34 42.12 RCW. Members of the board of airport district commissioners
35 shall receive no compensation for their services, but shall be
36 reimbursed for actual necessary traveling and sustenance expenses
37 incurred while engaged on official business.

1 **Sec. 3.** RCW 27.12.100 and 1965 c 63 s 1 are each amended to read
2 as follows:

3 An intercounty rural library district shall be established by
4 joint action of two or more counties proceeding by either of the
5 following alternative methods:

6 (1) The boards of county commissioners of any two or more
7 counties shall adopt identical resolutions proposing the formation of
8 such a district to include all of the areas outside of incorporated
9 cities or towns in such counties as may be designated in such
10 resolutions. In lieu of such resolutions a petition of like purport
11 signed by ten percent of the registered voters residing outside of
12 incorporated cities or towns of a county, may be filed with the
13 county auditor thereof, and shall have the same effect as a
14 resolution. The proposition for the formation of the district as
15 stated on the petition shall be prepared by the attorney general upon
16 request of the state library commission. Action to initiate the
17 formation of such a district shall become ineffective in any county
18 if corresponding action is not completed within one year thereafter
19 by each other county included in such proposal. The county auditor in
20 each county shall check the validity of the signatures on the
21 petition and shall certify to the board of county commissioners the
22 sufficiency of the signatures. If each petition contains the
23 signatures of ten percent of the registered voters residing outside
24 the incorporated cities and towns of the county, each board of county
25 commissioners shall pass a resolution calling an election for the
26 purpose of submitting the question to the voters and setting the date
27 of said election. When such action has been taken in each of the
28 counties involved, notification shall be made by each board of county
29 commissioners to the board of county commissioners of the county
30 having the largest population according to the last federal census,
31 who shall give proper notification to each county auditor. At the
32 next general or special election held in the respective counties
33 there shall be submitted to the voters in the areas outside of
34 incorporated cities and towns a question as to whether an intercounty
35 rural library district shall be established as outlined in the
36 resolutions or petitions. Notice of said election shall be given by
37 the county auditor (~~pursuant to RCW 29.27.080. The county auditor~~
38 ~~shall provide for the printing of a separate ballot and shall provide~~
39 ~~for the distribution of ballots to the polling places pursuant to RCW~~
40 ~~29.04.020)). The county auditor shall instruct the election boards in~~

1 split precincts. The respective county canvassing boards in each
2 county to be included within the intercounty rural library district
3 shall canvass the votes and certify the results to the county auditor
4 pursuant to chapter ~~((29.62))~~29A.60 RCW; the result shall then be
5 certified by each county auditor to the county auditor of the county
6 having the largest population according to the last federal census.
7 If a majority of the electors voting on the proposition in each of
8 the counties affected shall vote in favor of such district it shall
9 thereby become established, and the board of county commissioners of
10 the county having the largest population according to the last
11 federal census shall declare the intercounty rural library district
12 established. If two or more of the counties affected are in an
13 existing intercounty rural library district, then the electors in
14 areas outside incorporated cities and towns in those counties shall
15 vote as a unit and the electors in areas outside incorporated cities
16 and towns in each of the other affected counties shall vote as
17 separate units. If a majority of the electors voting on the
18 proposition in the existing district and a majority of the voters in
19 any of the other affected counties shall vote in favor of an expanded
20 intercounty rural library district it shall thereby become
21 established.

22 (2) The county commissioners of two or more counties meeting in
23 joint session attended by a majority of the county commissioners of
24 each county may, by majority vote of those present, order the
25 establishment of an intercounty rural library district to include all
26 of the area outside of incorporated cities and towns in as many of
27 the counties represented at such joint meeting as shall be determined
28 by resolution of such joint meeting. If two or more counties are in
29 an existing intercounty rural library district, then a majority vote
30 of all of the commissioners present from those counties voting as a
31 unit, and a majority vote of the commissioners present from any other
32 county shall cause the joint session to order the establishment of an
33 expanded intercounty rural library district. No county, however,
34 shall be included in such district if a majority of its county
35 commissioners vote against its inclusion in such district.

36 **Sec. 4.** RCW 27.15.020 and 1996 c 258 s 1 are each amended to
37 read as follows:

38 Upon receipt of a completed written request to both establish a
39 library capital facility area and submit a ballot proposition under

1 RCW 27.15.050 to finance library capital facilities, that is signed
2 by a majority of the members of the board of trustees of a library
3 district or board of trustees of a city or town library, the county
4 legislative authority or county legislative authorities for the
5 county or counties in which a proposed library capital facility area
6 is to be established shall submit separate ballot propositions to
7 voters to authorize establishing the proposed library capital
8 facility area and authorizing the library capital facility area, if
9 established, to finance library capital facilities by issuing general
10 indebtedness and imposing excess levies to retire the indebtedness.
11 The ballot propositions shall be submitted to voters at a general or
12 special election. If the proposed election date is not a general
13 election, the county legislative authority is encouraged to request
14 an election when another unit of local government with territory
15 located in the proposed library capital facility area is already
16 holding a special election under RCW ((~~29.13.020~~))29A.04.330.
17 Approval of the ballot proposition to create a library capital
18 facility area shall be by a simple majority vote.

19 A completed request submitted under this section shall include:
20 (1) A description of the boundaries of the library capital facility
21 area; and (2) a copy of the resolution of the legislative authority
22 of each city or town, and board of trustees of each library district,
23 with territory included within the proposed library capital facility
24 area indicating both: (a) Its approval of the creation of the
25 proposed library capital facility area; and (b) agreement on how
26 election costs will be paid for submitting ballot propositions to
27 voters that authorize the library capital facility area to incur
28 general indebtedness and impose excess levies to retire the general
29 indebtedness.

30 **Sec. 5.** RCW 27.15.050 and 1996 c 258 s 2 are each amended to
31 read as follows:

32 (1) A library capital facility area may contract indebtedness or
33 borrow money to finance library capital facilities and may issue
34 general obligation bonds for such purpose not exceeding an amount,
35 together with any existing indebtedness of the library capital
36 facility area, equal to one and one-quarter percent of the value of
37 the taxable property in the district and impose excess property tax
38 levies to retire the general indebtedness as provided in RCW
39 39.36.050 if a ballot proposition authorizing both the indebtedness

1 and excess levies is approved by at least three-fifths of the voters
2 of the library capital facility area voting on the proposition, and
3 the total number of voters voting on the proposition constitutes not
4 less than forty percent of the total number of voters in the library
5 capital facility area voting at the last preceding general election.
6 The term "value of the taxable property" has the meaning set forth in
7 RCW 39.36.015. Such a proposition shall be submitted to voters at a
8 general or special election and may be submitted to voters at the
9 same election as the election when the ballot proposition authorizing
10 the establishing of the library capital facility area is submitted.
11 If the proposed election date is not a general election, the county
12 legislative authority is encouraged to request an election when
13 another unit of local government with territory located in the
14 proposed library capital facility area is already holding a special
15 election under RCW ((~~29.13.020~~))29A.04.330.

16 (2) A library capital facility area may accept gifts or grants of
17 money or property of any kind for the same purposes for which it is
18 authorized to borrow money in subsection (1) of this section.

19 **Sec. 6.** RCW 28A.315.275 and 1999 c 315 s 704 are each amended to
20 read as follows:

21 Notice of special elections as provided for in RCW 28A.315.265
22 shall be given by the county auditor as provided in RCW
23 ((~~29.27.080~~))29A.52.355. The notice of election shall state the
24 purpose for which the election has been called and contain a
25 description of the boundaries of the proposed new district and a
26 statement of any terms of adjustment of bonded indebtedness on which
27 to be voted.

28 **Sec. 7.** RCW 28A.320.410 and 1969 ex.s. c 223 s 28A.58.521 are
29 each amended to read as follows:

30 All school district elections, regular or special, shall be
31 conducted according to the election laws of the state as contained in
32 Title 29A RCW, and in the event of a conflict as to the application
33 of the laws of this title or Title 29A RCW, the latter shall prevail.

34 **Sec. 8.** RCW 28A.323.050 and 1990 c 33 s 311 are each amended to
35 read as follows:

1 The registered voters residing within a joint school district
2 shall be entitled to vote on the office of school director of their
3 district.

4 Jurisdiction of any such election shall rest with the county
5 auditor of the county administering such joint district as provided
6 in RCW (~~((28A.315.380))~~)28A.323.040.

7 At each general election, or upon approval of a request for a
8 special election as provided for in RCW (~~((29.13.020))~~)29A.04.330, such
9 county auditor shall:

10 (1) See that there shall be at least one polling place in each
11 county;

12 (2) At least twenty days prior to the elections concerned,
13 certify in writing to the superintendent of the school district the
14 number and location of the polling places established by such auditor
15 for such regular or special elections; and

16 (3) Do all things otherwise required by law for the conduct of
17 such election.

18 It is the intention of this section that the qualified electors
19 of a joint school district shall not be forced to go to a different
20 polling place on the same day when other elections are being held to
21 vote for school directors of their district.

22 **Sec. 9.** RCW 28A.343.010 and 1990 c 33 s 317 are each amended to
23 read as follows:

24 Whenever the directors to be elected in a school district that is
25 not divided into directors' districts are not all to be elected for
26 the same term of years, the county auditor shall distinguish them and
27 designate the same as provided for in RCW (~~((29.21.140))~~)29A.24.020,
28 and assign position numbers thereto as provided in RCW
29 (~~((28A.315.470))~~)28A.343.320 and each candidate shall indicate on his
30 or her declaration of candidacy the term for which he or she seeks to
31 be elected and position number for which he or she is filing. The
32 candidate receiving the largest number of votes for each position
33 shall be deemed elected.

34 **Sec. 10.** RCW 28A.343.030 and 1991 c 363 s 23 and 1991 c 288 s 4
35 are each reenacted and amended to read as follows:

36 The board of directors of every first-class school district other
37 than a school district of the first class having within its
38 boundaries a city with a population of four hundred thousand people

1 or more which is not divided into directors' districts may submit to
2 the voters at any regular school district election a proposition to
3 authorize the board of directors to divide the district into
4 directors' districts or for second-class school districts into
5 director districts or a combination of no fewer than three director
6 districts and no more than two at large positions. If a majority of
7 the votes cast on the proposition is affirmative, the board of
8 directors shall proceed to divide the district into directors'
9 districts following the procedure established in RCW
10 ((~~29.70.100~~))29A.76.010. Such director districts, if approved, shall
11 not become effective until the next regular school election when a
12 new five member board of directors shall be elected, one from each of
13 the director districts from among the residents of the respective
14 director district, or from among the residents of the entire school
15 district in the case of directors at large, by the electors of the
16 entire district, two for a term of two years and three for a term of
17 four years, unless such district elects its directors for six years,
18 in which case, one for a term of two years, two for a term of four
19 years, and two for a term of six years.

20 **Sec. 11.** RCW 28A.343.320 and 1990 c 161 s 4 and 1990 c 59 s 98
21 are each reenacted and amended to read as follows:

22 Candidates for the position of school director shall file their
23 declarations of candidacy as provided in Title 29A RCW.

24 The positions of school directors in each district shall be dealt
25 with as separate offices for all election purposes, and where more
26 than one position is to be filled, each candidate shall file for one
27 of the positions so designated: PROVIDED, That in school districts
28 containing director districts, or a combination of director districts
29 and director at large positions, candidates shall file for such
30 director districts or at large positions. Position numbers shall be
31 assigned to correspond to director district numbers to the extent
32 possible.

33 **Sec. 12.** RCW 28A.343.330 and 1969 ex.s. c 223 s 28A.57.316 are
34 each amended to read as follows:

35 Except as provided in RCW ((~~29.21.010~~))29A.52.210, the positions
36 of school directors and the candidates therefor shall appear
37 separately on the nonpartisan ballot in substantially the following

2 a director district may continue to serve as a director from the
3 district even though the director no longer resides in the director
4 district, but continues to reside in the school district, under the
5 following conditions:

6 (1) If, as a result of redrawing the director district
7 boundaries, the director no longer resides in the director district,
8 the director shall retain his or her position for the remainder of
9 his or her term of office; and

14 occurs after the opening of the regular filing period provided under
15 RCW ((~~29.15.020~~))29A.24.050, in the year two years after the director
16 was elected to office, the director shall remain in office for the

19 provided under RCW ((~~29.15.020~~))29A.24.050, in the year two years
20 after the director was elected to office, the director shall remain
21 in office until a successor assumes office who has been elected to
22 serve the remainder of the unexpired term of office at the school
23 district general election held in that year.

24 **Sec. 14.** RCW 28A.343.660 and 1991 c 363 s 28 and 1991 c 288 ss 5
25 and 6 are each reenacted and amended to read as follows:

26 Notwithstanding any other provision of law, any school district
27 of the first class having within its boundaries a city with a
28 population of four hundred thousand people or more shall be divided
29 into seven director districts. The boundaries of such director
30 districts shall be established by the members of the school board,
31 such boundaries to be established so that each such district shall
32 comply, as nearly as practicable, with the criteria established in
33 RCW ((~~29.70.100~~))29A.76.010. Boundaries of such director districts
34 shall be adjusted by the school board following the procedure
35 established in RCW ((~~29.70.100~~))29A.76.010 after each federal
36 decennial census if population change shows the need thereof to
37 comply with the criteria of RCW ((~~29.70.100~~))29A.76.010. No person
38 shall be eligible for the position of school director in any such
39 director district unless such person resides in the particular

1 director district. Residents in the particular director district
2 desiring to be a candidate for school director shall file their
3 declarations of candidacy for such director district and for the
4 position of director in that district and shall be voted upon, in any
5 primary required to be held for the position under Title 29A RCW, by
6 the registered voters of that particular director district. In the
7 general election, each position shall be voted upon by all the
8 registered voters in the school district. The order of the names of
9 candidates shall appear on the primary and general election ballots
10 as required for nonpartisan positions under Title 29A RCW. Except as
11 provided in RCW (~~(28A.315.680)~~)28A.343.670, every such director so
12 elected in school districts divided into seven director districts
13 shall serve for a term of four years as otherwise provided in RCW
14 (~~(28A.315.460)~~)28A.343.610.

15 **Sec. 15.** RCW 28A.343.670 and 1995 c 335 s 106 are each amended
16 to read as follows:

17 The school boards of any school district of the first class
18 having within its boundaries a city with a population of four hundred
19 thousand people or more shall establish the director district
20 boundaries. Appointment of a board member to fill any vacancy
21 existing for a new director district prior to the next regular school
22 election shall be by the school board. Prior to the next regular
23 election in the school district and the filing of declarations of
24 candidacy therefor, the incumbent school board shall designate said
25 director districts by number. Directors appointed to fill vacancies
26 as above provided shall be subject to election, one for a six-year
27 term, and one for a two-year term and thereafter the term of their
28 respective successors shall be for four years. The term of office of
29 incumbent members of the board of such district shall not be affected

13 The legislative powers of a charter city shall be vested in a
14 mayor and a city council, to consist of such number of members and to
15 have such powers as may be provided for in its charter. The charter
16 may provide for direct legislation by the people through the
17 initiative and referendum upon any matter within the scope of the
18 powers, functions, or duties of the city. The mayor and council and
19 such other elective officers as may be provided for in such charter
20 shall be elected at such times and in such manner as provided in
21 Title 29A RCW, and for such terms and shall perform such duties as
22 may be prescribed in the charter, and shall receive compensation in
23 accordance with the process or standards of a charter provision or
24 ordinance which conforms with RCW 35.21.015.

25 **Sec. 37.** RCW 35.22.235 and 2003 c 111 s 2301 are each amended to
26 read as follows:

27 All regular elections in first-class cities having a mayor-
28 council form of government whose charters provide for twelve
29 councilmembers elected for a term of two years, two being elected
30 from each of six wards, and for the election of a mayor, treasurer,
31 and comptroller for terms of two years, shall be held biennially as
32 provided in RCW 29A.04.330. The term of each councilmember, mayor,
33 treasurer, and comptroller shall be four years and until his or her
34 successor is elected and qualified and assumes office in accordance
35 with RCW (~~29A.20.040~~) 29A.60.280. The terms of the councilmembers
36 shall be so staggered that six councilmembers shall be elected to
37 office at each regular election.

1 **Sec. 38.** RCW 35.22.245 and 2003 c 111 s 2302 are each amended to
2 read as follows:

3 All regular elections in first-class cities having a mayor-
4 council form of government whose charters provide for seven
5 councilmembers, one to be elected from each of six wards and one at
6 large, for a term of two years, and for the election of a mayor,
7 comptroller, treasurer and attorney for two year terms, shall be held
8 biennially as provided in RCW 29A.04.330. The terms of the six
9 councilmembers to be elected by wards shall be four years and until
10 their successors are elected and qualified and the term of the
11 councilmember to be elected at large shall be two years and until
12 their successors are elected and qualified. The terms of the
13 councilmembers shall be so staggered that three ward councilmembers
14 and the councilmember at large shall be elected at each regular
15 election. The term of the mayor, attorney, treasurer, and comptroller
16 shall be four years and until their successors are elected and
17 qualified and assume office in accordance with RCW
18 (~~(29A.20.040)~~)29A.60.280.

19 **Sec. 39.** RCW 35.23.051 and 1997 c 361 s 13 are each amended to
20 read as follows:

21 General municipal elections in second-class cities shall be held
22 biennially in the odd-numbered years and shall be subject to general
23 election law.

24 The terms of office of the mayor, city attorney, clerk, and
25 treasurer shall be four years and until their successors are elected
26 and qualified and assume office in accordance with RCW
27 (~~(29.04.170)~~)29A.60.280: PROVIDED, That if the offices of city
28 attorney, clerk, and treasurer are made appointive, the city
29 attorney, clerk, and treasurer shall not be appointed for a definite
30 term: PROVIDED FURTHER, That the term of the elected treasurer shall
31 not commence in the same biennium in which the term of the mayor
32 commences, nor in which the terms of the city attorney and clerk
33 commence if they are elected.

34 Council positions shall be numbered in each second-class city so
35 that council position seven has a two-year term of office and council
36 positions one through six shall each have four-year terms of office.
37 Each councilmember shall remain in office until a successor is
38 elected and qualified and assumes office in accordance with RCW
39 (~~(29.04.170)~~)29A.60.280.

1 In its discretion the council of a second-class city may divide
2 the city by ordinance, into a convenient number of wards, not
3 exceeding six, fix the boundaries of the wards, and change the ward
4 boundaries from time to time and as provided in RCW
5 (~~(29.70.100)~~)29A.76.010. No change in the boundaries of any ward
6 shall be made within one hundred twenty days next before the date of
7 a general municipal election, nor within twenty months after the
8 wards have been established or altered. However, if a boundary change
9 results in one ward being represented by more councilmembers than the
10 number to which it is entitled, those having the shortest unexpired
11 terms shall be assigned by the council to wards where there is a
12 vacancy, and the councilmembers so assigned shall be deemed to be
13 residents of the wards to which they are assigned for purposes of
14 determining whether those positions are vacant.

15 Whenever such city is so divided into wards, the city council
16 shall designate by ordinance the number of councilmembers to be
17 elected from each ward, apportioning the same in proportion to the
18 population of the wards. Thereafter the councilmembers so designated
19 shall be elected by the voters resident in such ward, or by general
20 vote of the whole city as may be designated in such ordinance.
21 Council position seven shall not be associated with a ward and the
22 person elected to that position may reside anywhere in the city and
23 voters throughout the city may vote at a primary to nominate
24 candidates for position seven, when a primary is necessary, and at a
25 general election to elect the person to council position seven.
26 Additional territory that is added to the city shall, by act of the
27 council, be annexed to contiguous wards without affecting the right
28 to redistrict at the expiration of twenty months after last previous
29 division. The removal of a councilmember from the ward for which he
30 or she was elected shall create a vacancy in such office.

31 Wards shall be redrawn as provided in chapter (~~(29.70)~~)29A.76
32 RCW. Wards shall be used as follows: (1) Only a resident of the ward
33 may be a candidate for, or hold office as, a councilmember of the
34 ward; and (2) only voters of the ward may vote at a primary to
35 nominate candidates for a councilmember of the ward. Voters of the
36 entire city may vote at the general election to elect a councilmember
37 of a ward, unless the city had prior to January 1, 1994, limited the
38 voting in the general election for any or all council positions to
39 only voters residing within the ward associated with the council
40 positions. If a city had so limited the voting in the general

1 election to only voters residing within the ward, then the city shall
2 be authorized to continue to do so. The elections for the remaining
3 council position or council positions that are not associated with a
4 ward shall be conducted as if the wards did not exist.

5 **Sec. 40.** RCW 35.23.805 and 1994 c 81 s 25 are each amended to
6 read as follows:

7 In a city initially classified as a second-class city prior to
8 January 1, 1993, that retained its second-class city plan of
9 government when the city reorganized as a noncharter code city, the
10 terms of office of mayor, city clerk, city treasurer and
11 councilmembers shall be four years, and until their successors are
12 elected and qualified and assume office in accordance with RCW
13 ((29.04.170))29A.60.280, but not more than six councilmembers
14 normally shall be elected in any one year to fill a full term.

15 **Sec. 41.** RCW 35.23.850 and 1995 c 134 s 10 are each amended to
16 read as follows:

17 In any city initially classified as a second-class city prior to
18 January 1, 1993, that retained its second-class city plan of
19 government when the city reorganized as a noncharter code city, the
20 city council may divide the city into wards, not exceeding six in
21 all, or change the boundaries of existing wards at any time less than
22 one hundred twenty days before a municipal general election. No
23 change in the boundaries of wards shall affect the term of any
24 councilmember, and councilmembers shall serve out their terms in the
25 wards of their residences at the time of their elections. However, if
26 these boundary changes result in one ward being represented by more
27 councilmembers than the number to which it is entitled, those having
28 the shortest unexpired terms shall be assigned by the council to
29 wards where there is a vacancy, and the councilmembers so assigned
30 shall be deemed to be residents of the wards to which they are
31 assigned for purposes of determining whether those positions are
32 vacant.

33 The representation of each ward in the city council shall be in
34 proportion to the population as nearly as is practicable.

35 Wards shall be redrawn as provided in chapter ((29.70))29A.76
36 RCW. Wards shall be used as follows: (1) Only a resident of the ward
37 may be a candidate for, or hold office as, a councilmember of the
38 ward; and (2) only voters of the ward may vote at a primary to

1 nominate candidates for a councilmember of the ward. Voters of the
2 entire city may vote at the general election to elect a councilmember
3 of a ward, unless the city had prior to January 1, 1994, limited the
4 voting in the general election for any or all council positions to
5 only voters residing within the ward associated with the council
6 positions. If a city had so limited the voting in the general
7 election to only voters residing within the ward, then the city shall
8 be authorized to continue to do so. The elections for the remaining
9 council position or council positions that are not associated with a
10 ward shall be conducted as if the wards did not exist.

11 **Sec. 42.** RCW 35.30.080 and 2003 c 42 s 2 are each amended to
12 read as follows:

13 (1) When a majority of the legislative body of an unclassified
14 city determines that it would serve the best interests and general
15 welfare of such municipality to change the election procedures of
16 such city to the procedures specified in this section, such
17 legislative body may, by resolution, declare its intention to adopt
18 such procedures for the city. Such resolution must be adopted at
19 least one hundred eighty days before the general municipal election
20 at which the new election procedures are implemented. Within ten days
21 after the passage of the resolution, the legislative body shall cause
22 it to be published at least once in a newspaper of general
23 circulation within the city.

24 (2) All general municipal elections in an unclassified city
25 adopting a resolution under subsection (1) of this section shall be
26 held biennially in the odd-numbered years as provided in RCW
27 (~~(29.13.020)~~)29A.04.330 and shall be held in accordance with the
28 general election laws of the state.

29 The term of the treasurer shall not commence in the same biennium
30 in which the term of the mayor commences. Candidates for the city
31 council shall run for specific council positions. The staggering of
32 terms of city officers shall be established at the first election,
33 where the simple majority of the persons elected as councilmembers
34 receiving the greatest numbers of votes shall be elected to four-year
35 terms of office and the remainder of the persons elected as
36 councilmembers and the treasurer shall be elected to two-year terms
37 of office. Thereafter, all elected city officers shall be elected for
38 four-year terms and until their successors are elected and qualified
39 and assume office in accordance with RCW (~~(29.04.170)~~)29A.60.280.

1 **Sec. 43.** RCW 35.61.030 and 2002 c 88 s 3 are each amended to
2 read as follows:

3 (1) Except as provided in subsection (2) of this section for
4 review by a boundary review board, the ballot proposition authorizing
5 creation of a metropolitan park district that is submitted to voters
6 for their approval or rejection shall appear on the ballot of the
7 next general election or at the next special election date specified
8 under RCW (~~(29.13.020)~~)29A.04.330 occurring sixty or more days after
9 the last resolution proposing the creation of the park district is
10 adopted or the date the county auditor certifies that the petition
11 proposing the creation of the park district contains sufficient valid
12 signatures. Where the petition or copy thereof is filed with two or
13 more county auditors in the case of a proposed district in two or
14 more counties, the county auditors shall confer and issue a joint
15 certification upon finding that the required number of signatures on
16 the petition has been obtained.

17 (2) Where the proposed district is located wholly or in part in a
18 county in which a boundary review board has been created, notice of
19 the proposal to create a metropolitan park district shall be filed
20 with the boundary review board as provided under RCW 36.93.090 and
21 the special election at which a ballot proposition authorizing
22 creation of the park district shall be held on the special election
23 date specified under RCW (~~(29.13.020)~~)29A.04.330 that is sixty or
24 more days after the date the boundary review board is deemed to have
25 approved the proposal, approves the proposal, or modifies and
26 approves the proposal. The creation of a metropolitan park district
27 is not subject to review by a boundary review board if the proposed
28 district only includes one or more cities and in such cases the
29 special election at which a ballot proposition authorizing creation
30 of the park district shall be held as if a boundary review board does
31 not exist in the county or counties.

32 (3) The petition proposing the creation of a metropolitan park
33 district, or the resolution submitting the question to the voters,
34 shall choose and describe the composition of the initial board of
35 commissioners of the district that is proposed under RCW 35.61.050
36 and shall choose a name for the district. The proposition shall
37 include the following terms:

1 "For the formation of a metropolitan park district to be
2 governed by [insert board composition described in ballot
3 proposition]."

4 "Against the formation of a metropolitan park district."

5 **Sec. 44.** RCW 35.61.050 and 2002 c 88 s 5 are each amended to
6 read as follows:

7 (1) The resolution or petition submitting the ballot proposition
8 shall designate the composition of the board of metropolitan park
9 commissioners from among the alternatives provided under subsections
10 (2) through (4) of this section. The ballot proposition shall clearly
11 describe the designated composition of the board.

12 (2) The commissioners of the district may be selected by
13 election, in which case at the same election at which the proposition
14 is submitted to the voters as to whether a metropolitan park district
15 is to be formed, five park commissioners shall be elected. The
16 election of park commissioners shall be null and void if the
17 metropolitan park district is not created. Candidates shall run for
18 specific commission positions. No primary shall be held to nominate
19 candidates. The person receiving the greatest number of votes for
20 each position shall be elected as a commissioner. The staggering of
21 the terms of office shall occur as follows: (a) The two persons who
22 are elected receiving the two greatest numbers of votes shall be
23 elected to six-year terms of office if the election is held in an
24 odd-numbered year or five-year terms of office if the election is
25 held in an even-numbered year; (b) the two persons who are elected
26 receiving the next two greatest numbers of votes shall be elected to
27 four-year terms of office if the election is held in an odd-numbered
28 year or three-year terms of office if the election is held in an
29 even-numbered year; and (c) the other person who is elected shall be
30 elected to a two-year term of office if the election is held in an
31 odd-numbered year or a one-year term of office if the election is
32 held in an even-numbered year. The initial commissioners shall take
33 office immediately when they are elected and qualified, and for
34 purposes of computing their terms of office the terms shall be
35 assumed to commence on the first day of January in the year after
36 they are elected. Thereafter, all commissioners shall be elected to
37 six-year terms of office. All commissioners shall serve until their
38 respective successors are elected and qualified and assume office in

1 accordance with RCW (~~29.04.170~~)29A.60.280. Vacancies shall occur
2 and shall be filled as provided in chapter 42.12 RCW.

3 (3) In a district wholly located within a city or within the
4 unincorporated area of a county, the governing body of such city or
5 legislative authority of such county may be designated to serve in an
6 ex officio capacity as the board of metropolitan park commissioners,
7 provided that when creation of the district is proposed by citizen
8 petition, the city or county approves by resolution such designation.

9 (4) Where the proposed district is located within more than one
10 city, more than one county, or any combination of cities and
11 counties, each city governing body and county legislative authority
12 may be designated to collectively serve ex officio as the board of
13 metropolitan park commissioners through selection of one or more
14 members from each to serve as the board, provided that when creation
15 of the district is proposed by citizen petition, each city governing
16 body and county legislative authority approve by resolution such
17 designation. Within six months of the date of certification of
18 election results approving creation of the district, the size and
19 membership of the board shall be determined through interlocal
20 agreement of each city and county. The interlocal agreement shall
21 specify the method for filling vacancies on the board.

22 (5) Metropolitan park districts created by a vote of the people
23 prior to June 13, 2002, may not change the composition and method of
24 selection of their governing authority without approval of the
25 voters. Should such a change be desired, the board of park
26 commissioners shall submit a ballot proposition to the voters of the
27 metropolitan park district.

28 **Sec. 45.** RCW 35.61.270 and 1985 c 469 s 35 are each amended to
29 read as follows:

30 If the park commissioners concur in the petition, they shall
31 cause the proposal to be submitted to the electors of the territory
32 proposed to be annexed, at an election to be held in the territory,
33 which shall be called, canvassed and conducted in accordance with the
34 general election laws. The board of park commissioners by resolution
35 shall fix a time for the holding of the election to determine the
36 question of annexation, and in addition to the notice required by RCW
37 (~~29.27.080~~)29A.52.355 shall give notice thereof by causing notice
38 to be published once a week for two consecutive weeks in a newspaper
39 of general circulation in the park district, and by posting notices

1 in five public places within the territory proposed to be annexed in
2 the district.

3 The ballot to be used at the election shall be in the following
4 form:

- 5 "For annexation to metropolitan park district."
6 "Against annexation to metropolitan park district."

7 **Sec. 46.** RCW 35.95A.100 and 2002 c 248 s 11 are each amended to
8 read as follows:

9 (1) Every authority has the power to impose annual regular
10 property tax levies in an amount equal to one dollar and fifty cents
11 or less per thousand dollars of assessed value of property in the
12 authority area when specifically authorized to do so by a majority of
13 the voters voting on a proposition submitted at a special election or
14 at the regular election of the authority. A proposition authorizing
15 the tax levies will not be submitted by an authority more than twice
16 in any twelve-month period. Ballot propositions must conform with RCW
17 ((~~29.30.111~~))29A.36.210. The number of years during which the regular
18 levy will be imposed may be limited as specified in the ballot
19 proposition or may be unlimited in duration. In the event an
20 authority is levying property taxes, which in combination with
21 property taxes levied by other taxing districts subject to the
22 limitations provided in RCW 84.52.043 and 84.52.050, exceed these
23 limitations, the authority's property tax levy shall be reduced or
24 eliminated consistent with RCW 84.52.010.

25 (2) The limitation in RCW 84.55.010 does not apply to the first
26 levy imposed under this section following the approval of the levies
27 by the voters under subsection (1) of this section.

28 **Sec. 47.** RCW 35A.02.025 and 1979 ex.s. c 18 s 4 are each amended
29 to read as follows:

30 Upon the filing of a referendum petition in the manner provided
31 in RCW 35A.29.170 signed by qualified electors in number equal to not
32 less than ten percent of the votes cast in the last general municipal
33 election, such resolution as authorized by RCW 35A.02.020 shall be
34 referred to the voters for confirmation or rejection in the next
35 general municipal election if one is to be held within one hundred
36 and eighty days from the date of filing of the referendum petition,

1 or at a special election to be called for that purpose in accordance
2 with RCW ((~~29.13.020~~))29A.04.330.

3 **Sec. 48.** RCW 35A.02.050 and 1994 c 223 s 25 are each amended to
4 read as follows:

5 The first election of officers where required for reorganization
6 under a different general plan of government newly adopted in a
7 manner provided in RCW 35A.02.020, 35A.02.030, 35A.06.030, or
8 35A.06.060, as now or hereafter amended, shall be at the next general
9 municipal election if one is to be held more than ninety days but not
10 more than one hundred and eighty days after certification of a
11 reorganization ordinance or resolution, or otherwise at a special
12 election to be held for that purpose in accordance with RCW
13 ((~~29.13.020~~))29A.04.330. In the event that the first election of
14 officers is to be held at a general municipal election, such election
15 shall be preceded by a primary election pursuant to RCW ((~~29.21.010~~
16 ~~and 29.13.070~~))29A.52.210 and 29A.04.311. In the event that the first
17 election of all officers is to be held at a special election rather
18 than at a general election, and notwithstanding any provisions of any
19 other law to the contrary, such special election shall be preceded by
20 a primary election to be held on a date authorized by RCW
21 ((~~29.13.010~~))29A.04.321, and the persons nominated at that primary
22 election shall be voted upon at the next succeeding special election
23 that is authorized by RCW ((~~29.13.010~~))29A.04.321: PROVIDED, That in
24 the event the ordinances calling for reclassification or

26 RCW have been filed with the secretary of state pursuant to RCW
27 35A.02.040 in an even-numbered year at least ninety days prior to a
28 state general election then the election of new officers shall be
29 concurrent with the state primary and general election and shall be
30 conducted as set forth in general election law.

31 Upon reorganization, candidates for all offices shall file or be
32 nominated for and successful candidates shall be elected to specific
33 council positions. The initial terms of office for those elected at a
34 first election of all officers shall be as follows: (1) A simple
35 majority of the persons who are elected as councilmembers receiving

1 year; and (2) the other persons who are elected as councilmembers
2 shall be elected to two-year terms of office, if the election is held

6 length of their terms of office shall be calculated from the first
7 day of January in the year following the election. Thereafter, each
8 person elected as a councilmember or mayor in a city with a mayor-
9 council plan of government shall be elected to a four-year term of
10 office. Each councilmember and mayor in a city with a mayor-council
11 plan of government shall serve until a successor is elected and
12 qualified and assumes office as provided in RCW
13 ((29.04.170))29A.60.280.

14 The former officers shall, upon the election and qualification of
15 new officers, deliver to the proper officers of the reorganized
16 noncharter code city all books of record, documents and papers in
17 their possession belonging to such municipal corporation before the
18 reorganization thereof.

19 **Sec. 49.** RCW 35A.02.060 and 1990 c 259 s 3 are each amended to

29 body thereof a certificate of sufficiency of such petition.
30 Thereupon, the legislative body shall cause such proposal to be
31 submitted to the voters at the next general municipal election if one
32 is to be held within one hundred eighty days after certification of
33 the sufficiency of the petition, or at a special election to be held
34 for that purpose not less than ninety days nor more than one hundred
35 and eighty days from such certification of sufficiency. Ballot titles
36 for elections under this chapter shall be prepared by the city
37 attorney ((as provided in RCW 35A.29.120)).

1 **Sec. 50.** RCW 35A.07.050 and 1990 c 259 s 6 are each amended to
2 read as follows:

3 When a petition which is sufficient under the rules set forth in
4 RCW 35A.01.040 is filed with the legislative body of a charter city,
5 signed by registered voters of such city in number equal to not less
6 than ten percent of the votes cast at the last general municipal
7 election, seeking adoption by the city of the classification of
8 charter code city, the county auditor shall file with the legislative
9 body thereof a certificate of sufficiency of such petition. Thereupon
10 the legislative body shall cause such proposal to be submitted to the
11 voters at the next general municipal election if one is to be held
12 within one hundred eighty days, or at a special election to be held
13 for that purpose not less than ninety days nor more than one hundred
14 and eighty days after the filing of such petition. Ballot titles for
15 such election shall be prepared by the city attorney (~~as provided in~~
16 ~~RCW 35A.29.120~~)).

17 **Sec. 51.** RCW 35A.08.100 and 1967 ex.s. c 119 s 35A.08.100 are

29 until their successors are elected and qualified and assume office in
30 accordance with RCW (~~29.04.170~~)29A.60.280. At any first election
31 upon reorganization, councilmembers shall be elected as provided in
32 RCW 35A.02.050. Thereafter the requisite number of councilmembers

34 and shall serve for terms of four years. The positions to be filled
35 on the city council shall be designated by consecutive numbers and
36 shall be dealt with as separate offices for all election purposes.
37 Election to positions on the council shall be by majority vote from

2 taking an oath or affirmation of office and as may be provided by
3 law, charter, or ordinance.

4 **Sec. 53.** RCW 35A.12.180 and 1994 c 223 s 34 are each amended to
5 read as follows:

6 At any time not within three months previous to a municipal
7 general election the council of a noncharter code city organized
8 under this chapter may divide the city into wards or change the
9 boundaries of existing wards. No change in the boundaries of wards
10 shall affect the term of any councilmember, and councilmembers shall
11 serve out their terms in the wards of their residences at the time of
12 their elections: PROVIDED, That if this results in one ward being
13 represented by more councilmembers than the number to which it is
14 entitled those having the shortest unexpired terms shall be assigned
15 by the council to wards where there is a vacancy, and the
16 councilmembers so assigned shall be deemed to be residents of the
17 wards to which they are assigned for purposes of those positions
18 being vacant. The representation of each ward in the city council
19 shall be in proportion to the population as nearly as is practicable.

20 Wards shall be redrawn as provided in chapter ~~((29.70))~~29A.76
21 RCW. Wards shall be used as follows: (1) Only a resident of the ward
22 may be a candidate for, or hold office as, a councilmember of the
23 ward; and (2) only voters of the ward may vote at a primary to
24 nominate candidates for a councilmember of the ward. Voters of the
25 entire city may vote at the general election to elect a councilmember
26 of a ward, unless the city had prior to January 1, 1994, limited the
27 voting in the general election for any or all council positions to
28 only voters residing within the ward associated with the council
29 positions. If a city had so limited the voting in the general
30 election to only voters residing within the ward, then the city shall
31 be authorized to continue to do so.

32 **Sec. 54.** RCW 35A.14.050 and 1989 c 351 s 5 are each amended to

2 adjusting boundaries to include or exclude territory; except that any
3 such inclusion of territory shall not increase the total area of
4 territory proposed for annexation by an amount exceeding the original
5 proposal by more than five percent: PROVIDED, That the county
6 annexation review board shall not adjust boundaries to include
7 territory not included in the original proposal without first
8 affording to residents and property owners of the area affected by
9 such adjustment of boundaries an opportunity to be heard as to the
10 proposal.

11 (3) Disapproval of the proposal.

12 The written decision of the county annexation review board shall
13 be filed with the board of county commissioners and with the
14 legislative body of the city concerned. If the annexation proposal is
15 modified by the county annexation review board, such modification
16 shall be fully set forth in the written decision. If the decision of
17 the boundary review board or the county annexation review board is
18 favorable to the annexation proposal, or the proposal as modified by
19 the review board, the legislative body of the city at its next
20 regular meeting if to be held within thirty days after receipt of the
21 decision of the boundary review board or the county annexation review
22 board, or at a special meeting to be held within that period, shall
23 indicate to the county auditor its preference for a special election
24 date for submission of such annexation proposal, with any
25 modifications made by the review board, to the voters of the
26 territory proposed to be annexed. The special election date that is
27 so indicated shall be one of the dates for special elections provided
28 under RCW ((~~29.13.020~~))29A.04.330 that is sixty or more days after
29 the date the preference is indicated. The county legislative
30 authority shall call the special election at the special election
31 date so indicated by the city. If the boundary review board or the
32 county annexation review board disapproves the annexation proposal,
33 no further action shall be taken thereon, and no proposal for
34 annexation of the same territory, or substantially the same as
35 determined by the board, shall be initiated or considered for twelve
36 months thereafter.

3 **Sec. 73.** RCW 52.04.011 and 1999 c 105 s 1 are each amended to
4 read as follows:

5 (1) A territory adjacent to a fire protection district and not
6 within the boundaries of a city, town, or other fire protection
7 district may be annexed to the fire protection district by petition
8 of fifteen percent of the qualified registered electors residing
9 within the territory proposed to be annexed. Such territory may be
10 located in a county or counties other than the county or counties
11 within which the fire protection district is located. The petition
12 shall be filed with the fire commissioners of the fire protection
13 district and if the fire commissioners concur in the petition they
14 shall file the petition with the county auditor of the county within
15 which the territory is located. If this territory is located in more
16 than one county, the original petition shall be filed with the
17 auditor of the county within which the largest portion of the
18 territory is located, who shall be designated as the lead auditor,
19 and a copy shall be filed with the auditor of each other county
20 within which such territory is located. Within thirty days after the
21 date of the filing of the petition the auditor shall examine the
22 signatures on the petition and certify to the sufficiency or
23 insufficiency of the signatures. If this territory is located in more
24 than one county, the auditor of each other county who receives a copy
25 of the petition shall examine the signatures and certify to the lead
26 auditor the number of valid signatures and the number of registered
27 voters residing in that portion of the territory that is located
28 within the county. The lead auditor shall certify the sufficiency or
29 insufficiency of the signatures.

30 After the county auditor has certified the sufficiency of the
31 petition, the county legislative authority or authorities, or the
32 boundary review board or boards, of the county or counties in which
33 such territory is located shall consider the proposal under the same
34 basis that a proposed incorporation of a fire protection district is
35 considered, with the same authority to act on the proposal as in a
36 proposed incorporation, as provided under chapter 52.02 RCW. If the
37 proposed annexation is approved by the county legislative authority
38 or boundary review board, the board of fire commissioners shall adopt
39 a resolution requesting the county auditor to call a special

1 election, as specified under RCW (~~(29.13.020)~~)29A.04.330, at which
2 the ballot proposition is to be submitted. No annexation shall occur
3 when the territory proposed to be annexed is located in more than one
4 county unless the county legislative authority or boundary review
5 board of each county approves the proposed annexation.

6 (2) The county legislative authority or authorities of the county
7 or counties within which such territory is located have the authority
8 and duty to determine on an equitable basis, the amount of any
9 obligation which the territory to be annexed to the district shall
10 assume to place the property owners of the existing district on a
11 fair and equitable relationship with the property owners of the
12 territory to be annexed as a result of the benefits of annexing to a
13 district previously supported by the property owners of the existing
14 district. If a boundary review board has had its jurisdiction invoked
15 on the proposal and approves the proposal, the county legislative
16 authority of the county within which such territory is located may
17 exercise the authority granted in this subsection and require such an
18 assumption of indebtedness. This obligation may be paid to the
19 district in yearly benefit charge installments to be fixed by the
20 county legislative authority. This benefit charge shall be collected
21 with the annual tax levies against the property in the annexed
22 territory until fully paid. The amount of the obligation and the plan
23 of payment established by the county legislative authority shall be
24 described in general terms in the notice of election for annexation
25 and shall be described in the ballot proposition on the proposed
26 annexation that is presented to the voters for their approval or
27 rejection. Such benefit charge shall be limited to an amount not to
28 exceed a total of fifty cents per thousand dollars of assessed
29 valuation: PROVIDED, HOWEVER, That the special election on the
30 proposed annexation shall be held only within the boundaries of the
31 territory proposed to be annexed to the fire protection district.

32 (3) On the entry of the order of the county legislative authority
33 incorporating the territory into the existing fire protection
34 district, the territory shall become subject to the indebtedness,
35 bonded or otherwise, of the existing district. If the petition is
36 signed by sixty percent of the qualified registered electors residing
37 within the territory proposed to be annexed, and if the board of fire
38 commissioners concur, an election in the territory and a hearing on
39 the petition shall be dispensed with and the county legislative

1 authority shall enter its order incorporating the territory into the
2 existing fire protection district.

3 **Sec. 74.** RCW 52.06.030 and 1989 c 63 s 14 are each amended to

6 approve the petition as presented, or it may modify the terms and
7 conditions of the proposed merger, and shall transmit the petition,
8 together with a copy of its resolution to the merging district.

9 If the petition is approved as presented or as modified, the
10 board of the merging district shall send an elector-signed petition,
11 if there is one, to the auditor or auditors of the county or counties
12 in which the merging district is located, who shall within thirty
13 days examine the signatures and certify to the sufficiency or
14 insufficiency of the signatures. If the merging district is located
15 in more than one county, the auditor of the county within which the
16 largest portion of the merging district is located shall be the lead
17 auditor. Each other auditor shall certify to the lead auditor the
18 number of valid signatures and the number of registered voters of the
19 merging district who reside in the county. The lead auditor shall
20 certify as to the sufficiency or insufficiency of the signatures. No
21 signatures may be withdrawn from the petition after the filing. A
22 certificate of sufficiency shall be provided to the board of the
23 merging district, which shall adopt a resolution requesting the
24 county auditor or auditors to call a special election, as provided in
25 RCW ~~((29.13.020))~~29A.04.330, for the purpose of presenting the
26 question of merging the districts to the voters of the merging
27 district.

28 If there is no elector-signed petition, the merging district
29 board shall adopt a resolution requesting the county auditor or
30 auditors to call a special election in the merging district, as
31 specified under RCW ~~((29.13.020))~~29A.04.330, for the purpose of
32 presenting the question of the merger to the electors.

37 office immediately when qualified as defined in RCW
38 (~~((29.01.135))~~)29A.04.133.

38 and, no later than forty-five days after receipt of the petition,
39 shall attach to the petition the auditor's certificate stating

1 whether or not sufficient signatures have been obtained. If the

9 auditor certifies that the petition proposing such election contains
10 sufficient valid signatures.

23 thereafter be selected by election, and, at the same election at
24 which the proposition is submitted to the voters as to whether to
25 elect zone supervisors, three zone supervisors shall be elected. The
26 election of zone supervisors is null and void if the voters, by a
27 simple majority, do not approve the direct election of the zone
28 supervisors. Candidates shall run for specific supervisor positions.
